Dry Goods and Ladies Wear

Come in and see our fine line of muslin undershirts, drawers, corset covers and combination suits, all handsomely trimmed in lace and embroidery. Also a complete line of gauze vests, pants and union suits. Just received a new shipment of fancy lawn, linen, India linen, dimity, madras, percales gingham, calico and all kinds of new curtain goods, silkoleens, taffeta silks in latest colors, Panama, serge and mohair—all direct from New York. Come in and look them over. They are sure to please. We also have a fine new line of ladies dress skirts, the latest fashions, fancy lawn and linen waists, sateen and silk petticoats. Notions of all kinds, handkerchiefs, laces, embroideries, gloves and hosiery.

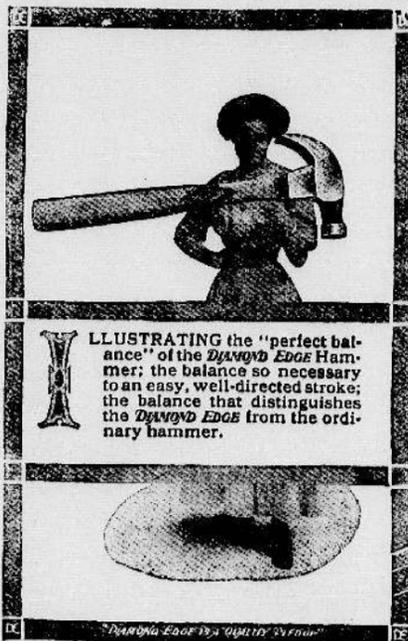

Out at Oyster Bay our "Illustrious Colonel" still swings his trusty axe occasionally. Did you think that was only a presidential prerogative?

No, but a good axe is a fine developer of a good character. It also serves other useful purposes.

We cannot say with certainty whether T. R. uses a *Diamond Edge* Axe, but this we know—a *Diamond Edge* Axe would bring to his face, as it does to the face of every good axe man, a smile of satisfaction in the possession of the best.

Don't delay that painting any longer. Let the prosperity which we are going to enjoy be manifested by brightening up your homes and buildings. Lincoln paints are recognized for their peculiar climatic fitness. It makes your buildings last; enhances the value of your land; gives a tone of prosperity to the community which can not be obtained in any other way.

Use a Jewel and Save Fuel

Just as well buy that new range right now. We have a car load to select from and we shall be only too glad to show you the superiority of these stoves. Our prices are moderate and based on our car load costs.

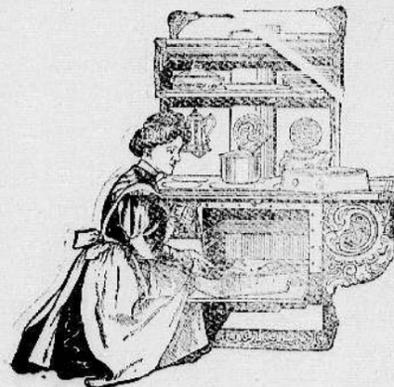

Diamond Edge POCKET KNIVES

Diamond signifies QUALITY, superiority, excellence. Also it means hardness.

Diamond Edge then, when applied to Pocket Knives, means not only a knife with blades of finest steel, but a knife that is good all through—good springs, good handle, strongly made, good all through. Good looking, too.

Diamond Edge Knives are the ultimate of Pocket Knife perfection.
