As Others See Us.

The DAILY YELLOWSTONE JOURNAL is a sprightly publication at Miles City, Montana. Its columns are well filled with select literature, able editorial matter and a newsy local page.—*Butte Daily Miner.*

The initial number of the DAILY JOURNAL, published at Miles City, has been received at this office. It is a decidedly neat sheet in its typographical make-up, and it is brim full of terse and newsy local and editorial paragraphs, showing commendable newspaper ability and enterprise on the part of its publisher. The DAILY JOURNAL starts full of life, and as it is printed in a town that is growing wonderfully, we anticipate for it, a prosperous and long life.—*Dillon (M.T.) Tribune.*
