Does everybody know that we have just received the largest and most complete assortment of Cutler & Crossette's neckwear ever shown in Great Falls? This assortment comprises the newest shapes, latest styles and richest designs the market affords for May and June in neckwear. By all odds the richest tie in the market this spring is the "Crepes" we have here in all styles of make, including the new bow, the "Four-in-hand," the "Windors" and "Flowing Ends." Windors for negligee shirts in almost endless variety. If you want a tie for everyday wear we can show you a line at from 25 to 50 cents that are beauties, fully as good as are sold from 60 to 75 cents elsewhere.

WAGLAGEE SHIRTS

Lots of new things in this line came in just recently. We can show you the prettiest line of dress shirts, including such celebrated makes as Outer & Crossette's and Wilson Bros.' at prices that will sell them. We warrant every shirt.

OUR HAT DEPARTMENT

In this department we show you the latest styles for spring and summer. Have you seen the new "Fedora"? This hat is the latest out. It is lighter and cooler than a stiff hat, and equally as dressy. We show a complete line of them in black and brown, at \$2.50. Our line of soft hats, in medium priced goods from \$1.25 to \$3.50 are "beauties" but are the best value ever offered.

The justly celebrated Knox stiff hats, in Spring shapes, are now in stock. Of course every one knows they are perfection.

Has anybody told you about that \$2.50 fine art in lace and congress we have been selling so many of lately? If you haven't just treat your eyes to a surprise by coming in to take a look at what is the best wearing, best looking and finest stock ever shown in Montana at \$2.50. It is good enough for any one to wear.

Our \$3.00, \$3.50 and \$5.00 lines are "cookers."

In hand sewed and Goodyear wools we take the lead. Mail orders from out of town given the closest attention.

Respectfully,
THE BOSTON,
Andrew Jensen, Prop'r.

TARIFF BILL PASSES THE HOUSE

Boss McKinley Applies the Gag and the Final Vote is Taken.

ONLY COMMITTEE AMENDMENTS ADOPTED

Hedden Retains During the Closing Hour of the Bill's Consideration.

Several Republicans Vote With the Democrats on Amendments Offered to the BILL.

WASHINGTON, May 21.—When the committee of the whole arose and reported the McKinley tariff bill to the house McKinley moved third reading on which he demanded the previous question, which was ordered by a vote of 187 to 143. Coleman voting with the democrats in the negative. A vote was taken on such amendments of the committee as increased the duty. Tin plates had a narrow escape, the duty being increased by a vote of 190 to 149. Anderson of Kansas, Butterworth, Henderson of Iowa, Kelly, Mason and Mudd and Taylor of Illinois, voted in the negative with the democrats. Lind and Thomas of Wisconsin first voted in the negative but changed their votes at the last moment, thus adopting the amendment. The only amendments of the committee defeated was that on jute yarn. The committee wanted it 30 per cent, but by a vote of 148 to 144 it was left at 30 per cent. that figure having been printed incorrectly in the bill and by this vote being fixed there. Republicans who voted in the negative on this were Anderson of Kansas, Talbotson, Kelly, Lind and Taylor of Ill., De Haven, Flick and Henderson of Iowa, Lacey, Snider, Kerr and Donnell. An amendment providing that on woollen and worsted goods and all manufactures of wool and worsted not otherwise provided for, valued at not more than thirty cents per pound, there shall be imposed a duty of three times the duty imposed on a pound of unwashed wool of first class and forty per cent ad valorem was rejected, 187 to 146. This leaves the duty at twice the duty on unwashed wool and 60 per cent ad valorem. Cornsack, Donnell and Lind with 10 yeas voted with the democrats in the negative.

An amendment to the paragraph imposing duty of 50 per cent ad valorem on all manufactures of wool, not specially provided for, providing that all such manufactures of which wool or hair of camel, goat or other like animals is a component material, was agreed to, yeas 155, nays 142. Vinegar amendment adopted last night in committee of the whole was agreed to, yeas 184, nays 138. This was the last amendment and an engrossment and third reading of bill having been ordered, Carlisle of Kentucky, offered the following amendments:

"Resolved, that the pending bill be recommitted to the committee to report and means without instructions to report the same back to the house at the earliest possible day on condition that the committee otherwise as to reduce the revenues of the government by reducing the burdens of taxation on the people, instead of retaining duties by imposing prohibitory rates of taxation upon imported goods. [Democratic applause.]

