

GOLDFIELD AND TONOPAH TEAMS BREAK EVEN

TWO GOOD BALL GAMES ARE WITNESSED BY LARGE CROWDS

Sunday's Game
Tonopah 3
Goldfield 2

Monday's Game
Goldfield 7
Tonopah 5

After having won the state championship Sunday from Goldfield, the Tonopah team threw it away yesterday afternoon in a return game on the local diamond.

The game Sunday, which was played in Goldfield, was a splendid exhibition of the national sport and every spectator received his full money's worth. The playing of the Tonopah battery, Seitz and Buckley, was errorless. Many sensational plays were pulled off during the contest and the fans were on their toes all the time. The winning run was made in the eighth inning when Peck secured a neat single and scored Rogers, who was on the second bag.

The only incident to mar the occasion was when Umpire Kelly ordered Atkinson, the Goldfield short stop, from the game on account of using profane language. Atkinson refused to leave the diamond and a general discussion started. The team was evidently without a captain, or if there was one he was afraid to use his authority. Finally little Crosby appealed to the manager and secured the desired authority, when he evoked the aid of Under Sheriff Mike Cahalan, who escorted the refractory player from the grounds. The argument caused a delay of a half hour. Umpire Kelly was accorded an ovation when the game was resumed. The following is the summary:

Tonopah	1	2	3	4	5	6	7	8	9

Three base hits—Buckley, Barr. Base on balls, off Seitz, 2. Left on bases—Tonopah 5, Goldfield 9. Two base hits—Peck, Crosby. Struck out—By Seitz, 7; by Barr, 1; by Oxner, 5. Double plays—Cassin to Willits. Hit by pitcher—Brooks, Crosby, Oxner. Time of game, 2.55. Kelly and Thompson, umpires.

Yesterday's game could in no way compare with the contest of the previous day and in addition, the Tonopah players appeared to be suffering from a relapse. It is true that their batting had improved, but that is saying but little. The only men to be relied upon with the willow were Seitz, Buckley and Peck and when these players appeared at the bat, the grand stand showed its recognition by appropriate applauding. The contest should have been 5 to 5 at the conclusion of the ninth inning, but a poor decision by Thompson on calling a ball, was responsible for the extra two runs of the visitors. Several times during the game the Tonopah team managed to get in a tight place but the work of Seitz would pull them out of the hole.

The following is the summary:

Tonopah	1	2	3	4	5	6	7	8	9

George H. White and Miss Ina Morenon were united in marriage Sunday evening at the St. Mark's Episcopal church, by the Rev. Lloyd B. Thomas. The bride arrived from Los Angeles that same evening. TONOPAH PUBLIC SCHOOLS REOPEN WEDNESDAY MORN

CONSEQUENTLY YOUNG AMERICA IS NOT IN HAPPY FRAME OF MIND

An acute depression in the spirits of Tonopah small boys will be very noticeable today. For on the morrow the public and high schools of this city will start. All the teachers are back from their summer vacations and everything is in readiness. The school buildings have undergone an overhauling and are now in a spick and span condition. The faculty has been increased by the addition of a music teacher. This chair will be occupied by Mrs. W. L. Berry, M. A. Her knowledge of music has been gained by study both abroad and in the best conservatories of the east.

HOIST EN ROUTE TO THE ATWOOD MINING DISTRICT

WILL BE ERRECTED ON THE TWILIGHT MINING COMPANY'S GROUND

Sunday a 15-horse team passed through Tonopah enroute to Paradise, near Atwood. The team is conveying a 35 horse power hoist from Goldfield to that camp, where it will be erected on the ground of the Twilight Mining company. This company has already done considerable work in the development line and from what can be learned has every prospect of encountering good ore with no little depth. The operations are being conducted under the management of E. Smallwood.

CARSON RIVER LOW

The water in the Carson river, below Dayton, has never been so low in several years as at present, and the ranchers have been much concerned about being able to get a full crop. The heavy flood of last spring carried off the snow in the mountains to an alarming extent, and the ranchers have been on the anxious seat ever since. No particular damage has been done so far, as the irrigation season is now practically over.

ENTHUSIASTS ARE IN ATTENDANCE AT MASS MEETING

MEMBERS OF MINING CONGRESS WILL BE GIVEN GRAND RECEPTION

A rousing meeting was held by the citizens of Tonopah last evening in the offices of the Desert Securities company. The meeting was for the purpose of hearing committee reports as to the entertainment of the visiting members of the American Mining congress which is to be held at Goldfield during the latter part of this month. Chairman H. C. Schmidt called the meeting to order with Thomas Lindsay acting as secretary. The committees reported advancement in all lines and many suggestions were made by those present.

W. D. Forster, general traffic manager of the Tonopah and Goldfield railroad, stated that when the private cars of the New York and Denver representatives arrived at Salt Lake they would be attached to the Overland Limited arriving at Hazen to make connection with train No. 24 for this city, thus avoiding a four hours' lay over at Hazen.

The members of the finance committee made a report, stating that the tenth of this month they would start on the campaign of securing funds with which to carry out a proper program of entertainment. They requested that every business man have a suitable sum ready to contribute for this work.

Every minute of the visitors' stay in Tonopah will be occupied, according to the report of the entertainment committee. The different mines will be thrown open to the visitors with competent guides ready to pilot them through the underground workings.

Proper literature will be issued by the publicity committee and what the visitors do not see during their stay, will be exploited to them on paper.

The meeting adjourned until next Monday night, when the committees will present their reports of the week's progress.

WELL KNOWN MINING MAN PASSES AWAY

MORGAN TILLINGHAST, FORMERLY OF BELMONT, IS NO MORE

Advice received from the east yesterday conveyed the news of the death of Morgan Tillinghast, who at one time was vice president of the Tonopah Belmont company. Mr. Tillinghast passed away about a week ago at Long Island, New York. He was well known in Tonopah and had many friends here. For the past few years he has been occupied with the management of the Monica Mines company of Arizona, of which he was the general manager.

Has the Best Equipment

According to W. H. Rosing, equipment purchasing agent of the Western Pacific, practically all of the rolling stock and part of the motive power of the road will be delivered within the next few months. He states that the Western Pacific will be the best equipped road in the world. All baggage and passenger cars will be of steel construction throughout and this road will be the only one in the country so equipped, although some of the eastern railroads are beginning to supplant their old style coaches with those of steel.

The rumor that the Territorial Enterprise was to change management is emphatically denied and the paper will not pass from the hands of the present owners, notwithstanding the hogwash that appeared in the San Francisco Bulletin a few days ago.
