Your Chance For Success

when starting in any business, depends greatly on your reputation and financial standing among your local bankers. Therefore you should be honest and industrious, and when you have a little money, deposit it with some good bank whose officers will take an interest in your welfare. You will thus get acquainted with people who are able and willing to help you in time of need. We have such a bank and will be glad to do business with you.

The Deposit Ticket

is the little slip that is handed in with your deposits. This ticket should give your name and the date of making the deposit, also show the amount of currency, the amount of gold, the amount of silver, and if you are depositing checks, each one should be listed separately, giving the name of the bank on which it is drawn, and the amount, and the total amount of your deposit.

Always fill in this ticket yourself—it gives you exact knowledge of your deposit and, in case there should ever be any dispute over the amount or the items the ticket will furnish an autographic record of the transaction.
