

PLANS OF THE REORGANIZATION OF THE RESCUE

NEW COMPANY TO EXCHANGE SHARES WITH THREE CENT ASSESSMENT.

The stockholders of the Rescue Consolidated Mining company have received a circular letter from the officials of the new company that was recently formed to take over the management, in which it is stated that the stock will be exchanged share for share with an assessment of three cents per share. As the original Rescue stock is non assessable, the plan is adopted to exchange the stock and in this way collect the equivalent of an assessment. The letter sent the stockholders is herewith printed in full as it gives the full plans of the idea of the reorganization:

The Nye and Ormsby county bank of Tonopah, from time to time loaned to the Rescue Consolidated Mining company of Tonopah, for development purposes, moneys in the aggregate sum of \$25,000. The bank demanded payment of its claim against the company with interest; the stock of the Rescue being non-assessable, the directors had no means of raising the necessary money to meet the demands of the bank and therefore could do nothing to prevent it from taking judgment against the company and buying its property in at sheriff's sale. There is yet time to redeem the property, but the stockholders must move at once to that end. The great developments now being made by the Tonopah Belmont, at a depth of 1100 feet, has disclosed a large body of ore, and the Eula being the adjoining claim belonging to the Rescue, it must be quite evident to all stockholders of the Rescue of the importance of redeeming the property. The directors of your company have devised a plan whereby the stockholders will have a chance to again make their shares valuable, with more than an even chance that the new shares will become worth as much, or even more than those of the Tonopah Belmont.

The plan of re-organization is the following:

A new company called the Rescue-Eula Consolidated has been incorporated with a capital of \$1,500,000, divided into 1,500,000 shares of a par value of \$1 each—stock fully paid and assessable—to take over such title and interest as remains in the Rescue Consolidated Mining company; 250,000 shares will be set aside as treasury stock to obviate assessments in the future. The directors are all well known men in the commercial world and ought to be a guarantee that the affairs of the new company will be conducted in a businesslike manner.

They are:
A. B. Ruggles, president San Francisco stock exchange; Charles D. Laing, treasurer San Francisco stock exchange; J. W. Dorsey, attorney at law; H. Zadig, Zadig & company, brokers; W. D. Sanborn, merchant.

In order to furnish the requisite capital for redeeming the property of the Rescue before the time for redemption expires, it will be necessary that every stockholder of the Rescue Consolidated Mining company shall exchange his shares, share for share for equivalent shares, in the new company called the Rescue-Eula Consolidated, on or before the 25th day of July, which he may do by payment of 3 cents per share to the secretary of the company. Please send your stock with draft to Charles D. Olney, secretary, Rescue-Eula Consolidated Mining company, 339 Bush street, and he will issue like number of shares of the new corporation in lieu of those surrendered.

By order of the board of directors,
CHARLES D. OLNEY,
Assistant Secretary Rescue-Consolidated Mining company.

FORMER RESIDENT GOES TO PRISON

Hugh Willis, a former resident of this city, was taken to the state prison yesterday to serve a year's sentence for assault with a deadly weapon. The act took place in Humboldt county.—Carson News.

Willis is well known in Tonopah and this southern district. He resided here several years ago and later moved to Manhattan. He was a teamster and at one time was a peace officer at Manhattan.

MEMORIAL DAY WAS OBSERVED IN THIS CITY

FITTING CEREMONIES HELD IN HONOR OF THOSE WHO HAVE DEPARTED.

Memorial day was fittingly observed in Tonopah yesterday with ceremonies that were appropriate to the occasion. The graves of the veterans of the civil war and also of the Spanish war, were decorated with flowers while a fitting tribute was paid to the memories of the departed heroes.

