FOREIGNERS DO NOT FEAR TROUBLE

(By Associated Press.)

According to these advices the artillery will be no longer employed in the city, but domiciliary visits on the part of the military will be continued. The latest information from the British Charge d'Affaires says no danger to foreigners is anticipated. Thirty prominent members of the opposition were arrested by orders of the Shah.

SMELTER TRUST MAKES BIG CUT

NEW YORK, June 25.—The salaries and incidental expenses of officials of the American Smelting and Refining Company have been reduced \$750,000, according to Daniel Guggenheim, chairman and president of the company.

"Before I left for Europe," said Guggenheim, on his return from a four months trip abroad, "I set the ball rolling by reducing my own salary. My brothers, who devote their entire time to the affairs of the company, also reduced their salaries voluntarily.

"Like all well-managed companies, we cleaned out the Augean stables last spring."

CASTRO MAY ADD TO COMPLICATIONS

WASHINGTON, June 25.—The American government is not looking for any trouble in Venezuela, and the recall of Jacob Sleeper, Charge d'Affaires, and Lieutenant Ruggles, of the Legation at Caracas, apparently ends the diplomatic incident, except so far as President Castro may add to complications by some official action.

DIDN'T KNOW HER OWN HUSBAND

ST. LOUIS, June 25.—The suit of Mrs. Mary Leafgreen for a widow's dower from the estate of the late LeClerc J. Howard, appealed from the Probate Court, was commenced in the Circuit today. Mrs. Leafgreen contends that she was married to Howard in Decatur, Ill., in 1882, and that he left her two days after the ceremony.

The defense contends that the man Mrs. Leafgreen married was not LeClerc J. Howard, but Thomas Jefferson Miller, who was Mayor of Tumwater, Washington.

NEGROES FLEEING FOR THEIR LIVES

HOUSTON, Tex., June 25.—Frightened by the hanging of five and the shooting of four of their race, negroes are leaving Sabine County, abandoning growing crops and homes, fearful of the vengeance of the whites in the event there is another outbreak.

At Hemphill, the county seat, all is quiet today and the men went back to their business in their shirt sleeves and unarmed, but there are still many out in the county who are prepared for whatever emergency may be presented.

Of the negroes who were supposed to have had a part in the killing of Hugh Dean, who were out under arrest and who escaped the hanging Sunday night, several are unaccounted for, and it is impossible to learn whether they have mysteriously been made away with or have left the county in fear. There has been no effort made to ascertain who took the negroes from the jail, and there will not be. The entire county was much wrought up over the murder of Dean and the assassination of Johnson, and there is no disposition to move the law's machinery against any who were participants in the midnight affair.

ENFORCE STOCK TRANSFER LAW

ALBANY, N. Y., June 25.—State Controller Martin H. Glynn has announced that he has begun an investigation to compel corporations to obey the law taxing the transfer of shares of capital stock. There are about 75,000 stock companies in this State which come under the provisions of the stock-transfer act.

"The investigation," said a statement given out by Glynn, "has been under way but a few days, yet the results demonstrate that there has been a wholesale disregard of this law on the part of corporations, with the attending loss of a large revenue to the State."

RAWHIDE'S ONLY BANK A SALOON

RENO, Nev., June 25.—State Bank Examiner Hofer returned from Rawhide last night, after making his examination of the First Bank of Rawhide and the Merchants and Miners' Bank at that place. He also examined the Bank of Wonder, and declares that all three of the institutions are insolvent. He says the Merchants and Miners' Bank may be able to settle its claims if the creditors do not press them, and a little time is given.

The Northern Saloon, run by Tex Rickard, at Rawhide, has practically assumed all banking operations, and tonight Rickard came up to Reno with several thousand dollars' worth of checks which he has cashed. Rickard has arranged to serve as a clearing house for the Rawhide merchants and will do a banking business over his bar.

YALE'S COLORS LOWERED

HARVARD WINS THE GREAT VARSITY RACE FROM HER OLD RIVAL.

(By Associated Press.)

