PRESIDENT AND ROOSEVELT WILL CONFER TODAY

By Associated Press.
BEVERLY, Mass., June 29.—Taft and Roosevelt will meet at the Taft cottage on Burgess Point tomorrow afternoon. Neither the president nor the colonel have been communicative as to the plans for the conference, and even tonight there is no official information to this effect. It is not known tonight whether Governor Hughes will be able to come. Senator Lodge will accompany Roosevelt and will probably withdraw and let the colonel and the president have an intimate talk.

The president soon after his arrival today went to the Beverly hospital and inquired as to the condition of the laborer who was injured by an automobile driven by his son. He was much gratified to learn the patient was improving and probably will recover.

TEDDY FAVORS DIRECT PRIMARY FOR NEW YORK

By Associated Press.
NEW YORK, June 29.—Roosevelt today made his first public utterance on a political subject since his return from Europe. The telegram was addressed to Lloyd Griscom, chairman of the republican county committee of New York county and sponsor for the amendment.

JACK GLEASON AND TOM CORBETT LEAVE FOR RENO

By Associated Press.
SAN FRANCISCO, June 29.—With the departure tonight for Reno of Jack Gleason and Tom Corbett, the last active link connecting San Francisco with the Jeffries-Johnson fight was broken. Corbett's mission in Reno is to establish the official poolroom.

DATA ABOUT OUR INDIANS

WASHINGTON, June 29.—The enumeration of the Indian population will be a feature of the thirtieth census. It is calculated by officials of the census bureau that ten years hence all the red men will have become citizens and consequently this is the last time the census will be taken showing their tribal relations.

Responses to the schedule of questions will show each Indian tribal relations; proportion of Indian and other blood; number of times married; whether now living in polygamy; education; whether taxed; whether he has received his allotment, and whether living in civilized or aboriginal dwelling.

RAWHIDE HAS A SMALL FIRE

RAWHIDE, June 29.—As the last of an audience of several hundred people had just emerged from a local theater tonight the tank of a moving picture machine exploded, setting fire to the films and other inflammable matter in the place. The fire, which for a time threatened to spread to adjoining buildings, was confined to the theater, totally destroying it.

Indisposal of Retired Champion on Tuesday Due to Slight Illness From Which He Has Recovered.

By Associated Press.
RENO, June 29.—Jeffries held the center of the stage today against all comers. After tricking the public out of a chance to see his Monday workout and refusing to work at all Tuesday, he went against his sparring partners late today with Governor Dickerson as the guest of honor, and the whole sporting fraternity, now gathered here, as eyewitnesses. In all Jeffries did six rounds of boxing, and went through the work with a snap, but the boxing was not unusually fast or exciting. Only in the last go with Berger did the "undefeated" speed up. He banged at Sam in real old knockdown and drag out fashion during the first round. Sam came back hard, giving Jeffries the benefit of every blow he knew. It was too much for Sam, however, and in the second round Jeffries was compelled to slack up to keep from putting his manager down and out.

The moving picture men were also among the spectators, but they were busy taking pictures. Before the boxing Jeffries went through a series of rope skipping, bag punching and shadow boxing. Beginning the day Jeffries confined his drinking to distilled water. This was done by the advice of trainers in order to assist in the "drying out process" on which he has begun, in the last step in his training. In preparation for the battle Jeffries recently ordered a big sun shade which is to protect him from old Sol's ardent advances between the rounds.

Johnson, it is said, will be similarly equipped. True to his promise Johnson appeared for his regular workout shortly after 3 o'clock.

NEW LONDON, Conn., June 29.—The annual rowing contests between Yale and Harvard will be held tomorrow on the Thames river.

JOE GANS SHOWS SIGNS OF ALARMING WEAKNESS

By Associated Press.
PRESCOTT, Ariz., June 29.—Joe Gans, the former champion lightweight, is confined to his bed and is showing alarming signs of weakness.

He covered nine miles of the road early in the day, but didn't do any work until the afternoon, when he boxed ten rounds. The bouts lacked the excitement of those staged yesterday in honor of the governor. In a conference with Rickard Johnson agreed to fight in a ring twenty-two feet square. It is understood that Jeffries is also satisfied with the ring dimensions.

"The indisposition of Jeffries yesterday couldn't hardly be called indisposition," said Dr. William Porter of Oakland, who has been the former champion's physician for the last seven years, and who will make the final thorough medical examination of the fighter before he enters the ring. It was simply a matter of Jeffries having eaten some overripe fruit. When he consulted me I advised him to refrain from training during the day. When he awoke this morning he was feeling fine."

