

# The Big Department Store

**T**HIS Store gets business from the entire reservation country. By concentrating our efforts in Ronan, "The Center City," we are enabled by the large volume of business done to offer values not to be had at any other point. We are also enabled to carry a large and varried assortment and can fill your every want. Watch Ronan and the Big Store grow.

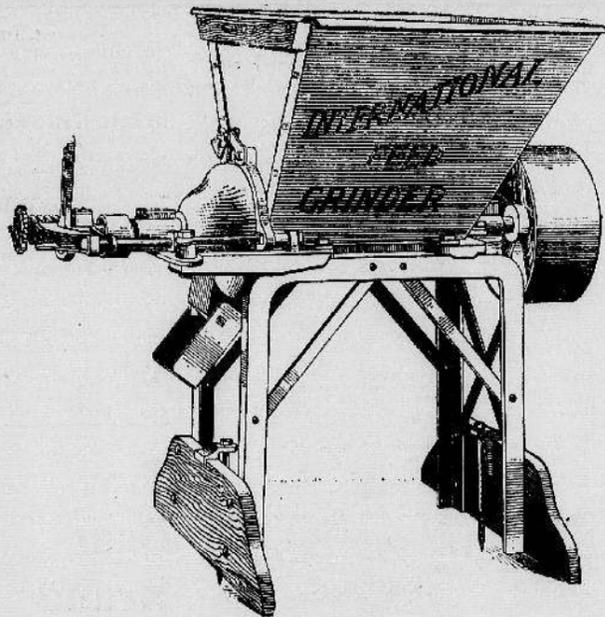

## Implement Department

We are headquarters for Plows,  
Tillage Implements of all  
kinds, Van Brunt  
Grain Drills,  
both the press and single disc type

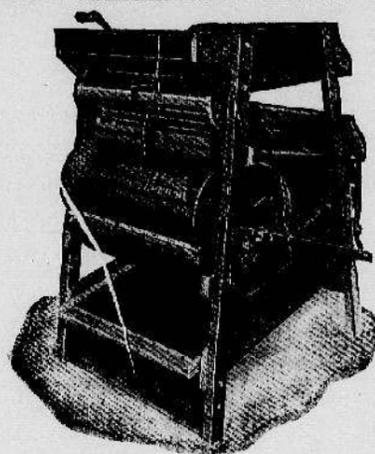

When you buy that wagon to  
move your grain you want  
to feel that when you  
start with a  
big load, you are going to get there

**Studebaker and Weber Wagons are guaranteed to get there and get back**

## Grain Department

We will buy and sell all kinds of grain. We are now installing an up-to-date power cleaner and feed grinder and can do custom business in a satisfactory manner and at reasonable prices.

### Clean Seed Grain

Call and inspect our new process cleaner and separator, capacity 500 bushels daily. Absolutely the most perfect machine ever invented. We will be pleased to show you the superiority of these machines and if you want your own machine we have the No. 1 and 2 hand cleaners at \$30 and \$35 each

Custom Fanning done at 5 cents per bushel
