

YELLOWSTONE MONITOR

OUR AIM: TO PUBLISH A NEWSPAPER.

294 VOTES FOR TAFT CERTAIN

Big Majority in Electoral College.

TWO STATES IN DOUBT

Bryan May Secure Maryland and West Virginia.

SEVERAL OTHERS SPLIT VOTE

Favor Taft for President, but Elect Democratic Governors.

New York, Nov. 5.—While the election of William H. Taft as president by a large majority of the electoral vote is an absolute certainty, the result is so close in Maryland and West Virginia as to center attention upon those states. The latest returns indicate that Bryan has carried West Virginia and Maryland by small pluralities.

Of the national figures in the field for governor Hughes was elected in New York state, Johnson in Minnesota and Harmon in Ohio.

The returns showed also that Bryan had won over his own state of Nebraska. Although Taft carried Indiana, Ohio and probably Montana all three of those states appear to have elected Democratic governors, Judge Harmon apparently winning in Ohio and Thomas R. Marshall in Indiana.

On the other hand, while Bryan carried Missouri by a safe margin the election of Herbert S. Hadley, the Republican candidate for governor, is indicated.

The uncertainty also extends to several of the legislatures, which will choose United States senators to fill vacancies caused by expiration of terms, of which there are thirty-one.

State advices indicate that Montana, up to now listed in the Bryan column, has given Taft a plurality. This would apparently give Taft 294 electoral votes, and with the possible addition of West Virginia seven more.

NEXT VICE PRESIDENT.

JAMES SCHOOLCRAFT SHERMAN.

CLEAN SWEEP IN KANSAS

Republicans Elect National, State and Congressional Tickets.

Topeka, Kan., Nov. 5.—Republicans claim 30,000 plurality for their state ticket and Taft. Attorney General Fred S. Jackson, who was opposed by the liquor interests, leads the ticket, Wyandotte, the big county of the state, which includes Kansas City, Kan., went Democratic, nearly defeating Congressman Charles F. Scott, Republican. The Democrats made inroads on the Republican majority in the legislature, but the election of Joseph L. Bristow, Rep., as United States senator is assured. All of the eight Republican congressmen were re-elected, most of them by increased majorities.

DEMOCRATIC ON THE PRESIDENTIAL TICKET

But Missouri Elects a Republican Governor.

St. Louis, Nov. 5.—An almost complete reversal of indicated results in Missouri came when the returns from the country precincts and the congested wards of the city came in. Nationally the state is in doubt, with the chances slightly in favor of Bryan. His margin over Taft, however, is so slender that a few counties may wipe it out.

There is little doubt but that Attorney General Herbert S. Hadley has defeated his Democratic opponent, Congressman William C. Cowherd, for the governorship. With ninety-six counties heard from more or less completely Hadley had a plurality of close to 16,000, the vote in the state having failed to disturb the margin of 15,500 with which he left St. Louis. This, too, despite the fact that Kansas City gave Cowherd a plurality in excess of 3,000.

The senatorial race took on a new aspect also when it became apparent that the Republicans had a chance to carry the legislature. If this has happened either Lieutenant Governor McKinley, Richard C. Kerens or John Kennish will be elected United States senator. If the body remains Democratic Senator Stone will probably succeed himself, the returns showing that he has a good lead over Folk for the Democratic nomination.

BY SMALL PLURALITY.

Maryland Apparently in the Democratic Column.

Baltimore, Nov. 5.—The latest returns indicate that Bryan carried Maryland by about 1,000 plurality, the total being Bryan 101,402, Taft 100,339. The morning reports gave the vote to Taft by a plurality of 168, but as the day wore on more complete returns showed a steady Democratic gain, which soon wiped out the slight Republican lead and apparently has put the state into the Bryan column.

Close on Governorship.

Concord, N. H., Nov. 5.—Taft has carried this state by about 20,000 plurality. Henry B. Quinby, Republican candidate for governor, will probably have 4,000 plurality, but as a majority is required to elect, the vote of the minor parties may cut an appreciable figure in determining the result. The legislature will be strongly Republican and the two Republican congressmen were re-elected.

