The New York World
Thrice-a-Week Edition

Read Wherever English Language is Spoken

The Thrice-a-Week World, now that a great presidential campaign is foreshadowed, hopes to be a better paper than it has ever been before, and it has made its arrangements accordingly. Its news service covers the entire globe, and it reports everything fully, promptly and accurately. It is the only newspaper not a daily, which is as good as a daily, and which will keep you as completely informed of what is happening thruout the world.

The Thrice-a-Week World is fair in its political reports. You can get the truth from its columns, whether you are Republican or Democrat, and that is what you want.

A special feature of the Thrice-a-Week World has always been its serial fiction. It publishes novels by the best authors in the world, which in book form sell for \$1.50 apiece, and its high standard in this respect will be maintained in the future as in the past.

The Thrice-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and the Yellowstone Monitor both for \$2.75 for one year.

When a man buys a horse he purchases one to use, not to look at, so when a merchant buys advertising space he should get that which brings something in return. Advertise in the MONITOR and get your money's worth.
