

## APPOINTED AGENTS FOR REGISTRATION

LIST OF MEN WHO ARE TO TAKE NAMES OF VOTERS IN COUNTY.

Now that the primary law has been declared constitutional there is a good deal of interest in the application of the law in its practical workings. The act is a long one and contains a vast amount of detail so that it will require some time for the officials to master its complex requirements. Secretary of State Douglas has just completed a pamphlet which was given to the state printer yesterday, giving instructions and full details as to what is required to proceed with the primary.

The book will prove of immense service and help to county clerks, as the various forms necessary and other data will be explicitly set forth. It is expected that this information will be ready for distribution within two or three weeks and will simplify preliminary arrangements all over the state. The law is patterned closely after the California law, which has aided the state officials in getting out the edition.

County Clerk Pohl states that the registration books for the primary election will be open on the second of next month, and only new voters will be required to register. All local voters registered for the last general election do not have to register for the primary. The books must be open at least 50 days prior to 15 days of the election, which will come on September 6. The registration for the general election will open August 1.

The county commissioners yesterday took up the matter of choosing the registry officials for each precinct of the county. The list stands as follows:

- Sharp—Antone Bruno.
- Bentley—J. A. Johnson.
- Rhyolite—Thomas Kalaher.
- Pioneer—O. S. Webb.
- Manhattan—H. D. Haywood.
- Round Mountain—George Foley.
- Tonopah—H. H. Atkinson.
- Springdale—Smith.
- Marble—J. S. Smith.
- Gold Dyke—W. D. Jones.
- Berlin—Charles S. Heistand.
- Golden—George Williams.
- Smoky Valley—A. B. Millett.
- Duckwater—W. F. Mendez.
- Current Creek—Owen Cazier.
- Belmont—Frank Brotherton.
- Bellehelen—Philip V. Myers.
- Tybo—George Turin.
- Golden Arrow—Tex Watson.
- Reveille—Herman Refschke.
- Johnny—W. F. Brown.
- Silver Bow—W. G. Cook.

The expense of running the primary election will be much greater than at the regular election, as the same number of voting precincts must be maintained, and three different sets of ballots furnished, republican, democratic and socialist.

## COUNTY DADS FEED JAIL ON CONTRACT

MRS. McNEIL TAKES THE CONTRACT FOR MEALS AT 40 CENTS A PIECE.

In conformity with the recommendations of the grand jury, the county commissioners yesterday took up the matter of feeding the prisoners in the county jail. It was admitted on all hands that so long as the jail showed no more inmates than at present, the method of feeding them was more expensive than is necessary.

Mrs. McNeil, who is employed to prepare the meals for the prisoners, was present at the meeting of the board and after some discussion she agreed to supply the jail with meals at 40 cents per meal. She furnishes the groceries and everything required.

Later in the afternoon the members of the board, accompanied by Chief of Police Malley, embarked in a wagon and made the rounds of the town to investigate the garbage matter. They made a complete tour of the city. They did not, however, give out the result of their inspection.

## PAYMASTER HAD HIKE WITH OTHERS

RAILROAD SHOPMEN DID NOT GET THEIR CHECKS LAST EVENING.

The Tonopah and Goldfield railroad sets the 12th of the month as its payday, and when the 12th falls on Sunday it has been the custom to pay the men the day before.

For this reason the shopmen had every reason to anticipate the receipt of their pay checks last evening. But nothing was doing. When some of the 25 or 30 employees of the local shops called at the paymaster's office at the depot today they found the office had been removed to Goldfield—and all within the past 24 hours.

All the general offices of the railroad (and even those which are not quite so general) are now installed in the Casey hotel building over in the gold camp.

For a week carpenters have been transforming the interior of the hotel to meet the requirements of a great railroad system, and during the past three days the general offices of the road have been removing their general offices to the new quarters.

And few people in Tonopah knew anything about it. Even the road's own employees seem to have been denied the knowledge of these maneuvers since not one of the shopmen knew the paymaster's office had been moved to another town.

Tonopah is no longer the general headquarters of the Tonopah and Goldfield railroad. In future Goldfield enjoys the honor. This morning the locomotives of the road, some seven in number, will be run over to Goldfield, and in future all running repairs will be made there.

This will take about half of the twenty-five or thirty local shopmen. The rest will continue here until the new shops at Goldfield are in commission. Then they, too, will migrate.

## A CHANCE FOR A LONESOME BACHELOR

LOS ANGELES WOMAN ADVERTISES FOR A HUSBAND; MUST BE REFINED.

