

**WISE TALKS BY THE OFFICE BOY**  
Subject: Bifocals.

I wonder when I am ever going to get a rest. Nothing has been said yet about my vacation—I haven't heard of any plans to rebuild my constitution or engage me room and board at any of the health resorts. I bet I will have to stay right here in the store and work all summer. Well, that's what I expected—I came here to work and I am getting all that's coming to me. I'll tell you one thing that works on your feelings and grows in your esteem and that's a pair of our new bifocal eye glasses, the kind with the double lens that obviates the need of carrying two pairs along when you go away this summer. Come in and let the boss show them to you and explanation himself.

WILLIE, with
