

JOHNSON GIVEN DECISION IN 9TH

Flynn Outclassed All Through—Adopts Foul Tactics and State Police End Fight.

East Las Vegas, N. M., July 4.—The back Johnson-Jim Flynn, 45-round fight for the heavyweight championship was brought to a close in the ninth round today by the State police.

WARNINGS DID NO GOOD

Smith warned him repeatedly but it did no good. In the seventh he began tapping upward every time he could reach his head with Johnson's chin.

FLYNN NOT HURT BADLY

Immediately after the fight Johnson insisted to the betting crowd to collect his wagers on himself. Flynn was rushed to his camp for the cuts and bruises on his face. He had nothing to say.

Court Decides Transfer to New Haven Illegal and Continues Injunction.

New York, July 4.—Supreme Court Justice Gerard handed down a decision yesterday continuing the injunction of minority stockholders of the Rutland railroad against the proposed transfer of the majority stock from the New York Central to the New Haven & Hartford.

ENDING CAME SUDDENLY

The end came suddenly. Both boys, every from head to belt, their faces purpled and I cut every ribbing near the ropes when Rivers suddenly collapsed. Wolgast previously in the same round and in several other rounds had struck Rivers rather low and when Rivers went down, there was a shout of foul.

WOLGAST DECLARED VICTOR

Referee Welch left the ring after reasserting that Rivers' claim of foul was unfounded; that he had counted to seconds on Rivers and that the gong ending the round did not intervene before he had completed the count.

BARRE SWEEP BY SMALL TORNADO

Store and Rectory Unroofed and City Damaged to the Extent of \$20,000.

Barre, July 7.—A wind and thunder-storm, which passed over Barre about six o'clock last night, unroofed the A. B. Abbott dry goods store and a portion of the home of the Rev. W. J. M. Beattie, rector of the Episcopal Church, tore down telephone and electric wires and many trees, causing damage estimated at upwards of \$20,000.

WITHOUT ELECTRIC LIGHTS

Men were put at work clearing up the wreckage in the street as quickly as possible but the electric cars were held up about an hour and through damage to the street and other points, electric light systems were out of use nearly all night while many telephone circuits were blown down on both the New England and Orange county systems.

MONTEPELLIER NOT DAMAGED

At the Nelson farm about three miles north of Montpelier toward Middlesex there was a rare sprinkling of rain and at Middlesex not a drop of rain fell. Reports from other outlying sections indicate that the storm covered an area of only a few miles. Mirror lake in Berlin was in the path of the storm and the rain fell in sheets, while the wind whipped the lake into a fury, scattering boats broadcast. No damage was reported.

New York, July 7.—At midnight tonight the keepers of the Tombs prison, a large squad of police reinforcements were being held at bay by a "trustee" prisoner who two hours before had felled a guard with a cold chisel armed himself with the guard's six-shooter and fortified himself in a manhole in the prison yard. A dozen shots, the shouts of the guards and the presence of police reserves brought the 87 prisoners to the verge of panic.

WHEN THE GUARDS' HOLE WAS TURNED WILSON APPROACHED HIM WITH A COLD CHISEL, FELL HIM WITH A BLOW ON THE FACE, SPLIT HIS GUN AND CRAWLED INTO THE MANHOLE AFTER FIRING A SHOT. THE GUARD GAVE AN ALARM AND 25 KEENERS SET ABOUT RINGING TOWARD THE HOLE, TRYING TO GRAB HIM FROM THE PRISONER, BUT UP TO MIDNIGHT IT WAS BELIEVED THAT HE HAD HAD TWO SHOTS LEFT IN HIS GUN.

IT WAS NOT KNOWN FOR A TIME WHETHER THE PRISONER REMAINED IN THE HOLE OR HAD ESCAPED TO ANOTHER PART OF THE BUILDING.

ROOSEVELT PLANS NOVEL CAMPAIGN

Means to Appeal Largely to the Farmer and Wage Worker for Support.

Oyster Bay, July 4.—A campaign along novel lines was sketched in bare outline tonight by Colonel Roosevelt. As the progressive candidate of the new Progressive party for the presidency, Mr. Roosevelt intends to make an appeal largely to the farmer and the wage worker, on the ground that neither the Democrats nor the Republican party is attempting seriously in the campaign to deal with the fundamental, economic and social conditions which confront the country. It is from the farmer and wage worker Colonel Roosevelt feels that he has obtained his strength in the past. It is to them that he intends to appeal now.

COLONEL ROOSEVELT SAID THAT SENATOR JOE M. BROWN OF MONTPELIER WILL IN ALL PROBABILITY BE HIS CAMPAIGN MANAGER IN HIS FIGHT AT THE HEAD OF THE NEW PARTY. THE SENATOR'S HEADQUARTERS PROBABLY WILL BE IN NEW YORK.

THROUGHOUT HIS CAMPAIGN COLONEL ROOSEVELT WILL CONTEND THAT NEITHER OF THE GREAT OLD PARTIES HAS SHOWN THE ADAPTABILITY OR THE INDICATION TO TAKE THE POINT OF VIEW OF THE AVERAGE MAN WHO HAS TO WORK FOR HIS LIVING. WITH THIS STATEMENT HE INTENDS TO COMBINE THE ARGUMENT THAT THE REPUBLICAN AND DEMOCRATIC PARTIES WERE LARGELY UNDER THE INFLUENCE OF THE BOSSES, AND THAT THE TIME HAS COME FOR A NEW NATIONAL PARTY.

THE COLONEL EXHIBITED STACKS OF LETTERS AND TELEGRAMS WHICH HE SAID HAD COME SINCE THE NOMINATION OF WOODROW WILSON. ONE OF THE LETTERS WAS FROM STATE SENATOR BRYAN, ONE OF THE ARGUMENTS THAT THE REPUBLICAN AND DEMOCRATIC PARTIES WERE LARGELY UNDER THE INFLUENCE OF THE BOSSES, AND THAT THE TIME HAS COME FOR A NEW NATIONAL PARTY.

CHARLES H. THOMPSON OF VERMONT AND BATHURST GOLFY OF NEW YORK VISITED COLONEL ROOSEVELT LATE THIS AFTERNOON.

"WE ARE STRONGER THROUGHOUT NEW ENGLAND NOW THAN WE WERE IN THE PRIMARY FIGHT BEFORE THE CHICAGO CONVENTION," SAID MR. THOMPSON. "WE WILL MAKE A STRAIGHT-OUT FIGHT IN EVERY STATE. WHEREVER POSSIBLE WE WILL NAME THE REGULAR REPUBLICAN ELECTORS, WHO, IF ELECTED, WILL VOTE FOR COLONEL ROOSEVELT. WHERE NECESSARY WE WILL HAVE INDEPENDENT TICKETS."

IF THE BABY IS CUTTING TEETH BE SURE AND USE THAT OLD AND WELL-TRIED REMEDY, MR. WINDOL'S SOOTHING SYRUP FOR CHILDREN'S TEETHING. IT SOOTHES THE CHILD, SOFTENS THE GUMS, ALLEYS ALL PAIN, CURES WIND COLIC AND IS THE BEST OF ALL REMEDIES FOR DIARRHOEA. TWENTY-CENTS A BOTTLE.