Los Angeles, June 9. A middle aged widow would like to correspond with a lonesome man of refinement and good habits. Address Mrs. Sadie Frances, 812 San Pedro street.

The above advertisement was received by the Bonanza yesterday, with a request that it be inserted in Sunday morning's paper. The fee for publication was enclosed in stamps, which would indicate that the widow was seriously inclined and meant business.

It will be noted that the widow imposes two conditions—that the man shall be lonesome and shall be refined. No monkeying in her's with a man who has too many outside distractions, and not too much of this course work.

The lady has demonstrated that she is acting in entire good faith, and she is entitled to be met in the same good faith. It is not a trifling matter.

THEY ALL GIVE PRAISE TO GOLDFIELD

Last night practically all of the Tonopah delegation that had been over in Goldfield for several days in attendance upon the session of the grand lodge of the Knights of Pythias had returned home. One and all they express their appreciation of the sister city's hospitality and the royal manner in which they were entertained.

The illuminations and the decorations could not have been surpassed in a city of ten times the size. But, more than all this, was the warm-hearted welcome which was extended the visitors on every hand. It was all appreciated and some day may be returned.

## GOLDFIELD WILL DRILL ON FOURTH OF JULY

UNIFORM RANK TEAMS WILL COMPETE HERE ON NATION'S BIRTHDAY.

The other day Goldfield company of the Uniform Rank rather put it over the local boys—anyway, they walked off with the first honors in the competition at the K. of P. grand lodge meeting. But the Tonopah boys don't believe they can do it again.

And out of this difference of opinion it may develop that the two teams will again meet in good-natured fraternal competition. Goldfield has expressed a willingness to come over to Tonopah and drill again on the Fourth of July.

If the Fourth of July committee approves the idea of the competitive drill—as it is likely it will—an attractive feature will be added to the program for the Fourth.

It may be noted here that the people of Goldfield will participate in Tonopah's celebration this year. No celebration will be held there, and Goldfield will do its jollifying here on that date, with the tacit understanding that next year Tonopah folk will enjoy their Fourth over in Goldfield.

## VAUDEVILLE ON BOARDS AT BUTLER

A RATTLING GOOD PROGRAM PROVIDED FOR PATRONS OF THE HOUSE.

The program of the Butler theater for this afternoon and evening is one of especial merit. In addition to three of the best moving pictures ever shown here there will also appear the well known vaudeville troupe consisting of Mr. and Mrs. Ed. Hogan, Tom Hurley, Lizette Hoskins and the three Bihel Sisters.

Each of these players have endeared themselves to the local theater going public and will undoubtedly fill the popular little playhouse to overflowing.

There will be but two performances during the evening, on account of the length of the program, for which the admission will be 25 cents. At the matinee this afternoon the price will be 15 cents for children. The three new pictures are entitled, "Christopher Columbus," "Cleopatra," and a Biograph comedy, "An Affair of Hearts." This latter picture depicts the trials and tribulations of two Frenchmen in a remarkable love affair. The situations throughout are very laughable and undoubtedly will be enjoyed by everyone. The matinee will commence at the usual hour, 2:30, while the first evening performance will commence at 8:45.

## FIRST COUNT OF VOTES FOR THE GODDESS

SEVEN CANDIDATES SHOW UP IN THE BALLOTING; MISS McFADDEN LEADS.

The judges of the Goddess of Liberty contest opened the various ballot boxes last evening, and polled the vote as it stood, with the following result:

- Miss Sada McFadden.....1,010
- Miss Arlene Purcell..... 750
- Miss Lorine Hanley..... 510
- Miss Gussie Anderson..... 300
- Miss Aimee Ford..... 200
- Miss Lena Hafferon..... 10

In addition to the stores listed in the Bonanza the other day as having ballot boxes, where the public can cast votes, boxes have also been installed at Peart's and McKim's.

It is to be borne in mind that moneys derived from the sale of votes in this contest go into the general fund of the celebration.

The Bonanza has the most complete ruling and binding plant in the state. Give us a trial.

## PYTHIAN MEMORIAL AT ST. MARK'S CHURCH

This evening at St. Mark's church, beginning at 8 o'clock, a Pythian memorial address will be made by the rector, the Rev. James J. H. Reedy. All Pythians, as well as the public generally, are invited to the service.

On Tuesday evening at Pythian Castle the annual memorial service will be held. This is for Pythians only, and all members of the various branches of the order are urged to attend.
