### WARLAND MAN STRUCK BY TRAIN

M. Mulholland, a rancher of Warland, was brought to Whitefish Sunday and placed in the hospital, suffering from a fractured skull and a broken arm. He died on Monday, his injuries being of so serious a nature that he could not possibly recover.

The man had been found on the railroad track at Warland, and it is presumed that he was struck by passenger train No. 1 Saturday night. He was first discovered by Peter Plentywood and a friend, who were returning from a dance and walking along the track. Mr. Plentywood accompanied the injured man to Whitefish.

### MANWARING-CREMANS

Mr. Chas. Manwaring and Miss Mary Cremans were married on Monday morning at the bride's home, Rev. Father McGlynn performing the ceremony which made them man and wife. The wedding was a quiet one, only a few of the relatives and friends being present to witness the ceremony.

The contracting parties are well known in Whitefish, and are popular among a wide circle of friends. They left for the east immediately after the ceremony, and will spend their honeymoon in Oklahoma and other points, but will return to make their home in Whitefish.

### WILL ERECT FINE NEW BUILDING

Rev. Father McGlynn has about completed arrangements for the erection of a fine new Catholic rectory, to be located upon two lots on Baker avenue, which were purchased recently.

All the details for the building have not yet been completed, but it is certain that the structure will be one of the best in the town, and it is probable that brick will be the material used in building it.

Father McGlynn also has arrangements under way for a new rectory at Libby, which is likewise to be a fine structure.

### RAILROAD MAPS FILED AT COUNTY SEAT

The Chicago, Milwaukee and Puget Sound Wednesday morning filed in the United States land office in Kalispell a map of definite location for their proposed road up the North Fork, covering 7.43 miles of additional line, says the Inter Lake. It is all on unsurveyed territory, within the limits of the Flathead forest reserve, and begins at the northern terminus of the line shown on the map filed some time ago for ten miles of the road running from the vicinity of Coram north. The two maps cover a distance of 17.43 miles.

In addition to the map mentioned both the Milwaukee and the Great Northern have filed deeds for additional right-of-way in the office of the county clerk.

The work of actual surveying in the field proceeds slowly on account of the deep snow, and the difficulty of getting supplies to the camps along the river. There are enough men at work along that short stretch from Coram to the boundary to survey a line across the entire state under ordinary conditions.

### NEW ORGANIZATION

The Women's Christian Temperance Union was organized in Whitefish Monday afternoon, at the Methodist church, by Mrs. J. Silbough, the organizer. The order starts off with a membership of about twenty-five.

A meeting will be held at the home of Mrs. H. A. Shoaf next Tuesday afternoon at 2:30.

Officers were elected as follows:  
President—Mrs. H. A. Shoaf.  
First Vice President—Mrs. W. W. Walcott.  
Second Vice President—Mrs. L. B. Saunders.  
Third Vice President—Mrs. L. M. Williams.  
Fourth Vice President—Mrs. Geo. Page.  
Recording Secretary—Mrs. Lyan.  
Corresponding Secretary—Miss Marie Shoaf.  
Treasurer—Mrs. D. B. McKnight.

The hoboes are again on the move, and many of them have visited the town this week.

### BASEBALL FANS HAVE PRACTICE GAME

The baseball fans turned out on Sunday afternoon to a practice game between local nines, which was the first game of the season. All the old players showed themselves to be in good form, and some new ones appeared on the diamond who look very promising.

Among the new players this year are Knapton, Peterson, Howell, Gutensohn, Coffey and Plantenburg, and they are all showing up well. Knapton is a pitcher, and the way he would the curves around the home plate Sunday made 'em sit up and take notice. Knapton seems to have "the goods," all right, and will undoubtedly be seen in the games this summer.

Hamil, Van Slyke and Beaudin evidently wintered well, and seem to have lost none of their old-time form. Miller, Emard and Jim Shoaf were out of town and could not be present for the first try-out, but they are ready for business at any time. Jim Koster and Harry McCabe seem to have improved over their last year's form. That there is plenty of material for a good baseball club this season is plainly evident.

### A METHODIST PARSONAGE

Several weeks ago the two vacant lots just north of the Methodist church were purchased as a site upon which to erect a parsonage.

