WANTS LANDS FORFEITED.

WASHINGTON, Dec. 26.—Representative Payson, of Illinois, a member of the house committee on judiciary, who has taken a very active part in the matter of lapsed land grants, and who has declared himself in favor of forfeiting all unearned lands, is devoting the holiday recess in collecting additional details bearing on the subject. At the department of the interior to-day he ascertained that the Oregon Central road has constructed but very few miles of road, and it controls upwards of one and one-half millions of acres of land between Portland and Astoria upon which settlers are very desirous of entering. With a view of throwing this land open to settlement, under the homestead law, Payson has prepared a resolution declaring the same forfeited, and hopes to have it acted upon by the house judiciary committee at the next meeting. In conversation to-day on the general question of forfeiture of land grants, Payson said the indications were quite favorable for the consideration of the subject in the house before the adjournment of the session. Commissioner Price is quite indignant at the stories to the effect that he is interested in the transportation of supplies to Pine Ridge agency. He says no relative of his is connected with such transportation.

SERVED HIM RIGHT.

UNIONTOWN, Pa., Dec. 26.—It is reported that the cause of the shooting of Cap. Nutt, by Hon. N. L. Duke, was the refusal of the latter to marry Nutt's daughter, after having ruined her. The affair has created a profound sensation and is the theme of conversation. Members of the bar of Fayette county met this morning and passed a resolution of condolence. The funeral of Cap. Nutt took place at 1 o'clock p. m., and was attended by a company of the 10th regiment, members of the bar, grand army, and Masonic fraternity, who had charge of the burial exercises. The banks and all places of business were closed. The condition of Mrs. Nutt is regarded as critical, and great fears are entertained for her daughter.

PITTSBURG, Pa., Dec. 26.—A later dispatch says: "Intense feeling against Duke has developed within the last twenty-four hours, it being pretty clearly shown that he has been begging off for some time, and had proposed a meeting at the hotel on Sunday for a settlement of the difficulty. No marks of violence are visible on his person, while Nutt had cuts and bruises on face and arms. It is quietly hinted that there is a prospect of citizens taking the law into their own hands."
