

LADIES OF THE MACCABEES GIVE A "PIE SOCIAL"

The Ladies of the Maccabees entertained last evening in their lodge rooms in the Musicians' hall, at a "pie social," to which a number of invited guests were present. Numerous games were indulged in and then followed the pie feast. The menu consisted of mince pie, huckleberry pie, apple pie, gooseberry pie, raspberry pie, blackberry pie, lemon pie, cream pie, apricot pie, custard pie, loganberry pie, pear pie, and in fact pie of every kind and description.

This is one of the many social affairs the L. O. T. M. intend giving during the winter months and those fortunate in securing an invitation never fail to attend. As usual the Bonanza office was in receipt of several of the pies, and we can truthfully state that we wish the Ladies of the Maccabees would entertain every night.

JURY SECURED IN THE NEWTON MURDER TRIAL

After spending two days and examining forty veniremen, the jury in the Newton murder case was secured late yesterday afternoon, and taking of testimony will start this morning. Attorneys for defendant exercised seven pre-emptory challenges and the state exercised four. The case should be finished today, or rather tonight, if a night session is held, and this will probably be done as there are quite a number of witnesses from Round Mountain and all are anxious to return to their homes. Following are the jurors selected and who were locked up for the night: Carl Johnson, J. A. Scurlock, Peter M. Cunningham, Matt T. Devine, Jesse A. Kline, Angus McDonald, George E. Burner, G. N. Benn, W. V. Ryan, William M. Sawle, E. E. Walker and Joseph Busch.

sign. Had the town a graveyard, its population also might have been asked to sign.

There is only one true petition that can be presented, and that is one which is signed by taxpayers and voters only. The idea of passing the petition through every train that stops at Rhyolite is a good one but, it will fail to accomplish the desired effect.

ANOTHER LARGE AUDIENCE SEES THE HOLY CITY

The reproduction of "The Holy City" last night at the Pavilion drew a crowd that equalled the attendance of the previous night. The inclement weather had an effect of keeping a few at home and for this the house would have been crowded. All who attended the first night's performance were loud in their praise yesterday of the drama and many again presented themselves for the second time to witness the remarkable production. It will be some time before the theater-goers of this city will again have a chance to witness any production of this order that can in any way equal that of "The Holy City," and those who witnessed the play are to be congratulated. To those who are learned in biblical history, the play was a favorable surprise and kept them interested throughout the performance; to those who were not familiar with the theme, it served as an educative purpose. The company leaves this morning for Reno where they are asked to reproduce their performance tomorrow evening at the Wheelmen's theater.

PERSONAL MENTION

E. B. Cushman arrived yesterday from Reno.
Lewis A. Parkhurst visited Goldfield yesterday.

Fred L. Seymour arrived from Reno and Carson yesterday morning.
Irving Macdonald left yesterday for the Pioneer district, where he has opened offices.

Mr. and Mrs. J. E. Fryer of Round Mountain came in from that district Tuesday night and left yesterday morning for Goldfield.

Joseph Vucovich, formerly steward at the Elks' club rooms, left yesterday morning for Pioneer with an idea of locating there.

Dan C. Fessenden came in from Manhattan last evening and will spend several days in this city and then leave for Los Angeles.

Freddie Weeks is back from the Pioneer district, where he has secured some good holdings. He will return to that camp in a few days.

George M. Lowrey, of Pomfret, Connecticut, returned from the Round Mountain district Tuesday night and left yesterday for his eastern home. Mr. Lowrey is a heavy stockholder in the Solid Gold lease on the Daisy property and has spent some time examining the new mill which has been erected on the lease.

COUNTY DIVISION PETITION LOOKS LIKE BIG FRAUD

The Rhyolite Daily Bulletin is urging that everybody in that vicinity sign the petition asking for county division, and from the reports received everybody who even passes through that city is asked to subscribe his signature. At the end when this document is presented to the legislature (if the day ever arrives) there is a possibility it will resemble the petition signed up at Pioneer when a resident of that camp wanted the position of justice of the peace. It is alleged he had every person in the entire district place his signature on the document and even had transients who were merely passing through the town to

BASKETBALL GAME AT THE NEVADA ON SATURDAY NIGHT

The Tonopah Basketball club will engage in a contest with the team from Goldfield high school on Saturday evening at the Nevada theater. This game was to have been played in the southern city last Saturday, but circumstances prevented. A return match, however, will be played in Goldfield on the Saturday following. The contest will be for the championship of southern Nevada, as the Goldfield team has defeated their contestants in every game they have indulged in and likewise the Tonopah aggregation has always been victorious. The price of admission will be 50 cents and a good attendance of basketball fans is expected.

COMMISSIONERS BUSY ON SALARY REDUCTIONS

The board of county commissioners are still considering the matter of reducing the salaries of county officials and spent nearly the entire day in consulting with different attorneys. A committee representing the attorneys of this city presented a bill to the board and today the different county officers will discuss the bill in its entirety. The bill calls for a general reduction in nearly every office, placing them on a reduced salary and having the fees received turned into the treasurer's office. The contents were not made public and will not be until several changes are made which will be suggested by the officers concerned. Then if the county commissioners still decide to make an attempt to reduce the salaries the bill will be sent to Carson and introduced before the legislature.

