TRIUMPHANT TOUR.

Col. Sanders Speaks at Boulder Yesterday Noon Carrying Everything Before Him.

At Billings Last Night the Republican War Horse Meets With an Ovation.

Which Presages Success and Big Majorities in both Gallatin and Yellowstone.

Yellowstone Solid for Sanders.

Special Telegram to the YELLOWSTONE JOURNAL.
BILLINGS, Mont., Oct. 13.—Colonel Sanders and party were met at the depot to-night by a large assembly of Republicans and escorted to the Opera house, which was crowded to the doors with an enthusiastic audience. Mayor Matheson presided and delivered a stirring speech, after which O. F. Goddard introduced Judge Blake, who delivered a masterly address. He was followed by Col. Sanders who received a grand ovation. The Colonel was in his best vein and rose to the highest flights of oratory. His speech was listened to by many Democrats with marked attention, and created more converts to the Republican than any other speech of the campaign. He advocated not the reduction but the annihilation of Indian reservations, a sentiment which was unanimously and loudly applauded. Sanders' strength is increasing daily in Yellowstone county, which will give him a rousing majority.

Republicans Triumphant.

Special Telegram to the YELLOWSTONE JOURNAL.
BOULDER, Mont., Oct. 14.—Republican meeting here to-day at 2 o'clock. The meeting was addressed by Col. Sanders, Judge Blake and others. Sanders was received enthusiastically. The words of wisdom and truth by these representatives of Montana's interest were listened to and concurred in as they should be by every voter in Gallatin county who heard them. At this time more than ever should the labor vote be heard, and against the ring that has for years controlled Gallatin county's politics, excepting the election of two years ago in which the Republican ticket was elected and which result will certainly be repeated this fall as indicated by the enthusiastic meeting here to-day.

State's Politics.

MINNESOTA MANGUEVRES.
ST. PAUL, Oct. 13.—Much dissatisfaction is expressed by Democrats at the result of yesterday's county convention. Capt. Jas. D. Wood announces himself an independent candidate for auditor. A friend of R. D. Bell says Mr. Bell for coroner will compose the independent ticket. They will probably support James O'Brien for county auditor, and fill the other places on the ticket with the Republican nominees. It is an independent movement and no affiliation will be treated with the city hall gang. The Bell faction will appoint a campaign committee and open their headquarters at once. Dr. Quinn will be placed in nomination by the Republican county committee for coroner.

HASTINGS, Minn., Oct. 13.—D. F. AKINS, of Lakeville, was nominated for senator at the Democratic convention in Farmington and Jacob Krummer and James King as representatives.

ST. CLOUD, Oct. 13.—Carl Herberger was nominated commissioner of the First district this morning. This afternoon the legislative convention will nominate B. Reinhardt for representative.

DAKOTA DICKERINGS.
GRAND FORKS, Oct. 13.—Republican Legislative Candidate Day arrived here with Secretary McCormick at noon and is making a canvass of the city. He will speak the remainder of the month in North Dakota, visiting all the towns. Chairman Bangs is arranging for a demonstration and address.

BISMARCK, Oct. 13.—Republicans of the twenty-third legislative district nominated for council, Alex Hughes; for house, W. F. Stare, of Kidder, and E. A. Williams. The last two were in the old legislature.

JAMESTOWN, Oct. 13.—The Republicans of the twenty-second legislative district nominated Willis E. Dodge, of Jamestown, for council, and T. M. Shoek, of Minnewaukin, and D. S. Dadds, of Lakota, for the house.

LA MOURE, Oct. 13.—The Republican county convention held here yesterday afternoon nominated L. C. Hallis, register; J. M. Bartholemew, county attorney; W. E. Brewer, treasurer; C. W. Oakley, sheriff. A full county ticket. Two tickets are now in the field, which, with the question of the removal of the county seat from Grand Rapids to La Moure, is making the canvass a hot one.

Target Practice.

ST. PAUL, Oct. 13.—The adjutant general has written an opinion on the contest between the First and Second regiments over the rifle practice, of the qualifications as marksmen and sharpshooters. The First regiment

protested against allowing any of the Second regiment members receiving badges on the ground that the shooting was irregular, the inspector of rifle practice having allowed the men to shoot at single range in a day instead of requiring them to make the 500 per cent. on a combination of two ranges. The adjutant general reports that the inspector admits this but cannot tell which men made two ranges in two days. The opinion recites that the Minnesota rules were copied from New York, but New York has since made a change requiring 500 per cent. at all ranges and in summing up practically finds the men guilty, but does not punish them but leaves this to the governor. The adjutant general says the rules will probably be changed to conform with those of New York.

Railroad Racket.

