

The **BIG** Store | Stanley Searce | The **BIG** Store

THE BIG STORE at Ronan invites you to look through our seven big departments and carefully examine the huge stocks of seasonable merchandise which we have assembled for your inspection. In view of it being the season of the year when most everyone will have ready money, and as they desire to make it go as far as possible, we are going to make some substantial reductions in every department for the next 60 days. Bring your wheat checks to the big trading center, we will give you cash or trade.
