MORE WORK FOR BRIGHAM. Commissioner Now Director of Conference on Marketing and Farm Credits. Chicago, Nov. 1.—E. S. Brigham, Vermont commissioner of agriculture, has been appointed director of the educational work in that State for the national conference on marketing and farm credits. Mr. Brigham will carry on this work in addition to the duties of his commissioner's office. The fourth annual meeting of the conference will be held at the Hotel Sherman in Chicago December 4-5. Farm leaders from all the States and Canada are to discuss plans for the improvement of farm credit accommodations. The checking of the farm production and distribution of farm products is also to receive attention. Delegates are to make plans for a nationwide movement for elimination of waste in the sale of whole milk, livestock, grain and perishable products. Representatives of more than 2,000 farmers will co-operate with prominent educators and others interested for "better business, better farming and better living." Discussion of the workings of the new federal farm loan act will be part of the important work of the delegates. The conference will make recommendations to Congress for its more effective operation. It will also discuss the next steps in legislation for turning tenant farmers and landless men into home owners.
