CHINESE GOING EAST

They're Dying in Hundreds by the Sword and Starvation—Reign of terror at Tien.

The Savage Soldiers Everywhere Plundering and Maltreating the Wretched Populace Who are Fleeing for Their Lives.

LONDON, Sept. 13.—A dispatch from Shanghai states that the power of Viceroy Li Hung Chang has steadily decreased. Every day's delay in providing the promised victory over the Japanese adds to the danger of his downfall.

Reinforcements from the more remote provinces en route to Korea are at a standstill, terrorizing the cities in which they are halted. Almost a reign of terror prevails even in Tien Tsin. The savage soldiery are everywhere plundering and maltreating the wretched populace and native merchants are fleeing to Tien Tsin to save their lives.

The French minister has formally protested against the action of the Chinese in boarding the French mail steamer on Saturday.

A letter from a resident minister at Seoul states that a large military hospital has been erected on the heights and numerous sick Japanese are treated there. Constant conflicts are taking place between the outposts but few badly wounded have been taken to Seoul.

Will Again Invade Dixie.

PITTSBURG, Sept. 12.—While 200,000 persons have left the city since yesterday, there are still 200,000 strangers in town. The national encampment G. A. R. opened this morning in the new grand opera house. The election of commander-in-chief will not be held until tomorrow. Since the withdrawal of Judge Charles D. Long, of Michigan, the opinion is rapidly growing that Col. I. N. Walker, of Indiana, will secure the coveted honor. Louisville was selected as the place for the next encampment.

The annual reports of national officers were read. Commander-in-Chief Adams reported the total membership at 329,974, against 328,223 a year ago. Each succeeding year, he said, will show a decrease. The interest in the order, however, has grown stronger. When the last comrade is mustered out the G. A. R. should cease to exist, but the Sons of Veterans would carry on its work.

The pension department of the order has investigated all cases of alleged pension frauds. Very few frauds were discovered and they were the work of dishonest agents. Adams complained that the pension officer violated the intended liberality of the act of June 27, 1890, and rejected every claim about which there was the slightest doubt.

Everything Satisfactory.

The meeting of the committeemen and the candidates to be presented to the republican convention, which was held last night resulted in a perfect agreement on the manner of selecting delegates to the convention from this precinct. After various plans had been discussed, a motion prevailed to appoint a committee of five to select a list of seventy-five names to the electors at the primary election, from which list twenty-two delegates and twenty-two alternates will be chosen. The committee of five is composed of Ed Arnold, Townner Savage, Dr. C. S. Whitney, Chas. Larsen and Allan Ireland, who are busy today making the selection of seventy-five names.

Republican Primaries.

The republican primary election for this precinct will be held tomorrow (Saturday) afternoon from 4 to 7 o'clock p. m. at the headquarters of the "Tom Carter" club. Ballots will be provided, and it is desired that every republican attend the election and record his vote.

A Thief Rewarded.

A thief in the act of breaking into a safe was greatly astonished on looking up to see a gentleman quietly watching his proceedings. He tried to escape, but the gentleman stopped him. "Go on, my friend," he said. "I am greatly interested in your work." "How is that?" inquired the astonished thief.

"Because I have lost the key to this safe. If you can open it, you shall be well rewarded for your trouble."—Arlequin.

Curious.

A domestic, newly engaged, presented to his master one morning a pair of boots the leg of one of which was much longer than the other. "How comes it that these boots are not the same length?" "I really don't know, sir, but what bothers me the most is that the pair down stairs are in the same fix."—Boston Woman's Journal.

Bridge to be of wood, or combination wood and iron; bridge to consist of a span 55 feet in length, width of roadway 14 feet, height of piers 14 feet, to be built of cedar, filled with rock, each bidder to furnish his own plans and specifications.

The Board reserves the right to reject any or all bids. By order of the Board of County Commissioners. A. H. SWERDFIGER, Clerk of Board.

Dated at Miles City, Mont., Sept. 5, 1894.

NOTICE OF STREET IMPROVEMENT

To the owners of, and agents for property fronting on Main street in Miles City, between north Fifth street and north Eighth street. Notice is hereby given that the city council of the city of Miles City, did, by a resolution adopted at a meeting held on the 23rd day of August 1894, order the laying of a stone support or curb on the inner or street side of the cobblestone gutter recently laid on each side of Main street between the limits above described, which said support or curb may be laid by the owners or agents of the property abutting on the line of said improvement, if laid within thirty days from the date of the first publication of this notice, and if not laid by that time, the said support or curb will be laid by the city and the cost thereof will be assessed and taxed against the property abutting on said improvement. Specifications for the work can be had on application to the city clerk. By order of the City Council. S. GORDON, City Clerk.

This Time Last Year.

For the convenience of those who wish to make comparisons and for the benefit of those who can never remember, the JOURNAL will hereafter keep standing a table of the corresponding month of last year, showing day by day the principal meteorological conditions, as obtained from the record kept by the United States weather observer in this city. Following is the record for Sept., 1893:

Table with columns: DAY, WEATHER, TEMPERATURE. Rows 1-30 showing daily weather and temperature readings.

The figures in the right hand column denote the average thermometer reading for the day. The highest temperature during the month was 90 on the 7th. The amount of rainfall during the month was 1.89 of an inch.

Public Notice.

WHEREAS: Repeated complaints have been and are being made to the Northern Pacific Railroad company by shippers of live stock over its road, that persons fencing the lands of the company have deprived such shippers of the use of water for their stock in driving to and from the road, to the great injury and detriment of such shippers;

NOW THEREFORE, The undersigned are directed by the officers of said company, to notify all persons interested, that the following lands belonging to the company have been reserved from sale and all fencing is strictly forbidden, to the end and purpose that the water upon or running through said lands may be left open and free to the use of all persons driving live stock to said road for shipment. The lands reserved are as follows:

- The south 1/2 of sec. 5, twp. 2 south range 41 east.
The west 1/2 of sec. 9, twp. 1 south, range 42 east.
The south 1/2 of sec. 25, twp. 1 north, range 42 east.
The north 1/2 of sec. 33, twp. 3 north, range 43 east.
The south 1/2 of sec. 19, twp. 4 north, range 43 east.
All of sec. 9, twp. 5 north, range 42 east.

AND ALL PERSONS having fenced any part of the above tracts, are respectfully requested to remove such fencing at once, for the reasons hereinbefore stated.