The resolution was defeated—yeas 164, nays 184—on a vote of 184 to 164. The house then adopted the democratic platform by a party vote with the exception of Coleman and Featherstone, who voted with the democrats.

The last hour of the consideration of the tariff bill in the house a regular partisan session resumed. No one received the attention of the chair and apparently all we talking and wildly gesticulating at once. It was a scene only rarely witnessed in that body.

THE MARKETS

Reports From the Leading Commercial Centers.

NEW YORK, May 21.—Money closed ranging from 4 to 8 per cent; last loan 4. Paper 6 1/2. Sterling exchange quiet and steady at 48 1/4 for 60 day bills 48 1/4 for demand.

MINNEAPOLIS, May 21.—Receipts of wheat today were 117 cars; shipments 28 cars. There was a good demand for No. 1 northern wheat today. No. 1 hard was having some better. Low grades did not keep up with grade wheat and were generally called slow. Offerings were moderate. Elevators were the largest buyers. Local millers and buyers for outside account bought rather sparingly. Closing quotations: No. 1 hard, May, 91 1/4; June, 92 1/4; July, 93 1/4; on track, 92 1/4. No. 2 northern, May, 91; June, 91 1/4; July, 92; on track, 92. No. 3 northern, May, 88; June, 89; July, 90; on track, 88 1/2.

CHICAGO, May 21.—The Drovers' Journal reports: Cattle receipts, 17,000; shipments, 4,000; market dull and five to ten cents lower. Horses, \$4.75 to \$5.25; steers \$3.00 to \$3.75; stockers and feeders \$2.50 to \$3.25; cows, bulls and mixed \$1.25 to \$1.85; Texas steers \$1.90 to \$2.75.

LOS ANGELES, May 21.—Shipments 3,000; market lower; mixed \$2.50 to \$3.15; heavy \$3.95 to \$4.17 1/2; light \$3.50 to \$4.12 1/2. Sheep—Receipts 9,000; shipments 23,500. Market steady and slow. Navas \$4.60 to \$5.00; westerns \$4.50 to \$5.00; \$4.60 to \$5.00; lambs \$4.00 to \$4.50.

CHICAGO, May 21.—Trading in wheat was active and the market more or less excited at times. A large local business was done and also much on outside account. The market closed about 1/2 cent higher than yesterday. May and June both closed about the same as yesterday. August and December delivered all slightly in advance, which would indicate that buying was largely on bad crop news and fears the next crop may be disappointing. The weakness at opening was due to the discouraging rumor of market reports from abroad and better prospects in the northwest. On the other hand bad crop reports from the southwest had the effect of converting to the bull side some most prominent bear traders, who bought freely.

There was large trade in corn and the feeling was quiet and unsettled prices fluctuating consequently within 1/2 cent range.

A Sequence to a Scandal.

NEW YORK, May 21.—Mrs. Florence R. Masterson, wife of ex-Judge Murt Masterson, president of Arizona, died suddenly this evening at the Grand Union hotel. Mrs. Masterson arrived Wednesday from Deming, N. M., where her home is. The object of her visit to this city was to have an understanding with her husband, who obtained unpleasant notoriety recently through a shooting affair which took place in the apartments of Mrs. Alice L. Hopkinson. It is said that Mrs. Masterson got news of the scandal which her husband had been involved in and came to this city to see her husband and have an explanation. When she arrived here on Wednesday she went to the Grand Union hotel, where she engaged rooms. Mrs. Masterson went to her husband to come to the hotel, but he did not respond. Mrs. Masterson, with whom Masterson had the trouble, is a well known frequenter of race tracks. Although relatives claim Mrs. Masterson's death was due to heart disease, in view of the circumstances surrounding the case an autopsy will be made tomorrow to determine the exact cause of death.