It's NOT Too Late TO SAVE \$100 Every Month

Though January has passed annual statements of foreign corporations can be published and filed in February (leaving a possible fine of \$100 for January only.) Foreign corporations that fail to comply with the requirements of the statutes are subject to a fine of \$100 for EACH MONTH in which they are delinquent. Those who have not published their statements are reminded that any District Attorney may claim the fine by instituting suit against the offending corporation. If the report is not advertised and filed during the month of February, the company becomes subject to a fine of another hundred dollars, and so on for every month in which it is delinquent. Here is the law on the subject, which will repay careful study:

Chapter CVIII.—An act requiring foreign corporations doing business in the state of Nevada to publish annual statements. Approved March 28, 1901.

Section 1. All foreign corporations doing business in the state of Nevada, shall, during the month of May this year, 1901, and in each succeeding year in the month of January, publish a statement of their last years' business in some daily newspaper in the state of Nevada for the period of one week.

Sec. 2. The secretary of the company publishing the statement shall file a copy with the several assessors of the state of Nevada.

Sec. 3. Any corporation coming within the provisions of this act who shall neglect or refuse to file a statement as required by section 1 of this act shall be liable to a penalty of \$100 for each month that the published statement remains unfilled with the several assessors of the state.

Sec. 4. Any district attorney in the state is competent to sue to recover this penalty, or the attorney general. The first county suing through its district attorney shall secure the penalty.

It will thus be seen that there is a stiff liability attaching to a failure to file these reports. The Bonanza furnishes forms to comply with the above law for advertising purposes and attends to filing same with the fourteen assessors of the state. Those interested are invited to correspond with this office at once.

"MONTANA KID" WANTS TO FIGHT IN TONOPAH

Al Butler, manager of J. H. McDaniels, better known as the "Montana Kid," is in this city and is desirous of securing a match with Kid Krant of Goldfield. Butler states that the "Montana Kid" has engaged in fifty-six ring battles and of this number has lost but one. At present he is in Sacramento keeping in light training, and if a match is secured with Krant he will leave immediately for this country. Butler leaves this morning for Goldfield, where he will enter into negotiations with Krant's manager.

TONOPAH SCHOOLS TO COMMEMORATE BIRTH OF LINCOLN

The public schools of Tonopah are making preparations to commemorate the one hundredth anniversary of the birth of Abraham Lincoln. There will be appropriate exercises held in each room of the schools and the public and relatives of the children are requested to attend and witness the program. Seats will be provided for all who attend. The teachers of the different grades promise the affair will be well worth attending and are now practicing their different parts.

TWO INCHES OF SNOW FALL IN TONOPAH

The second chapter of the present winter arrived in Tonopah yesterday afternoon and was accompanied by a couple inches of snow. The fall started last evening and continued for several hours, and as a result there is going to be considerable trouble this morning when it comes time for the head of the house to crawl out of that nice warm bed and cut kindling before he starts the fire. Isn't it the truth?

MRS. HUFFAKER ESCAPES DEATH BY MADDENED STEER

A maddened steer charged Mrs. Huffaker Sunday afternoon and tossed her into a ditch near the Gardner place, near Carson. Mrs. Huffaker, with two other ladies and a little girl, were on their way to call upon Mrs. Gardner. Opposite the Chedic establishment was a steer that had laid down. He was one of several being driven to the abattoir, and he was mad with weariness and the driving. As the ladies came opposite to him he rose to his feet and charged the party, catching Mrs. Huffaker on one of his horns. She was thrown several feet into the air and into a ditch full of water beside the road, where she lay helpless. The other ladies ran behind a wagon drawn by four horses, the driver of which grabbed a sledge hammer and ran to Mrs. Huffaker's aid. Arnold Millard emerged from his home at this juncture and shot the steer. Mrs. Huffaker's corset doubtless saved her life as the horn struck her squarely in the chest and the heavy steels of the corset broke the penetration, though bent out of shape.

NYE COUNTY BERRY ONE OF THE LEADERS

Assemblyman Berry of Nye county will be one of the leaders during this session. He is a modest appearing man and has very little to say except when there is some correction necessary or some legal explanation to be made. He is a convincing talker and is so earnest in his work that others cannot help heeding his advice.—Reno Journal.

TO OBSERVE LINCOLN DAY.

Governor Dickerson has stated that he would issue recommendations for a general observation of Lincoln day. He expects to send his wishes to the legislature in the course of a few days. Governor Dickerson states that he believes the schools of Nevada should join in a celebration of the birthday of the great emancipator, and expects the state board of education to take the matter up.

A STRONG BANK

Must be well managed.
Must have large resources.
Must have sufficient cash resources to meet all demands.
Should be seasoned by experience and its strength proven by financial disorders and business calamities.
Having these elements of strength and order: a good management, large resources, a large cash reserve and a good record, THE NEVADA FIRST NATIONAL BANK can ask with assurance for its share of the banking business of the people of Tonopah.
