LITTLE BIHEL SISTERS A HIT AT THE BUTLER

MIDGET PERFORMERS WILL PRESENT NEW SINGING AND TALKING ACT TODAY.

Lots of comedy was shown at the Butler theater last night and enjoyed by the usual large crowd. The Bihel sisters made the usual big hit in their specialty entitled, "The Yama Yama Girls." These little girls are undoubtedly the cleverest little children ever heard in Tonopah. Tonight there will be an entire change of program at the Butler and new pictures and new specialties by the Bihel sisters. They will do their singing and talking act entitled, "The Candy Kid," and Miss Anna Bihel will do her famous buck and wing dance. She is very clever and must be seen to be appreciated. The following are the pictures which will change at the matinee: "Heart of a Rose," "Poor Kid," and "The Dog Detective," and two others. This is a very strong program and is on for today only.

ASSAULT CASE BROUGHT BEFORE GRAND JURY

INQUISITORIAL BODY MAY RENDER A REPORT IN A FEW DAYS.

The grand jury is still investigating the Mick arson case, and a number of witnesses were placed on the stand yesterday. Judge Theron Stevens of Goldfield came over from the southern city on the morning train to receive the report of the jury but the inquisitorial body was not quite ready and the matter was postponed for several days.

The jury is also investigating the case of J. A. Remick, of Pioneer, who is charged with having assaulted C. A. Clark, with intent to do bodily harm. Remick beat Clark up in the southern camp about a week ago, and the friends of the latter brought the matter before the attention of the grand jury. Both Clark and Remick have been in this city for several days and were before the jury yesterday.

The annual pow wow of the Putes is now on in full blast over on the Walker Lake reservation and they are having some high times doing the sun dance.

An ad in the Bonanza is sure to bring results.

DENTISTS MUST PROCURE LICENSE TO PRACTICE

DISTRICT ATTORNEYS WILL BE ASKED TO PROSECUTE VIOLATORS.

Dr. Elton Davis, one of the members of the board of dental examiners for the state of Nevada, recently appointed by the governor for a four year term, found it was unnecessary to attend the meeting of the board at Carson Monday, May, 23rd, as only one applicant out of eleven illegal practitioners within the confines of the state was present for examination. The three members of the board in that particular section are conducting the examination of the lone applicant.

According to the state dental law the cases of those illegal practitioners who have utterly ignored the communications of Dr. D. W. Ballison of Reno, president of the board, requesting their attendance for examination will be put into the hands of the district attorneys of their respective counties, who will prosecute them as violators of the law. They are practicing without a license.

BELIEVES THAT MISSING SISTER IS IN TONOPAH

BROTHER IN SEARCH OF LOST RELATIVES ARRIVES FROM COAST YESTERDAY.

Anson Shannon arrived in Tonopah yesterday in search of his sister, who came here about a year ago. The name of the missing lady is Dulcine Shannon, although she was also known as Josie Siebert. She came here while the Rawhide boom was on, in search of relatives named Siebert. The Sieberts had moved to Rawhide and the young lady went to California.

Her brother managed to get track of her in San Francisco and later learned that she had gone to Sacramento, but from that time on he has been unable to find the slightest trace of the girl. She left her home at Boston, Pa., about a year ago and has not attempted to communicate with her parents.

Shannon stated yesterday that he had lately received information that his sister was again in this city, and he hurried from the coast to investigate the report.

The Bonanza has the most complete ruling and binding plant in the state. Give us a trial.

Matt Markovitch, a miner employed at the Belmont, was struck with a falling rock last night which resulted in injuries that will keep him confined to the Miners' Union hospital for the next month or so. The rock struck Markovitch on the left leg, fracturing that member and cutting a gash about six inches in length. Dr. Mapes, who was called, stated that it would be a month at least before Markovitch would be able to be out on crutches.

The Bonanza's ruling and binding plant is still running. Bring in your orders.