LOWER HOUSE IS REPUBLICAN

G. O. P. Retains Control of Congress.

ABOUT SAME MAJORITY

With Thirty-six Districts to Be Heard From Republicans Have Plurality of Thirty-five—Six Senatorships Are in Doubt, but the Upper Branch of Congress Remains About as at Present.

Washington, Nov. 5.—With thirty-six districts yet to be accounted for the Republicans have a majority of thirty-five in the next house. There are six senatorships over which there is some doubt, one each from Ohio, Oregon and Indiana, all of which are now represented by Republicans, and Colorado, Missouri and Nevada, which are represented by Democrats. Eliminating these six the next senate will stand 59 Republicans and 27 Democrats, or if the division of the six should be in the next congress as in the present, 62 Republicans and 30 Democrats.

BRYAN GETS HOME STATE

Democrats Also Elect Governor of Nebraska.

Lincoln, Neb., Nov. 5.—Beginning with a brilliant victory in his home precinct, William J. Bryan reversed a majority of 2,000 in this city, carrying this (Lancaster) county by a handsome plurality and will win the state by 10,000. His vote was unprecedented, Lancaster being counted the banner Republican stronghold of the state.

George L. Sheldon was defeated for governor by 8,000, Ashton G. Shallenberger, Democrat, running slightly ahead of Bryan.

Republicans are claiming the legislature by slender majorities. In the First district Congressman E. M. Polard encountered the Bryan wave and his election is in doubt. He lost heavily throughout the district and Democrats claim the election of Maguire by 500 votes.

INDIANA SPLITS ON STATE AND NATION

Taft Gets Electoral Vote, but Democrats Elect Governor.

Indianapolis, Nov. 5.—For the first time since Thomas A. Hendricks was elected governor on the Democratic state ticket and U. S. Grant received the electoral vote of the state for the Republican national ticket Indiana has given a plurality to the Republican candidate for president and at the same time elected the Democratic candidate for governor. According to the latest estimate Mr. Taft received a plurality of about 15,000 and Thomas R. Marshall was victorious over James E. Watson, Republican candidate for governor, by about 8,000.

The congressional representation from this state will probably be seven Democrats and six Republicans.

The legislature is in doubt. Marion county, with its twelve members of the legislature, went heavily Democratic for the county ticket and carried down with it the Republican legislative candidates and possibly Congressman Jesse Overstreet. One of the Republican leaders conceded that the lawmaking body is very close, but he adhered to the opinion that the lead the Republicans have in the seventeen holdover senators will save it to the Republicans on joint ballot and insure the re-election of Senator James A. Hemenway.

Nevada Is Democratic.

Reno, Nev., Nov. 5.—Reports so far received indicate a majority for Bryan in Nevada of 1,500 to 1,800 out of about 18,000 votes cast. Senator Newlands, Dem., is re-elected by a popular vote with a majority of 2,000 to 3,000. Congressman Bartlett, Dem., is re-elected by a majority of 2,000.

LATE RETURNS FROM ELECTION

County and State Results as They Appear When We Go to Press.

Sanner, Larson and Burdick The Only Democrats Elected in the County.

Election day developed few surprises in Glendive, it being simply a matter of electing the persons who did the most work in behalf of their candidacy. Mr. Lentz fell below expectations on the judgeship, but then it should be remembered that Mr. Sanner had practically the undivided support of the two counties.

The total county vote is as follows to date, it being impossible to secure complete returns up to the time of going to press: McCone, 811; Baird, 336; Maxwell, 711; Chappell, 445; Lentz, 497; Loud, 180; Sanner, 405; 650; Gardkey; 571; Frank 773; Goulding, 472; Sample, 892; Kiichli, 332; Johnson, 795; Bilyeu, 385; Hackney, 748; Stubbs, 259; Leiper, 383; Stewart, 361; Arkle, 111; Kean, 326; Lee, 170; Hurdle, 382; Hughes, 245; Burdick, 247; Leonard, 207; Eyer, 138; Mitchell, 273; Flynn, 259; Kinney, 232; Wilson, 130; Adams, 370. The vote for judge in Custer County was; Lentz, 66; Loud, 460;

Sanner, 569; Mr. Sanner is therefore elected by a big majority.

