 We have an idea that when John Holmgren, the defendant in the recent \$10,000 alienation suit, had to dig up the \$7,500 imposed by the court for stealing Halvor T. Haugen's wife, he had grave doubts as to the wisdom of his investment.

 In the last week's game between Gladstone and Bismarck, N. D., Armstrong of Yates won his game for Gladstone, the score being 1 to 0. The Bismarck Tribune stated that is was a "no-hit, no-score" game, and that the severe wind had a great deal to do with the result.

 Mr. and Mrs. L. L. Healy entertained a party of ten very pleasantly Monday evening of this week, the occasion being their fifth wedding anniversary.  Quite a rivalry for marksmanship honors has always existed between ex-county attorney Joseph A. Slattery and Dr. A. L. Hammerel. The near-feud was brought to a temporary close last Sunday on the field of the Glendive Gun Club when the two men entered a contest to decide who was really the better shot of the two. The twenty-five clay birds each were shot at by the marksmen, the total tally showing that Mr. Slattery had broken 6 and Dr. Hammerel, 9. It is understood, however, that Mr. Slattery will enter a protest on the grounds that the genial practitioner had a real marksman concealed somewhere on the field who "got" the birds he missed. If this is true, another contest will be arranged on Hungry Joe between the two men.
