

A JUNE SONG.

The summer grass is growing, the sweet June winds are blowing. The dusky reaper yonder sings and binds his sunburned sheaves; How sweet to lie half waking, dreamless, fretless, care forsaking.

AN ACTRESS' COTTAGE.

VITIATED BLOOD

Scrofulous Inherited and Contagious Honors Cured by Cuticura.

THROUGH the medium of one of your books received through Mr. Frank T. Wray, Druggist, Apollo, Pa., I became acquainted with your CUTICURA REMEDIES, and take this opportunity to testify to you that their use has permanently cured me of one of the worst cases of blood poisoning, in connection with eczema, that I have ever seen, and this after having been pronounced incurable by some of the best physicians in our country.

James E. Richardson, Custom House, New Orleans, on oath says: "In 1870 Scrofulous Ulcers broke out on my body until I was a mass of corruption. Everything known to the medical faculty was tried in vain. I became a mere wreck. At times could not lift my hands to my head, could not turn in bed; was in constant pain, and looked upon life as a curse. No relief or cure in ten years. In 1881 I heard of the CUTICURA REMEDIES used them, and was perfectly cured."

ONE OF THE WORST CASES. "We have been selling your CUTICURA REMEDIES for years, and have the first complaint to receive from a purchaser. One of the worst cases of Scrofulous Ulcers I ever saw was cured by the use of five bottles of CUTICURA. The skin was so sore that it was necessary to use the 'oaks,' here as a medicinal soap. Sworn to before U. S. Com. J. D. CRAWFORD

SCROFULOUS ULCERS. And Contagious Humors, with Loss of Hair, and Eruption of Skin are positively cured by CUTICURA and CUTICURA SOAP. The same is also used for all other medicinal purposes. Send for Pamphlet.

HOW MY BACK ACHES I Back Ache, Kidney Pains and Weakness, Rheumatism, Stiffness, and Pain relieved in one minute by the Cuticura Anti-Plan Plaster, -infallible.

TRAVELERS FOR PLEASURE. I am returned the Union depot every evening and notice the passengers who come and go. Most of the people who travel for pleasure are past the prime of life. Young men have to work and attend to their business, so that they cannot afford to make very extended pleasure trips.

THE GRAVE OF BRYANT. The grave of Mr. Bryant is in the Roslyn village cemetery about a mile away from Cedarvale, where the poet lived in summer time and where he wrote some of his best songs. The lot is large and shaded by trees. There are but four graves in it, that of the poet and his wife and their two grandchildren.

A RESTAURANT KEEPER'S REUSE. The Berlin restaurant keeper who recently invented a new way of getting a piece of hard manual labor done without paying for it was a keen observer of human nature as well as a "well known Galswirth." In his garden lay the stump of a tall acacia, which he intended using for firewood. This could only be done by chopping the tough wood—a task which could not be done without incurring some expense to the parsimonious owner.

A SHINGLE ITEM FOR SMALL BOYS. "There are enough shingles sold in Buffalo every year," said a lumber man on Michigan street, "to supply every father in the land with an instrument of physical punishment. It is estimated that there are 15,000,000 fathers in the country who annually inflict 167,000,000 spankings, equivalent to a mean pressure of 300,000,000 pounds, on their somewhat numerous offspring. Making allowance for the indiscriminate use of slippers and rulers, and the fact that a shingle rarely gives out on any application, it is safe to assume that nearly 18,000,000 are worn out in this manner every year."

REMEMBER. That the presence of Gen-erals, Senators, and Members of Congress, in the charge of the drawings, is a guarantee of absolute fairness and integrity, that the chances are all equal and that no one can possibly divine what number will draw a Prize.

TRADE MARK. FOR THE BLOOD ECZEMA ERADICATED. Gentlemen—It is one you to say that I think I am entirely well of eczema after having taken Swift's Specific. I have been troubled with it very little in my face since last spring. At the beginning of cold weather last fall it made a slight appearance, but went away and has never returned. S. S. no doubt broke it up; at least it put my system in good condition, and I got well. It also benefited my wife greatly in case of sick headache, and made a perfect cure of a breaking out on my little three year old daughter last summer. Watkinsville, Ga., Feb. 13, 1888. Rev. JAMES V.