The building committee, Dr. H. E. Houston, E. M. Hutchinson and J. A. Monk, have selected plans for a modern six-room house, to cost about \$1,550. About \$600 has already been subscribed, and the building will be started this week. Any one wishing to donate labor or make a cash subscription will see one of the building committee or the pastor.

### CHINA SHOWER

Mrs. J. H. McCabe gave a china shower Saturday afternoon in honor of Miss Mary Cremans, whose marriage to Chas. B. Manwaring took place Monday morning. The afternoon was very pleasantly spent in playing "500," the bride to be carrying off the first prize, the consolation prize going to Miss Bingham. Dainty refreshments, consisting of stuffed tomatoes, olives, sandwiches, coffee, ice cream, cake and salted almonds were served. The hostess was assisted by the Misses Jessie Smith, Gertrude McCabe and Christine Cremans. Each guest was presented with a carnation in remembrance of the occasion.

After lunch some time was spent in unwrapping the parcels. The bride received many beautiful pieces of china from her friends. As the hands of the clock were nearing 7 the guests departed, all wishing Miss Cremans a long and happy journey through life. Those present were the Miss Mahan, Kelly, Riach, Bingham, Murray, Patterson, McCannan, Wilde, Colon, Bronson, Cremans, Smith, Edith Roebuck, Margaret Roebuck and Christine Cremans.

### A. J. WALKER BUYS HILL RESIDENCE

Mr. and Mrs. A. J. Walker came in Wednesday night from Butte, and expect to remain in town until tomorrow. Yesterday afternoon Mr. Walker closed a deal for the V. M. Hill residence property on Lakeside hill, one of the finest places in the town. The deal not only included the house and lots, but all the furnishings as well.

Mr. Walker is steadily adding to his holdings in Whitefish, and now owns a great deal of property here, including the two lake resorts and the addition south of the lake. He has implicit faith in the future of the town.

### M. W. OF A. MEMBERS

Organizer Menzie of the Modern Woodmen of America, who is in town getting new members for the local camp, has just received word from the head consul that in March the Modern Woodmen smashed all records by getting 18,063 new members during the month.

Mr. Menzie expects to leave the Whitefish lodge in good shape when he has finished his work here. He already has quite a large class of applicants ready for initiation, and a meeting is to be held tonight to make preparations for taking them into the order. An effort will probably be made to get the team from the Kalispell camp to come here when the class is initiated.

### RIACH RESIGNS, M'CABE ELECTED

The town council held a special meeting Monday night, when Alderman James Riach handed in his resignation, on account of leaving town.

The council elected J. H. McCabe to fill out the unexpired term. Mr. McCabe has been an alderman ever since the town was incorporated, nearly four years ago, and has always been one of the hard workers for the municipality. His term as an alderman, however, expired this year, and he would not be a candidate for a re-election, but when Alderman Riach resigned, Mr. McCabe's friends prevailed upon him to fill out the unexpired term.

Resolutions commending the efforts of Alderman Riach while in the council were adopted, and which expressed regret that it had become necessary for him to resign.

The mayor having signed the new dog ordinance, it was ordered published. The ordinance goes into effect on June 1.

### LARGE CROWDS ATTEND ORPHEUM OPENING

The Orpheum theatre opened Sunday night for its initial performance, and the house was packed three times during the evening. The pictures were first class; in fact, the best ever seen here, and everything else was in keeping with them.

The illustrated song was sung by Fred Stafford in a pleasing manner, while Mrs. Parent presided at the piano. M. S. Cannon of New York operates the machine, and is an expert at the business.

Mr. McCabe has equipped his theatre in first class shape, and is prepared to give the people of Whitefish an excellent place of amusement at a minimum cost. There has long been a demand for such a place, and now that it is here the people of the town should not be slow in according the theatre the support that it deserves.

### JAPANESE LABORER IS KILLED IN YARDS

C. Okuno, a Japanese laborer, was killed in the railroad yards Tuesday night. He was found lying upon the track with his head cut off, having been run over by the switch engine.

That the man committed suicide seems to be practically certain. He had been slightly unbalanced mentally for several days and had made two previous attempts to do away with himself.

He had been placed in the Japanese lodging house on First street, where he was guarded by two of his countrymen. He escaped from them during the night, however, and made his way at once to the railroad yards, where he ended his life. He was 23 years of age.
