SCHOOL NOTES.

The first meeting of the year of the Tonopah High School Literary society was held in the high school from 2:15 to 3:45 Friday afternoon. It is the purpose of the society to hold a meeting every other Friday for the advancement along literary lines usually obtained from such meetings.

Being the first meeting of the year the program was short, but proved very interesting. Much enthusiasm was shown in the debate, resolved, that "Emulation in school should be encouraged." The affirmative speakers were Della Gilbert, Hazel Logan and Jessie Nolan, while Alice Mitchell, Carl Seagquist and Alice Joanis spoke on the negative side.

The judges, Miss Anna Bradley, Miss Georgia Bennett and Miss Ione Erickson, decided the debate in favor of the affirmative.

Marguerite Gibbons read an interesting paper on "Current Events," and Frances Hyland's school notes were of special interest. Mamie McDonald performed on the piano in her usual pleasing style.

The next meeting of the literary society will be held Friday afternoon, January 29.

BASKETBALL GAME IS ON FOR TONIGHT

Tonight at the Nevada theater the team from the Tonopah Basketball club will meet a picked team from the Goldfield Basketball club. The Goldfielders were evidently sore over the defeat administered them a week ago, when the local boys won by a score of 43 to 9, and are evidently taking no chances over a second defeat. Reports from that city state that their team will be composed of crack players and men who have played the game in big athletic clubs. Should this report be true an excellent game should result, for the local team is one that any university could be proud of. They have been practicing daily for some time and have the game down to a science. The game will be called at 8:30 sharp and the price of admission has been placed at 50 cents, which includes skating before and after the game.

The lineup for the Tonopah team will be: H. Stotesbury, center; A. Boggs and R. S. Davidson, forwards; L. McNeill and J. Kelly, guards; R. Via, substitute.

A DANCE TONIGHT.

The regular Saturday night dance will be given tonight (Saturday) in the Miners' Exchange hall, by the Tonopah Dancing club. One of those good old times for all who attend. GEO. B. SWASEY, Pres.

MUST PAY WELL

FOR DEPORTING MINER
With a few strong remarks, Justice Henley of Goldfield yesterday sentenced J. A. Lawler, Mike Walsh and D. A. McNeff to pay a fine of \$250 and costs, and Patrick Cooney to pay a fine of \$150 and costs for deporting C. N. Platt from the Candelaria district some weeks ago. The cost will be at least \$100, so the aggregate fine will be in the neighborhood of \$1000. If the fines be not paid the defendants are to serve time in jail at the rate of one day for every \$2. The court allowed the defendants \$750 bail which they are seeking to secure. Their counsel declare that they will take an appeal.

WINGFIELD AND DAVIS LAND JUMPED

GOLDFIELD, Jan. 15.—Diamondfield Jack Davis encountered trouble when he attempted to assert his majority right to the title of the Hicks Hot springs, near Beatty. Davis and Wingfield claim to have paid for all the improvements on the ground, but as they had not procured patent they sent Fred Amigo down to do the location work for the year. Amigo says that he was told by J. J. Regan that he could not get on the ground unless he was prepared to pay \$3 a day for board. On this account Davis procured a supply of provisions and a tent which he turned over to Amigo, and then returned to Goldfield. Amigo says that he was disposed of his property and thrown off the ground and, on reporting the facts to his employer, the latter decided to go to the scene and take charge. He says that the springs were leased to Regan with the understanding that the lease was to be renewed at expiration providing that the majority of the owners were willing. Regan claims title through a homestead entry.

Davis claims that he and Wingfield have spent over \$4000 on improvements, besides having paid \$7500 for a two-thirds interest. The case was further complicated by Justice Brogan of Beatty, issuing an injunction restraining the Davis faction from entering or trespassing on the grounds in dispute. On this order Davis was released on giving a bond of \$250. As there is over \$5000 involved in the suit it is said that the court had no right to take cognizance of the affair, which was a subject for the district court to deal with.

Judge J. P. O'Brien of the Consolidated legal staff, will represent the Wingfield-Davis side.

Joseph McLaughlin of the Nye and Ormsby County bank at Manhattan, and formerly of the bank in this city, left yesterday for a visit to Sacramento and San Francisco.

TO THE PUBLIC.

W. W. Houghton, having secured the lease on the Union Steam laundry, wishes to announce that he will continue to run it and turn out first class work. Numerous untruthful reports have been circulated that the laundry would close, but it is not so. Patronize home industry. 1-16-2t

ELKS WORKING VERY FAITHFULLY

New jokes, new gags, new dances, new songs, in fact everything will be new in the Elks' minstrel show. It is getting to be a familiar sight on the streets of Tonopah to see some of our most prominent citizens stop along the street and then go through a few steps of a jig which they will present on the evening of the performance. All hands are working on their parts and doing the memorizing stunt. A. G. Flournoy, who is directing the actors and actresses and actorines, is working day and night, and is determined to put one of the best local talent shows on the boards that can be had. He is sparing neither time nor expense in his efforts and calls a number of rehearsals daily.

There is no doubt but what the minstrels will be one big scream and already there has been a number of seats sold. The seats are on sale at the Union drug store.

ED UREN BUYS AN INTEREST IN CASINO BAR

Ed Uren yesterday purchased an interest in the Casino bar. Mr. Uren is one of the best known saloon men in this district and his popularity will no doubt greatly increase the patronage of the resort. He was the proprietor of the Cobweb saloon at the time of the big fire and at that time had one of the best thirst-curers in this city. As a thorough saloon man it will be hard to find his equal, and his success in this venture is assured.