NEW YORK, Oct. 13.—A general railroad time convention met at the Hotel Brunswick to-day. There were present 125 managers of different railroads throughout the country. The association embraces 150 roads, embracing 125,000 miles of track. In 1884 the association met in Philadelphia, and a committee was appointed which should draft rules which should regulate the time and management of trains and during the two years which have ensued the committee have been prosecuting their arduous task. Today the association met for the purpose of discussing their rules, which number 1,200, covering every point relating to the time management of trains.

CLEVELAND, O., Oct. 13.—The striking brakemen of the New York, Pennsylvania & Ohio road agreed to the company's terms and went to work, and freight trains are now running over the entire road. Both sides made concessions, and the strike lasted just one week.

HELENA, Mont., Oct. 13.—President Broadwater, of the Montana Central railroad, just returned from St. Paul. He says the Manitoba extension into Montana is advancing rapidly, and trains will be running into Helena before October 1st, 1888.

ANTI-SALOON REPUBLICANS.

CHICAGO, Oct. 13.—A committee of anti-saloon Republicans issued an address which thus concludes: "The masses of the party are ready to 'move.' State after state under Republican control is each in its own way waging successful war of repression and extermination on the saloon system, thus showing the party were most loyally republican and is under wise leaders. Most at this time and now is the dawn of the hour and with it an increase of prestige and vitality. The anti-saloon Republicans' conference did not begin or end the movement of which it was an exponent. The permanent organization for which it provided is in the field to remain, and it asks the co-operation of all republicans in placing the whole party on the right ground, and in this matter it asks the co-operation of all friends of temperance."

Capital Cullings.

WASHINGTON, Oct. 13.—Secretary Manning visited the treasury department to-day. He declined himself to general callers and gave particular instructions against the admission of office seekers. He is not quite ready to resume actual charge of the department and Mr. Fairchild will continue to act as secretary for several days yet. The remains of the late Chief Justice Chase left here this afternoon for Columbus on a special train over the Baltimore & Ohio railway. On the train were the delegates appointed by the supreme court; another representing the bar association; Congressmen Butterworth, Little, and Outhwaite; Bishops John Hall, of New York, and Bedell, of Ohio, and several colored friends of the late Chief Justice. The remains will arrive in Cincinnati tomorrow morning.

A Diabolical Revenge.

HOTSPOT, Mo., Oct. 13.—The most mysterious and diabolical crime ever perpetrated in Southern Missouri was committed on Big Creek, six miles east of this city, last Friday morning. On that morning at 3 o'clock, Mrs. Ella Williams, the bride of Ralph Williams, was lying asleep by the side of her husband, when some unknown person entered the bedroom, placed a pistol against her forehead and shot a bullet through her brain. No possible motive can be assigned for the deed except that some disappointed former lover of the bride took this means of revenge. Mrs. Williams before her marriage was the belle of the county and bore an irreproachable character. The murderer is still unknown and at large.

A Hotel Man's Burglary Propensity.

SAUK CENTRE, Minn., Oct. 13.—The proprietor of the Parker hotel was arrested this week for breaking into A. J. Smith's warehouse. He was taken before a justice and plead guilty and was bound over to court in \$5,000 bonds. Failing to put up the security he was taken to St. Cloud by a deputy sheriff to-day.

Accidental Shot.

LA MOURE, Dak., Oct. 13.—George Hamden, of La Moure, while hunting on the James river, shot himself this morning, the charge tearing away the muscles of the back of the arm above the elbow and lodging in his shoulder and back. The wounds are dangerous but probably not fatal.

Northwestern Base Ball League.

ST. PAUL, Oct. 13.—The Northwestern base ball league are in secret session at the Merchants hotel to-day. The following clubs are represented: St. Paul, J. S. Bowes; Des Moines, W. C. Bryant; LaCrosse, J. Randolph; Milwaukee, C. Morton; Eau Claire, Abe Devine; Duluth, J. W.

Anderson; Minneapolis, J. E. White-cory; Oshkosh, C. C. Chase. Secretary Quinn and Treasurer Puram are both present. Des Moines and La Crosse have both been admitted to the league, making eight clubs. Lee Sullivan has been dismissed.

Friends of "Lo."

WASECA, Minn., Oct. 13.—Friends of the Indians are gathered in large numbers at Lake Mohawk mountain today, in response to the invitation of Indian Commissioner Smiley, to confer on the subject of Indian civilization. The conference will last three days, and will discuss the policy of the present administration upon Indian affairs.

Dakota Conference.

WATERTOWN, Dak., Oct. 13.—The first annual conference of the Methodist church of Dakota convened here to-day with about one hundred clergymen in attendance. At the reception this evening Judge Thomas delivered the speech of welcome, which was responded to by Bishop Bowman.

Slosson Ahead.

ST. PAUL, Oct. 13.—Slosson and Schaffer played another game at the Standard Billiard hall this evening, fourteen-inch ball line. 600 points up for a purse of \$2,500 and gate receipts amounting to \$150. The score was Slosson, 600; Schaffer, 491. Best runs, Slosson, 221; Schaffer, 141.