The Glendive vote on the state ticket is as follows: McCormick, 334; Warren, 305; Gallick, 303; Hartman, 131; Penwell, 141; McTague, 140; Pray, 327; Long, 139; Donlan, 326; Norris, 152; Allen, 324; Swindlehurst, 143; Holloway, 325; Johnston, 145; Yoder, 328; Romney, 136; Galen, 324; Tolan, 140; Esselstyn, 319; Goodwin, 149; Cunningham, 323; Sherlock, 137; Harmon, 323; Mountjoy, 138; Boyle, 345; Stanton, 327; Morley, 322; Nevin, 117; Violette, 125; Newman, 129.

Returns are yet far from complete and the Monitor will attempt a fuller report next week. The state is especially slow in forwarding returns.

Election returns were received on Tuesday evening at the Dawson County Club, the Jordan Hotel, Republican Headquarters and the Opera House, where they were read at intervals during the vaudeville show. A large crowd was present at each place.

CUSTER COUNTY COAL READY FOR SALE

A. J. Coates, manager of the Custer County Coal Company, is now busily engaged in supplying the wants of his Glendive customers in the black diamond line.

The mine near Fallon is now producing some three carloads a day. This coal is shipped to Miles City, Fallon, Terry and Glendive. The coal is of an excellent grade and retails for \$3.50 per ton, delivered. Special rates are given on larger orders and carloads. Mr. Coates has his quarters at the Hotel Jordan, where he may be found by prospective customers.

The Jordan Hotel, Douglas, Mead & Company and other business houses are now being supplied with this coal. Wherever used it has given the best of satisfaction, demonstrating that the company will ultimately do an immense business.

A HAPPY EVENT

On Thursday, Oct. 29, at 4 p. m., at her home near Ridgelawn, Mabel E., daughter of Mrs. Pauline Dore, and Arcade G. Simard, son of Mr. and Mrs. Joseph Simard of Newlon, were united in the holy bonds of matrimony by Rev. Anderson of the Peoples' church. Mr. T. A. and Miss Jennette, brother and sister of the groom, acted as best man and bridesmaid, while Miss Kennedy played the wedding march and Miss Grace Dore acted as ring girl. The ceremony was carried out in an elegant manner, immediate relatives and friends being present to witness the happy event.

After the ceremony an elaborate dinner was served. In the evening a reception was held by the parents of the groom at the Betty hall in Sidney. Fourteen people were kept busy serving supper, the hall being

filled with nearly 250 friends of the wedding party. Mr. Sample of Glendive sang a song and Mr. Leiper, also of Glendive, rendered a declamation, which was highly appreciated.

The congratulations which the young people received were many, as they start on their great voyage of life. They will live at the "Baking Powder Mine" for the winter.

Canada Land Sale A Failure.

Are the people at last getting their eyes open to the fact that latitude has something to do with cold and climate, that the north pole is at least mildly cooler than the equator? Will they wake up too, before many more millions are squandered in railroad fare, automobiles and "stake showers" to the fact that cactus covered, waterless plains need not be "rushed" for? That they will have years and many of them in which to carefully select such lands at their leisure, if they think them peculiarly adapted to mixed agriculture?

A late report from Winnipeg says: "An auction sale of a quarter of a million acres of Saskatchewan lands, which were advertised extensively for weeks at a cost of \$30,000, to be sold at Regina this week, turned out a failure. But few persons attended the sale and the company canceled the remaining days. The attendance of American buyers was slim."—Dakota Farmer.

Raw Lungs

When the lungs are sore and inflamed, the germs of pneumonia and consumption find lodgement and multiply. Foley's Honey and Tar kills the cough germs, cures the most obstinate racking cough, heals the lungs, and prevents serious results. The genuine is in the yellow package. Glendive Drug Co.
