

WILL PERRINI WILL BE TAKEN TO SAN FRANCISCO

LEAVES THIS MORNING TO ENTER TRINITY HOSPITAL

Will Perrini, who was injured a few weeks ago by an accident in the Silver Top mine, leaves this morning for San Francisco where he will enter the Trinity hospital. Perrini's ankle was shattered and since his confinement in the Miners' Union hospital, has undergone two operations, the last one only last Sunday, when several fragments of bone were removed. The injury is rapidly healing and Perrini should be able to be about on crutches in a few weeks. He will be accompanied on the journey by his aunt, Miss Adalina P. Raffeto, of Carson, who has spent the last week in this city.

SANTA CLAUS NOT ON LIST OF UNCLE SAM'S P. O.

LETTERS ADDRESSED TO CHILDREN'S SAINT MAY GO ELSEWHERE

"Santa Claus" has been officially denied further recognition by the federal government, by an order recently issued designating epistles addressed to the time-honored god of Yuletide as "unmailable matter." Under this order the appeals of numberless children to Santa Claus will be destroyed or find their way into the hands of charitable organizations and philanthropists. While this order is of a general nature, it is pretty definitely decided that in Tonopah the "Santa Claus" letters will find their way into philanthropic hands, and the wants of the little ones who make their wants known by the postoffice route may be fully provided for by those who will pose as Santa Claus, by proxy.

GOLD WATCHES WILL BE GIVEN AS BALL PRIZES

ELEGANT OFFERINGS FOR MASQUERADE BALL ON NEW YEARS EVE

Two gold watches will be given as prizes at the grand masquerade ball scheduled for New Year's eve at the Miners' Exchange hall. The watches will not constitute the only prizes, for yesterday the committee in charge of the affair got busy and in a short time arranged for some 15 or 20 prizes, all valuable and useful. The entire selection will soon be placed on display in the window of a Main street store and the dance lovers of Tonopah can see that they will be well worth competing for.

The ball will be an all night affair and only the best of music will be engaged. Maskers will be requested to raise their masks on entering the hall as no objectionable characters will be allowed on the floor. A rule that will be strictly enforced will be that only dancers in costume will be allowed on the floor until the masks are raised.

WILL CONCLUDE DUCKWATER SUIT THIS EVENING

FOLLOWING ARGUMENTS, CASE WILL BE SUBMITTED ON BRIEFS

Litigation that has occupied the attention of the Nevada courts for the past 25 years, will end this evening when the arguments in the case of Foginal versus Irwin will be concluded. At the completion of yesterday's session of court, all evidence had been presented and the attorneys announced that by agreement the arguments would consume but one day. After the submission by argument, briefs will be prepared and presented some time during February, following which the court will render its opinion on the matter.

The case involves title to water from Big Warm springs in the Duckwater district.

LIGHTS FIRE WITH COAL OIL AND IS BURNED

MINER'S HASTE RESULTS IN PAINFUL BURNS ABOUT LEGS

S. Harma, a miner employed at the Montana, while fighting a fire several mornings ago with kerosene, managed in some unaccountable manner to spill a small quantity of the oil on his clothes which ignited. Harma sustained a few severe burns about the legs and lower portion of his body, which necessitated the attendance of a physician. Last night he was reported as resting easily, and will soon be able to resume his labor at the Montana.

JAMES BYRNES HAS FINGER AMPUTATED

James Byrnes, who had his hand crushed in the Montana several weeks ago, yesterday had a finger amputated as a result of the accident. Byrnes was working on a machine drill which broke, crushing his hand. The member steadily grew worse until yesterday it was decided that amputation of the injured finger was necessary. Late last evening he was reported as resting easy.

HOUSE FLOODED BY BREAKING OF WATER PIPE

BONANZA "PRINT" FINDS PROPERTY FLOATING DOWN THE STREET

Did you ever hear a printer cuss? A mule skinner's eloquence fades into oblivion, is the only comparison we can make, for if one desires to hear some real profanity, one should be around a printer when things go wrong.

A beautiful example occurred yesterday noon when Charles Peterson, of the Bonanza staff, returned to his home and found that a water pipe had burst during his morning absence. The entire interior of the building was drenched and gallons of water occupied the places where rugs had been. "Pete" tried to stop the flow by sealing the break with candle grease, but the pressure was too strong and he was compelled to stand idly by and see his belongings float out of doors and down the street until an employe of the water company arrived and shut off the water.

SCHOOL BOY FRACTURES ARM BY A FALL

YOUTH SLIPS ON ICE COVERED THOROUGHFARE WEDNESDAY EVENING

Kyle Lutz, a school boy, had the misfortune Wednesday evening to fracture his arm in two places by falling to the ground, having slipped on the icy surface of the road. Lutz, with a party of companions, was returning from the Erickson residence on Bryan avenue, where the young people had tendered a charavari to Mr. and Mrs. Fred D. Black, the newly married couple.

The lad was carried to the office of Dr. Cowden, who dressed the fractures, placing the injured arm in splints. Young Lutz was then taken to his home.

CHILIAN MILLS ARRIVE FOR GOLDFIELD CON.

The six Chilean mills, ordered some time ago by the Goldfield Consolidated mill, arrived in the southern camp yesterday, and a large force of men is now employed in constructing and installing the machinery. The new mills will be placed on the second floor of the plant and it is expected that they will increase the capacity of the works to about 1000 tons more daily.

VOSS AND TATRO WILL PLAY TONIGHT

Professors Voss and Tatro can be heard tonight and tomorrow night at the Rose, formerly the Nyco Beer hall. The merits of these two musicians need not be enumerated, but it is safe to say they are the most popular pair of the kind in Nevada.
