in the meeting and he was given \$18 per week. In his report to the board Chief Barber called attention to the board of the military police sent down from Fort Ethan Allen to co-operate with the local police to keep order this summer. He stated that the authorities are willing to do their utmost to keep order and that if more men are wanted they can be had

upon the asking.

Trustee Smith raised the question as to whether the property owners have ever had a voice in regard to telegraph and being placed in front of their place. After considerable discussion it was moved that any such obstruction proposed by any corporation or persons be advertised in the newspapers before permission be granted, that property holders be given an opportunity to be heard on such obstruction at some meeting of the board.

There were many petitions for street work and some for sidewalks, but all will be taken up at the next meeting, the board being flooded with work Monday

The matter of street sprinkling and the contract for the same was left to another meeting. Trustees George Smith, Octave Cormier and Charles Blanchard were appointed in co-operation with President Mongeon to wait upon the Traction company relative to having their track on West Allen street extended to the Central Vermont railway on Malletts Bay avenue.

The matter of the sign being placed Marcotte at the corner of Allen street near Main street side of the Carblock, which permission was granted by the board last year, was declared an obstruction, a damage to the Carpentier property, and was or-dered to be removed. A new \$6 sign which stands on the top of the ground was voted to be purchased for an auto guide at the square at Main and Allen streets. It was voted that the purchasing committee be authorized to make contract for three police uniforms for dent be authorized to appoint someone

to draft a set of by-laws.
