

MEMBERS OF THE MINING CONGRESS TO VISIT MILLERS

SUPERINTENDENT PARSONS TO SHOW THEM THROUGH DESERT MILL

Among the plans that are being perfected for the entertainment of the visiting members of the mining congress, when they come to Tonopah, will be a trip through the big milling plant of the Desert mill at Millers.

Superintendent Parsons of the mill is now making the necessary arrangements, and when the congress comes over from Goldfield they will travel by the way of Millers, where a two hours' stop will be made and all taken through every department. At the conclusion of the inspection Mr. Parsons will show the visitors the process of melting the precipitates into bullion. A trial melt will take place for the benefit of the mining men.

The Desert mill is one of the largest and most up-to-date in the state and the process used obtains a higher per cent of recovery than any other mill now in operation which has to treat ores by the cyanide process. The present efficiency is due to the labor of Superintendent Parsons, and he is willing to do everything in his power toward showing the eastern visitors one of the most modern processes of milling.

At the completion of the trip of inspection the journey will be resumed to this city.

1909 TAX LISTS OF NYE COUNTY SHOW INCREASE

COMPLETE LIST OF TAXPAYERS WILL BE MAILED BY ASSESSOR TODAY

For the past few days the members of the sheriff's office have been busily engaged in the task of completing the tax rolls for the year 1909, which will be mailed to the taxpayers today.

The compilation of the rolls shows an excellent increase in the taxable property for this year, and a good income should be realized.

The list shows that Tonopah has \$1,563,351.87 worth of assessable property; Rhyolite has \$526,068; Round Mountain, Manhattan and Pioneer, \$394,481.80, and the remaining outside towns and districts, including the railroads, \$2,187,538.85.

The board of county commissioners will meet this coming Monday and on the following Monday will sit as a board of equalization to adjust all complaints of over taxation.

\$200,000 WAS PAID OUT TO TONOPAH LABOR

PAY DAY YESTERDAY PLACES A LARGE SUM OF MONEY IN CIRCULATION

Everybody was happy yesterday. The merchant, the miner, the railroad man and the mill man all wore broad smiles, for it was a day of accounting. In fact it was pay day and a sum aggregating \$200,000 was paid out by the various mining, milling and railroad companies at both here and Millers. As a consequence the banks and business houses were kept busy cashing checks and straightening out accounts of the past month.

OFFICIALS OF WEST END MINE ARE IN TOWN

BEN F. EDWARDS AND DENNIS SEARLES ON TRIP OF INSPECTION

Ben F. Edwards, vice president of the West End Consolidated Mining company, and Dennis Searles, secretary of the same company, arrived in Tonopah yesterday and spent the day examining the property. They spoke, last evening, as being highly pleased with the excellent condition of the mine and of the numerous ore bodies blocked out.

"The exact date of starting work on the mill has not been decided upon," said Mr. Edwards when asked concerning this project, "but I expect to receive word from the directors some time before the end of the year. The company is in a very prosperous condition and can well afford to construct its own plant for the treating of the ores extracted."

Both Mr. Edwards and Mr. Searles leave this morning for Aurora, where they will examine property in which they are interested. From there they will pay a visit to the Bodie district and then continue on to the Yosemite valley for a few weeks' stay.

BALL TEAMS TO INDULGE IN LIGHT PRACTICE

CESSATION OF HARD WORK IS ANNOUNCED BY BOTH EAGLES AND ELKS

There will be great doings at the ball diamond tomorrow afternoon when the Eagles and Elks meet in a battle for supremacy. Both teams finished their hard practice last evening and today will indulge only in light training, such as road work, skipping the rope and bag punching. The pitchers are being closely guarded to prevent their being doped, for with the large amount at stake, the two captains are taking no chances. A cordial invitation has been extended to the public to gather tomorrow evening and watch the members of the teams, the drum corps and the press enjoy themselves at a grand banquet. This should prove an interesting sight and the bursts of speed displayed by some of the eaters should be wonderful to behold.

