The burning out of the electric switch box over the front door of W. E. Sav-

age's drug store caused some excitement about 7 o'clock last night, producing so large a blaze that many thought there was a fire under headway. With a bucket of water upon it, and extinguished the blaze before any damage was done.

Tongue River Improvements.

Anyone traveling along the Tongue river valley cannot help noticing quite a number of improvements being made in the various ranches near town.

Chauncey R. Weaver is building a commodious frame house on the Henning place.

Bob Cross has recently purchased 40 acres, just east of Major Grover's place, and is putting up a residence on the same.

W. B. Jordan has also about completed a small frame house on his farm, adding a little more to the extensive improvements already made.

W. R. Graham is constructing a log house on his ranch, and contemplates additional improvements.

Going into the Business.

During the past year or two there has been considerable talk and speculation upon the question of starting a hennery, from which to supply the local market, and the matter has finally materialized into a reality. Charles Kline & Co. now have three men at work on their ranch a few miles down the river, and have already purchased 150 chickens as a starter. Large houses will be built as rapidly as possible, and the number of fowls will be added to as fast as accommodations are provided, until the requisite number have been secured to meet all requirements. Ample provision will be made for the comfort of the chickens, including a heating plant, and there does not seem to be the least doubt as to the success of the undertaking.

The railroads of the state will make a rate of one fare for the round trip on the certificate plan, to all who desire to attend this convention. You are urgently requested to be present.

Now Try This.

It will cost you nothing and will surely do you good, if you have a cough, cold or any trouble with throat, chest or lungs. Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to give relief or money will be paid back. Sufferers from the grippe found it just the thing, and under its use had a speedy and perfect recovery. Here the students of agriculture could have experimented with every product of the soil, that matures in the temperate zone and fitted themselves for the pursuit of scientific agriculture in any portion of the country. But it was not to be, and more's the pity.

Natural History.

"Johnny," said Johnny's little brother, "a fly is a fly because he flies, isn't he?"
"Yes, that's it."
"And a flea is a flea because he flees, isn't he?"
"Shouldn't wonder."
"Then, why are bees bees?"
"Because they be," laughed Johnny.—Harper's Young People.

Edward Shepard, Harrisburg, Ill., had a running sore on his leg of eight years standing. Used three bottles of Electric Bitters and seven boxes of Bucklen's Arnica Salve, and his leg is sound and well.

PROPOSAL FOR WAGON TRANSPORTATION.—Office of Chief Quartermaster, Department of Dakota, St. Paul, Minn., March 11, 1893.—SEALED PROPOSALS, for Wagon transportation required in this Department during the fiscal year ending June 30, 1894, will be received at this office, until 11 o'clock a. m., on Tuesday the 11th day of April 1893, and opened then. Blank forms of proposals, with full instructions to bidders, will be furnished on application to this office. JOHN V. FURRY, Quartermaster, U. S. A., Chief Quartermaster.

Citizens' Attention.
The meeting of the Wool Growers on the 17th, and of the Stockmen on the 18th, together with the other visitors, will bring a larger crowd than can ordinarily be cared for. The hotels and restaurants can feed the multitude but the matter of sleeping room is one that must not be overlooked. We must see that our visitors are made comfortable during their stay, and your committee requests that parties having spare room notify the undersigned, that arrangements may be made for the proper entertainment of those from abroad.

Unjust Taxation.
It is unjust to tax the stomach with burthens that it cannot bear. Many silly people thus tyrannize that faithful servant until it rebels and punishes them as they deserve. Dyspepsia is usually the child of gastronomic folly, but whether this or the natural associate of inherent feebleness from childhood, it is surely and pleasantly remediable with Hostetter's Stomach Bitters, the finest and most highly sanctioned gastric tonic in existence. As a result of the tone imparted to the stomach, and the increased activity of its digestive and assimilative action, induced by the persistent use of this benign, invigorant, general stimulant, the nervous system is strengthened and tranquilized, and a tendency to insomnia and hypochondriasis defeated. Biliousness, chills and fever, rheumatism and kidney troubles are conquered by this admirable medicine.

I Vote for Hood's

Forty Years in the Ministry

Rheumatism, Dyspepsia and Indigestion—Great Benefit From Hood's Sarsaparilla.
"I have been taking Hood's Sarsaparilla for four or five months, and am satisfied that it is a very excellent remedy. I have been troubled with rheumatism more or less for a number of years. My back and hips, and indeed my whole body at times, have been afflicted. The rheumatism has been especially severe in my right arm between the elbow and shoulder, which has been so lame that I sometimes feared

I should lose the use of it entirely. I was in this condition when I began to take Hood's Sarsaparilla, but I had not taken more than a bottle or two when I began to feel better, and when I had taken four bottles, my rheumatism had entirely left me. I have been more free from rheumatism this season than for years. Besides the rheumatism, I like

many others of sedentary habits—for I have been a minister of the Methodist Episcopal church forty years—have been troubled with dyspepsia, but while taking the medicine my

appetite has been good, food digested well and I have gained several pounds. I have also been troubled with insomnia, but since taking Hood's Sarsaparilla, sleep much better." Rev. W. R. Puffer, Richmond, Va.
N. B. Be sure to get Hood's Sarsaparilla.

HOOD'S PILLS cure liver ills, constipation, biliousness, jaundice, sick headache, indigestion.