NEW LONDON, Conn., June 25.—Amid the deafening din of whistles and horns, amid the shouts of collegians, the Harvard Varsity eight shot their boat over the finish line tonight, winning from the crippled and distanced Yale crew, that classic of American college athletics, the Harvard-Yale Varsity boat race. Instead of a race, Harvard finished the last mile and a half alone, while far behind Yale limped along with but seven men at the oars, with Griswold, stroke man, who had been relied upon to set a winning pace, bent forward, faint from the terrific strain of the opening two miles. Up to this unexpected climax it was a contest which has been seldom equalled along the regatta course for brilliancy and magnitude. The Roosevelt family witnessed the contest from the deck of the Presidential yacht. The President was unable to be present. Yale was more fortunate, having her distinguished champion Secretary Taft present. The race was rowed under the most favorable racing condition. Earlier in the day the honors were divided, the Yale four defeating Harvard by two lengths, the Harvard freshmen eight defeating Yale freshmen three lengths. The time for the main event was: Harvard, 24:10; Yale's time was not taken. At the Yale quarters it was found Griswold simply suffered from a complete nervous breakdown.

Roche, former city purchasing agent, growing out of political activity in behalf of former Mayor Dunn, when he was a candidate for re-election, were dismissed by Judge Chetlain in the Criminal Court today on motion of State's Attorney Healy. A charge against Collins of having destroyed public records was dismissed. The action follows the acquittal of Collins several weeks ago, after a trial on a charge of having made improper use of the police department in favor of the candidacy of the ex-Mayor.

COLUMBUS, June 25.—Harry Huggett, cashier of the People's Bank of the East Side, was found dead in an open field in Bullett Park, a suburb, today with a bullet hole in his head. Indications pointed to suicide. Huggett was last seen at the bank last Saturday night, when he said he was ill and was going home. Investigation has developed an alleged shortage of about \$5,000 in his accounts at the bank. Huggett was about 40 years of age and married.

SERVICES TO BE WITHOUT POMP

Extreme Simplicity Will Mark the Placing in the Tomb of the Body of Ex-President.

(By Associated Press.)

Princeton, June 25.—The funeral of Grover Cleveland tomorrow will be marked by extreme simplicity. Although twice President of the United States, no pomp, no splendor will have a place in the ceremonies. The half mile of thoroughfare through which the cortege will pass from Westland, the Cleveland home on Bayard Lane, to the cemetery, will be policed with mounted troops and blue-coated soldiers. They will be there on duty and as a measure of precaution in protecting the life of the living President, rather than as an element of display in paying a tribute to the departed chief executive. Only those invited to the funeral and a few newspaper men will be permitted to enter the cemetery, which will be guarded by mounted troops and members of the National Guard of New Jersey. The simple Presbyterian service will be said at the grave.

(By Associated Press.)

WASHINGTON, D. C., June 25.—To every naval station and naval vessel in commission throughout the world, all military posts and stations to all United States diplomatic and consular offices in every quarter, went forth instructions today for the observance of the President's proclamation announcing former President Cleveland's death. Orders were telegraphed the War and Navy Departments directing the half masting of the colors, wearing a badge of mourning until July 25, firing of salutes every half hour from sunrise until sunset tomorrow, the day of the funeral, at all posts and stations aboardship. The salute at military posts include thirteen guns at dawn and forty-five at sunset. The colors in the army will also be placed in mourning.

Brazil has accorded special honors in memory of Cleveland. The name of Cleveland is intimately associated with the history of Brazil, because during his first term as President he was selected by the Argentine Republic and Brazil as arbitrator to determine the boundary line between the two Republics. His decision favored Brazil. The President of Brazil ordered the sending of three wreaths to Princeton. A cablegram from Baron De Rio Branco states that the Brazilian flag was ordered placed at half mast over the President's palace, over all public buildings throughout Brazil, as well as on all war vessels and over fortresses as a tribute of respect.

Tomorrow at the hour of the funeral all the war vessels of the Brazilian Navy will give a funeral salute.