BABY SHOW PLANS

The baby show, which is to be given by the ladies of the Presbyterian church, will be held October 12 in the Miners' Union hall. The ladies of the Aid society, are meeting every Thursday afternoon at the church, and arrangements are being made to show all who attend the baby show a most enjoyable time. There will be good music and other things to amuse and entertain, also a stork table where all the needs of the tiny tots may be supplied at a very reasonable figure. A Japanese tea garden will be installed to attend the wants of the thirsty. Admission to the baby show will be 25 cents. All children over four years old must have tickets.

MACHINERY MAN HERE

R. Burnham, representing the Western Gas Engine company of Nevada, with headquarters at Goldfield, came over from that city yesterday and spent the day transacting business here.

EAGLES DRUM CORPS WILL DANCE THIS EVENING

MINERS' EXCHANGE HALL SHOULD BE CROWDED BY THE DANCERS

Watch for the big street parade tonight by the members of the Eagles' drum corps, and then fall in behind and wend your way to the Miners' Exchange hall and enjoy an evening of dancing. The drum corps members have completed every preparation for the dance and the affair gives promise of being the best yet. The boys are anxious to raise funds with which to purchase new uniforms, and have nearly secured the amount desired by their previous dances. So help them along by purchasing a ticket.

MANHATTAN JR. BALL TEAM PLAYS HERE SUNDAY

WILL ENGAGE IN RETURN GAME WITH THE ROUNSEVELL TEAM

Tomorrow morning the Rounsevell ball team of this city will engage in a contest with the Manhattan juniors on the local diamond. A former game played at Manhattan resulted rather disastrously for the local boys and they will endeavor to make things even with this game. An admission of 50 cents will be charged and 25 per cent of the gate receipts will be tendered to relieve the debt now existing for the care of the grounds. The remainder will be used in defraying the expenses of the visiting team. A good game should result as the Tonopah team numbers several good and fast players. Our people should attend in large numbers, thereby encouraging our young men to "bring home the bacon."

RENO GAMBLER

TIRES OF LIFE

Dick Butler, well known among the sporting fraternity of Tonopah, committed suicide Wednesday night in Reno by taking cyanide of potassium. Among the papers found on the body was a note written by the dead man, reading: "Sadie, you have thrown me down. R. W. B." This note is believed to be a parting message expressing in a measure the cause of the act. He had been married but his wife had left him and her present whereabouts are unknown.

NOTICE OF DISSOLUTION; CO-PARTNERSHIP

Notice is hereby given that the co-partnership, heretofore existing, between G. W. Summerfield & W. S. Johnson, under the firm name and style of Summerfield & Johnson and W. S. Johnson Company, has this day been mutually dissolved and no longer exists for the transaction of any business, except the winding up of its affairs. W. S. Johnson will continue the business. Dated this first day of September, 1909.

Mrs. Phil Lightfoot, formerly Miss Birdie Quillan of this city, is up from Millers visiting her sister, Mrs. J. A. Cole.

V. L. Voorheis, of the Pittsburg Silver Peak company at Blair, was in Tonopah yesterday transacting company business.

WOULD PATRONIZE WIRELESS

Arthur G. Raycraft some time ago installed a staff and instruments for a wireless telegraph station at the Dexter company's office, but pending the installation of the equipment at Tonopah no business has as yet been transacted over the line. Last Thursday a man rushed into the Dexter company's office and breathlessly inquired for the wireless operator. Mr. Raycraft informed him that he was "it," and asked what he could do for him. "I want to send a message by your wireless," said the man, "and it has to go quick, right away!" "We have a wireless here, all right," said Mr. Raycraft, "but it won't be working for two or three weeks yet." "Then," said the would-be patron, "I'll hold my message till you get it fixed."—Manhattan Mail.

YOUNG PEOPLE

ENJOY HAYRIDE

The hayride given by the members of the Christian Endeavor society of Tonopah was a greatly enjoyed affair and fully twenty young people participated in the ride last evening. The party journeyed about half way to Millers when a halt was made and the supply of edibles consumed. The trip, both going and coming, was enlivened by songs and music.
