

# HIS LAST FIGHT.

Dan Donovan of Cleveland Killed in a Prize Fight at Maple Bay.

He Was Struck a Terrible Blow Behind the Ear and Never Recovered Consciousness.

SYRACUSE, N. Y., April 5.—Five hundred sports witnessed a sensational glove fight at Maple Bay, an Onondaga resort, last night, between Joe Duffee of this city and Dan Donovan of Cleveland. There was no police interference and the fight took place without interruption by the sheriff or his deputies, none of whom were present in an official capacity.

It was 9:30 o'clock when Referee P. J. Donohue of New York entered the ring and announced that the men were ready. The next moment Donovan appeared, followed by his seconds. Duffee followed a moment later. The seconds tossed for corners and Donovan won. Timmy Lynch won the toss up for gloves. Time was called by the referee and like a flash the men sprang to the center of the ring. Duffee did all the work in the first five rounds, landing on Donovan's face or body at will. In the second round he had his man almost knocked out, but, being somewhat tired, did not finish the job. Only once did the tide turn. In the sixth round Donovan woke up and had Joe against the ropes. A clever clinch helped Duffee and the end of time was very opportune. Donovan's success in the sixth gave him some degree of confidence and he started in to do hard fighting. Duffee met the Cleveland champion with hard punches. The Syracuse lad sent in blows and Donovan went down. It was even then a knockout, but Donovan's seconds could not see it that way and allowed their man to gamely rise to his feet only to go down before a terrible blow behind the ear. This settled it. Duffee scored a complete knock out in his first fight. Two doctors were quickly summoned and every effort was made to bring him back to consciousness but without success. His nose was badly broken and his breathing is very difficult. At 12 o'clock, a priest gave Donovan absolution. He died at 4:10 p. m. Duffee was placed under arrest by Sheriff Hoggie at noon. P. J. Donohue, of New York, the referee of last night's fight was arrested for his part in the affair.

## IN THE SENATE.

Two Speeches Made on the Admission of the Senators.

WASHINGTON, April 5.—There was two speeches made in the senate today on the question of the admission of the senators appointed by the governors of Montana, Washington and Wyoming, after the legislatures of those states had failed to elect. Both were made by members of the committee on privileges and elections and were on opposite sides of the question. Chandler contended for the broad and liberal construction of the clause of the constitution bearing on the subject, while Mr. Palmer reminded the senate of a paragraph in Washington's farewell address, warning the people of the danger of changing the constitution by construction rather than in the manner prescribed in the instrument itself. Mr. Chandler revived the Roach incident by a resolution calling on the treasury for copies of the reports of the Citizens bank of Washington, D. C., and back examiners on its condition. The resolution was voted over on the objection of Mr. Gorman. Senator Vance, chairman of the committee on privileges and elections, stated this afternoon that nothing would be done this session in the matter of contest for the seat of Mr. Martin, the senator from Kansas. The general impression is that the senate will adjourn a week from Saturday.

## Senate Confirmations.

WASHINGTON, April 5.—The senate has confirmed the following nominations: W. H. Seaman of Wisconsin, United States district judge, Eastern district of Wisconsin; E. W. Miller, South Dakota, attorney for United States district of South Dakota; Felix A. Reeves, Tennessee, solicitor of the treasury; Henry Stump of Maryland, superintendent of immigration. Fourth Assistant Postmaster General Maxwell today appointed 134 fourth class postmasters. Of this number thirteen were in Indiana, twenty-two in Pennsylvania, and fourteen in Kentucky.

## French Gives Himself Up.

BOISE CITY, Idaho, April 5.—This evening Howard French, formerly turkey in the Idaho penitentiary, surrendered himself to Sheriff Branstetter, having been indicted for murder. Public sympathy is almost wholly upon the side of the indictee, and were the offense with which he is charged bailable, he could secure no end of bonds. On December 16th last, French in self-defense fatally stabbed Convict Samuel Hatton, the notorious Wood river murderer and robber.

## Senator Pasco Renominated.

TALAHASSEE, Fla., April 5.—At the joint democratic caucus of the house and senate of the Florida legislature, held last night, Samuel Pasco was unanimously nominated for United States senator to succeed himself. The caucus was a very harmonious one. Fully twenty speeches were made highly eulogistic of Senator Pasco. A committee was appointed to notify him of his nomination.

## Militia Wanted at Once.

DALLAS, TEXAS, April 5.—The News Caddo (I. T.) special says: Gov. Jones wired from Goodland this evening to Capt. Cornelius Jones to mount all the available men and come to that place at once. So far the militia from this section has not been called upon till now.

## Montana Weather.

WASHINGTON, April 5.—Montana—Generally fair; southerly winds; warmer.

# PARDONED TOO LATE

A Great Falls Convict Dies in Prison Before the Time Set For His Pardon.

Bloodthirsty Shooting Scrapes Are Reported From Kentucky and Texas.

HELENA, April 4.—[Special to THE TRIBUNE.]—Gov. Rickards last week pardoned Edward Brown, convicted at Great Falls in October, 1880, of rape and sentenced to the penitentiary for five years. Cancer of the stomach set in a year ago, and knowing the end was near Brown asked to be allowed to die outside the prison. Gov. Rickards pardoned him a week ago. The board of pardons was to set on the 27th inst. to act on the case. Yesterday Brown died in the prison hospital.

## PISTOLS AND DEATH.

A Family Feud in Kentucky Leads to a Tragic Scene.