Practically all Tonopah participated in the exercises and as the parade wended its way to the cemetery, it was followed by at least a thousand people. The parade formed on Brougher avenue and at promptly 10 o'clock the line of march was taken up. Captain G. R. Bradley officiated as marshal of the day and was ably assisted by a half dozen aides. The Uniform Rank of the Knights of Pythias headed the procession and acted as honorary escort to the veterans of the grand army of the republic and the Spanish war. Following was the Tonopah band and then came the different fraternal societies, the Miners Union, school children and the paid and volunteer fire departments. Every school child carried bouquets, which were provided by the committee and which went to decorate the graves in the burying ground.

Attorney P. E. Keeler delivered the oration of the day, while the Rev. H. L. Burnham pronounced the benediction. A choir also rendered several selections. At the completion of the services the paraders again formed and returned to town, where the line disbanded.

A striking feature in the parade was the Uniform Rank, Knights of Pythias, which turned out about forty strong and their appearance resulted in considerable comment of a very favorable nature. The organizations in line and the order in which they marched were as follows:

Uniform Rank, Grand Army veterans, Spanish war veterans, marshal and aides, band, Miners' Union, Odd Fellows, Elks, Eagles, Knights of Pythias, Knights of Columbus, Fraternal Brotherhood, school children, volunteer fire department and paid department. The members of the Pythian Sisters and Rebekahs were also in line and journeyed to the cemetery in carriages.

FAST BALL WAS PLAYED BY THE EAGLE-ELKS

PICKED TEAMS PARTICIPATED IN RED HOT CONTEST YESTERDAY.

Quite an interesting game of baseball was played on the local diamond yesterday afternoon between nine from the Eagles and Elks. Both teams were of the impromptu variety, having been hurriedly gotten together to prove sport for the afternoon. After seven innings, which proved sufficient for the amateurs, the game was awarded to the Eagles, who had managed to score eleven runs while the Elks were on the short end with eight tallies. The eighteen players showed up as regular demons, when it came to demonstrating how the national game should be played, and it is doubtful if more than one error resulted during the time of game. In fact, the contest could be called an errorless one which is something unusual in the annals of local baseball history.

The two teams were captained by Ed Malley and Walter Agnew, the former playing with the Eagles and the latter with the Elks. Paul Forrest officiated as umpire.

MRS. HANK KNIGHT HAS RECOVERED FROM ILLNESS

Word was received in this city yesterday announcing that Mrs. Hank Knight, who has been confined in a sanitarium for the last two years, has completely regained her health, and was now visiting Mr. and Mrs. Jim Butler at their San Jose home. She is accompanied by Mr. Knight and in a short time they will pay Tonopah a visit to greet their many friends.

WILL INSTALL ADDITIONAL FANS AT THE BUTLER

CROWDS CONTINUE TO PATRONIZE THE MAIN STREET PLAYHOUSE.

At the Butler theater last night a good crowd, despite the heat, enjoyed a good program of pictures and songs. The management wishes to announce that they will install additional fans, making the Butler as cool and comfortable as possible. Commencing at today's matinee there will be another entire change of program. The feature picture for today will be a big American Biograph picture entitled "The Unchanging Sea." This picture is suggested by Charles Kingsley's poem, "The Three Fishers." There is no work from the pen of the eminent English clergyman and poet, Charles Kingsley, better known than his tragic poem, "The Three Fishers." It so tersely illustrates the lot of the honest fisherfolk. While the Biograph subject was suggested by the poem it uses it simply as a preamble or introduction to a story of sympathetic interest. The scenic beauty of the subject is exceptional, being taken at a fishing village of southern California. In addition to this picture there will be four others, equally as interesting.

GREAT INTEREST IS BEING TAKEN IN THE SMOKER

O'DELL AND MERRILL WILL BOX FIFTEEN ROUNDS FRIDAY NIGHT.

Much interest is being taken in the smoker to be held at the Nevada theater next Friday night, and a big time is assured to all attending. The feature of the evening will be the fifteen round contest between George O'Dell, the fighting miner and Slick Merrill. Each man is in training and a good contest is looked for. The ten round preliminary between two good lightweights will be equally as interesting. There will be lots of local talent to entertain and lots