The appearance of Johnson money in the local poolrooms was indicated tonight when the odds shifted to 10 to 7½, Jeffries to win. The betting opened this morning at 10 to 6½. On the rounds the betting favored tonight is even money that Jeffries will win in eighteen rounds. After witnessing Jeffries' workout today Governor Dickerson stated he believed that Johnson was faster than Jeffries but he did not think there was the power behind the blows that lies behind Jeffries' punches. He also stated he believed Johnson was cleverer than Jeffries and that his defense was harder to penetrate. Continuing he said he believed that Johnson would hit Jeffries more times than Jeffries would hit him, but the blows would not have the same telling effect.

CHICAGO FIGHT FANS LEAVE FOR RENO

By Associated Press.

Today she won the schooner race to Eckernforde, defeating the Germania, Hamburg and Meteor. The emperor was aboard the Meteor, which finished last.

Ambassador Hill and his family followed the race in a steam launch.

CONDEMN HEALTH PLANS.

By Associated Press.
KANSAS CITY, June 29.—The International Hahnemannian Association of Physicians tonight adopted a resolution condemning the plan to create a national department of health. The plan has been supported by President Taft. The Hahnemannians say the plan was originated by the Allopaths and that if the health department is created the Allopaths will dominate it.

CHARLES WHITE TO BE SECOND MAN IN THE RING

By Associated Press.
RENO, June 29.—Charles White, of New York, was appointed the second referee in the Jeffries-Johnson contest tonight by an agreement between the fighter and Promoter Rickard. The appointment of White followed the receipt of a telegram to Manager Flanagan of Johnson which stated that Francis Nelson of Toronto, Canada, Flanagan's choice, could not serve.

HOURS OF LABOR LAW HELD CONSTITUTIONAL

By Associated Press.
WASHINGTON, June 29.—Announcement was made by the interstate commerce commission today that Judge Paige Morris of the federal district court in Iowa had decided that the law regarding hours of service of train crews on interstate railways was constitutional.

In its statement the commission says: "In its interpretation of the hours of service act, which limits the service of the train crew to sixteen hours in any twenty-four hour period, the court held that the performance by the engineer of duties required by the rules of the company in preparation for the trip during the half hour previous to the scheduled time for the departure of a train from an initial terminal, made such an engineer on duty during such half hour and that this time must be included in the time of permitted service."

SPAULDING DECLINES TO RUN FOR SENATE

By Associated Press.
SAN DIEGO, Cal., June 29.—A. G. Spaulding tonight declined to become a candidate for United States senator. In a letter he says: "Political affairs as I see them in California are in a somewhat chaotic condition. I am decidedly of the opinion that for me to be elected to the office of United States senator from this state on the platform outlined would be practically impossible at this time. In ten or more years the election of some man from California to the United States senatorship upon a platform similar to the one I have suggested may become possible."

ROOSEVELT IS GUEST AT HARVARD COMMENCEMENT

By Associated Press.
CAMBRIDGE, Mass., June 29.—As guest and host in one, Roosevelt brought energy and animation to commencement day at Harvard university today. The cheers that marked his passage among the buildings of the ancient yard indicated his position as chief guest, while his presence at the head of the table at the commencement luncheon in Memorial hall was a token that he was host by virtue of his office of president of the Harvard alumni association. It was "Roosevelt of the class of 1880" today. Honorary degrees were afforded Governor Hughes, J. Pierpont Morgan and Horace Porter, former ambassador to France. Nearly a thousand students received their diplomas. Roosevelt tonight went to Nahant as the guest of Senator Lodge.

OPPOSITION TO DIRECT PRIMARY ARE ALL UPSET

By Associated Press.
ALBANY, N. Y., June 29.—The Roosevelt message endorsing the Cobb direct nomination bill fell like a bombshell in the camp of the opposition to the measure. Feverishly discussing the probable effects of the message an adverse report on the bill was decided at the meeting of the assembly judiciary committee this afternoon. Speaker Wadsworth and the assembly leaders had planned to put the measure to a vote tomorrow, confident of their ability to defeat, but the colonel's message upset things.

By Associated Press.
OAKLAND, Cal., June 29.—C. E. Kinard, an Oakland lawyer, found guilty recently of swindling a woman client out of \$1,360, was this morning sentenced to San Quentin for ten years by Judge Ogden. It developed today that the presence of three deputy sheriffs in court during the trial, which has been a mystery, was because Kinard had threatened to shoot Deputy District Attorney Hynes, who was prosecuting the case.