BOYVILLE, Ky., April 4.—A desperate shooting affray occurred here Saturday night in which Frank Cobb and Chester Cavanaugh were participants. Cobb married Cavanaugh's sister about three years ago, and soon after deserted her. Bad blood has existed since between the two families, and a difficulty has long been expected. Saturday night Cobb attacked Cavanaugh on a veranda above Zigler's store. He fired two shots before Cavanaugh could draw his pistol. After this both fired until their pistols were empty. One shot from Cavanaugh's pistol pierced Cobb's left breast just above the heart and he died in a few minutes. Cavanaugh was wounded in his right shoulder and left ankle, but will recover. Cavanaugh is nineteen years old, sober and quiet, and it is believed he shot in self-defense and will be acquitted.

## Twelve Thousand Barrels of Whiskey Burned.

LOUISVILLE, April 5.—Bonded warehouse No. 368 at the distillery of the Allen-Bradley Distillery company in East Louisville, together with 12,000 barrels of whiskey, was destroyed by fire early this evening. The Allen-Bradley company has its headquarters in Frankfort and the exact figures of the loss cannot be learned. The whiskey was valued at \$200,000 and was owned by over 200 different persons and is thought to have been covered by insurance. The warehouse was valued at \$200,000; fully insured.

## Freight Rate Bill Passed.

LINCOLN, Neb., April 4.—After the fiercest and most prolonged struggle ever witnessed in the Nebraska legislature, the maximum freight rate bill passed the senate. The bill was put on its passage at 4:15 and as soon as the announcement of the result was made the measure was hurried over to the house and the senate amendments were quickly concurred in. The bill now goes to the governor and there is no doubt but that he will sign it.

## The End of a Feud.

GRANDER, TEX., April 4.—At an Easter celebration here a feud of thirty years standing was wiped out by a shooting between Jim Beard and Jim Curtis. Both men were killed and during the shooting Dora Milkers, a Bohemian girl, was seriously wounded. Beard fell first with four bullets in his body. After he fell he fired twice with effect and Curtis fell across Beard's body.

## Drank Carbolic Acid for Whiskey.

GRAND RAPIDS, Mich., April 4.—Jas. Hogan, aged 68, arose this morning and went into the closet to get his morning "bracer." He mixed a stiff cocktail and drank it. When his wife, who had gone out to purchase whiskey, returned a half hour later she found him writhing in agony on the floor. He died before medical aid could be summoned. He had found carbolic acid instead of the whiskey bottle. Hogan had been employed by the city as a laborer for some years.

## Protective Printers Protest.

MILWAUKEE, April 5.—A memorial address to President Cleveland was issued from the headquarters of the printers' protective fraternity in this city today asking the appointment as public printer of some one not connected with any organization of printers.

## St. Louis Goes Republican.

ST. LOUIS, April 10.—Indications at this hour (10 p. m.) are that C. P. Walbridge (rep.) is elected mayor over Jas. Bannerman (dem.) by a majority of 3,000. The rest of the republican ticket is probably elected by a somewhat increased majority.

## The Latest from Chicago.

CHICAGO, April 5.—At midnight unofficial figures on the mayoralty contest footed up as follows: Harrison, 111,203; Allerton, 90,700; Cregier, 2,900; Ehrenpreis, 1,130. Harrison's plurality, 20,443.

# FICTION NOT IN IT

A Real Kentucky Scene That the Wildest Imagination Could Never Dream Of.

Even the South Has Supplied Few Episodes to Equal the One of Yesterday.

MORGANFIELD, Ky., April 5.—There was a highly sensational affair in this county last night and this morning. Miss Abbie Oliver of Sturgis, Union county, the beautiful young daughter of Mr. and Mrs. Taylor Oliver, was ruined about eight months ago and Henry Delaney, a young drug clerk of Sturgis, was charged with causing her downfall. He denied it and both parties sought legal advice, but no proceedings were had in court. Last night about 9 o'clock the mother of the girl entered Delaney's place of business in Sturgis and at the point of her pistol forced him to accompany her to a carriage outside in which husband and daughter were seated. They four drove to Morganfield, a distance of 15 miles, and at 3 o'clock a license was secured and the couple were married.

The party started home, but when at Tcheran, about three miles from Morganfield, three armed men on horseback surrounded the carriage and began shooting. After the first shot Delaney jumped out of the vehicle and ran to the attacking party who were supposed to be his friends, and the firing continued. Miss Oliver was shot through the head and her father in the face and right arm. Mrs. Oliver alone escaped without a wound. She ran the team at full speed for a mile down the road and turned in at a farm residence. The attacking party followed, shooting at every jump. The girl, who would have given birth to a child soon, was fatally wounded and died at five o'clock this morning. Mr. Oliver is fatally wounded. Mrs. Oliver recognized the party and warrants of arrest for four prominent young men are being issued. The families are of high standing, and sympathy is with the Olivers. Mobbing is feared, and the whole country is wild with excitement.

If R. V. Winkle, Esq., or any other practitioner in Dry Goods should come here today he would run his eyes. Maybe you think his home is at Sleepy Hollow, on the Hudson. That's where the dramatic and literary Rip Van Winkle hails from. His species is prevalent even in Great Falls. New York is headquarters for large dealers to secure big values in, and with but trifling exceptions our own large buying is all that Great Falls has done in New York in our line.

## This is the Surprise.

A 50c Lady's Black Hose for 25c. You wonder how we can do it. We will tell you into the secret. A manufacturer tries to sell his trader \$1 worth for 75c.
