

HARD TIMES BALL FOR NEXT MONDAY NIGHT

Dig up your old clothes. Renew the patches and cut off several of the buttons. For anyone that attends the Eagles' hard times ball on Monday evening and is attired in any suit that looks half-way dressy will run up against the real thing. The committee on the dance have been working faithfully and have spared no effort to make the ball a huge success. Manager Fox of the Tonopah and Goldfield meat market will present a turkey to the best dressed character at the ball. This does not mean the swellest dressed person but the one who will look the swellest in his old togs. A committee will be appointed to decide who wins the big turk.

BURRO EXPERTS ARE WANTED IN JUSTICE COURT

One poor, blinking patient burro nearly caused a rumpus yesterday on upper Main street. Morris Hurleyine, a prospector, was preparing to leave Tonopah on a prospecting trip through Death valley, and his outfit consisted of four burros, all heavily loaded. When on upper Main street, A. L. Warren, the merchant, noticed that one of the burros bore a strong resemblance to one he owned. He immediately swore out a complaint and had Hurleyine stopped before he left town. The ownership of the burro will be decided in Judge Brissell's court at 9 o'clock this morning, and it is believed that there will have to be a number of experts on hand, for to the average person all burros look alike.

IS DUE TO BUY TOYS AND WALK THE FLOOR

A daughter was born yesterday to the wife of Jack May, the deputy sheriff. The broad smile worn by Jack when he presented himself on the streets announced that something had happened and it wasn't long before the news leaked out, and he was being showered with congratulations. Mrs. May and the little miss are doing fine. So is Jack.

LENGTHENS HOURS.

(By Associated Press.)
RENO, Nov. 20.—The Southern Pacific has established a nine-hour day at the railroad shops at Sparks, after operating for years on an eight-hour basis. The move is necessary because of increased business over the company's lines, which puts extra work in the shops.

NEW ADVERTISEMENTS.

HOLIDAY

Shoppers are already beginning to lay their plans to give dear friends and relatives some remembrance at Christmastide, which is rapidly approaching. And it is puzzling to know just what selections to make in order to please those for whom the gifts are for and at the same time not spend more than the holiday allowance which has been set aside for this purpose.

GOODS

of all kinds are on the markets, priced way up in expectation that the holiday shopper will have to pay these prices or do without—or else have to run the risk of sending to mail order houses and getting the goods back damaged, or too late for Christmas. It is just this that we are looking out for and we want you to come and see our stock of holiday goods, such as all kinds of toys for the "kiddies;" the latest books that the publishers have issued, and the most swaggy novelties in box papers and other stationery which the east affords. Our stock has just arrived direct from the eastern importers, and will be sold at city prices. We would not advertise this if we could not deliver the goods. We are also the authorized and exclusive agents for the Victor Talking Machine, priced at from \$15 to \$300. Come in right away, before the stock is picked over, and listen to new records.

LARRY GORDON.

GORDON AND KRANT WORKING FAITHFULLY

Larry Gordon is doing a strenuous stunt daily at the Big Casino, in the training line, and he is not in any way underestimating the ability of his opponent, and when he enters the ring on the afternoon of Thanksgiving day he will be in the pink of condition. The training quarters were crowded yesterday by a large number of fight bugs and the admirers of both men predicting as to who will bring home the bacon.

Reports from Goldfield state that Kid Krant is also training hard and will leave no stone unturned to help him win the contest. Krant is confident and has stated that he will give Gordon the surprise of his life when they meet in the arena.

Promoter James Kelly has made arrangements to get the returns of the Ketchell-Papke contest, which takes place on the same afternoon, in San Francisco, which will be read at the ringside.

Seats for the Gordon-Krant contest have been placed on sale at the Original Package saloon.

BACK TO THE DESERT FOR SAMUEL HAAS

Col. Samuel G. Haas, former manager of the Butler theater, returned to Tonopah yesterday after an absence of several months. Mr. Haas has spent most of this time in southern California, where the people are long on scenery. However, he stated last evening that with all the flowers and green grass of California little old Tonopah certainly looked good to him. "It was back to the mines for me," stated Sam. "I seemed to have the desert fever and was not satisfied until I reached the land of the sagebrush. I honestly believe that all the time I was crossing the desert between here and Los Angeles I rode on the back platform of the observation car, where I could fill myself to the utmost on sagebrush scenery."

BASKETBALL GAME TODAY

The two basketball teams of the Tonopah high school are practicing nightly and are fast picking up the points of the game. In the near future the girls' team will make a trip to Rhyolite and play a game with the girls students of the high school there. The boys' team will play a game this evening with a team composed of young men who are not attending the school. This will be more of a practice game than a contest, and will give the students more of an idea as to the fine points of the game.

THE M'CAUSLAND FUNERAL TODAY

The funeral of Mildred McCausland, who died last Saturday at the county hospital, will take place this afternoon from the undertaking parlors of Wonacott and Hall. Mrs. C. F. Grater has been collecting funds for defraying the expenses of the interment, from the people of Tonopah, and has raised a sufficient amount. The deceased had relatives in Oakland, California, but when they were notified of her death they failed to make any arrangements for the funeral.
