

SERVICES WILL BE CONDUCTED BY THE MASONS

REMAINS OF GEORGE DEMPSTER WILL BE TAKEN TO COLORADO FOR BURIAL

Brief ritualistic services will be held this evening at 7:30 o'clock over the remains of George Dempster, who died at the Miners' hospital Tuesday from typhoid fever. The services will be conducted at the undertaking parlors of Wonnacott & Hall by the Tonopah lodge of Masons. In the morning the remains will be taken to Central City, Colorado, where the interment will be in the Masonic cemetery. The regular Masonic services will be pronounced in that city and the Knights Templar will escort the body to its last resting place. The widow and children will accompany the remains to Colorado.

REPORT MADE BY VOLUNTEERS FOR QUARTER

RECENT VAUDEVILLE PERFORMANCE HELPED TO CLEAR INDEBTEDNESS

The Tonopah volunteer fire department held a rousing meeting last evening, transacting considerable business of importance. Different committees made excellent reports. The proceeds of the donations of candidates, both on state and county tickets, were met with hearty approval and will be acknowledged by letter and press, and will not only help to clear the indebtedness on the ball grounds, but will make the fire fighters feel the effect of a heavy debt being suddenly reduced. One motion was to the effect that \$100 be paid to the Tonopah Banking corporation and \$100 to the First National bank on notes of \$200 each, to balance on hand to be paid towards the outstanding bills around town, each to receive their pro rata. The following report was made on finances:

Receipts and expenses of the entertainment given Oct. 12, 1910: Tickets sold around town, \$72; receipts at box office, \$152.75; total, \$224.75.

Eick, services as stage manager, \$10; money from box office for flour contest, \$6.70; total expense, \$81.15. The theatre was donated by Arthur Aylesworth, and the orchestra by Jake Goodfriend.

TONIGHT'S THE NIGHT FOR THE BIG DANCE

Announcement is made by the committee in charge that all arrangements have been completed for the event of the season—in other words all details in connection with the grand ball given under the auspices of the Fraternal Brotherhood lodge No. 451, and billed for tonight, have been attended to. The air of expectancy pervading local social circles has reached such tension and keenness over this event that only the commencement of the festivities will relieve and satisfy.

LOSES EYE AS A RESULT OF AN ACCIDENT

MINER AT THE MONTANA HAS OPTIC PERFORATED BY SMALL STONE

F. M. Rowe, employed at the Montana Tonopah, met with an accident yesterday afternoon that resulted in the loss of an eye. Mr. Rowe was working on a machine drill when the air hose attached to it broke. The escaping air blew dust and particles of rock in every direction, and a small fragment of stone struck Rowe in the optic. The eyelid was perforated by the sharp edge of the stone, which also entered the eyeball. The injured man was taken to the Miners' hospital and Dr. Cowden summoned.

Rowe resided here with his family, and originally came from Nevada City.

COAL DISCOVERED BETWEEN BODIE AND HAWTHORNE

Charles Way and Tom Witelaw have returned from the section of country lying between Bodie and Hawthorne, where they had been to inspect a deposit of coal found by Witelaw. They brought with them several hundred pounds of samples of the coal, which happens to be of good quality. It has occasioned considerable excitement among a number in this city and it is more than probable that a company will be formed and the money raised to do considerable development work upon the property.

ALBERT N. HAGENS DIES AT BUTTE CITY

Albert N. Hagens, a native of Virginia City, Nev., died last Saturday at Butte, Mont. He had been a miner in Butte for twelve years. LOCAL FANS ARE INTERESTED IN BIG GAMES

PHILADELPHIA-CHICAGO CONTESTS CLOSELY WATCHED IN TONOPAH

"Hello!"
"Hello!"
"Bonanza office?"
"Yes."
"How did the big game come out today?"

Just multiply the above question by 100 and you can have some idea of what interest is being centered in the championship contest by the local fans. From noon until night the phone in this office is busy with inquiries and it is noticeably strange that many seeking information are women.

Prior to the first two games there happened to be many Chicago boosters, but yesterday only Philadelphia backers were in evidence. Should the Cubs take the series on their own grounds, it is believed that many opinions will be changed. So far it has been "I told you so" with the fans, but that is always to be expected.

CHOIR AT DEMPSTER FUNERAL TONIGHT

All kinds of ruling and binding at the Bonanza.

SCHOOLS TO BE CLOSED FOR TWO WEEKS

LOWER GRADES OF TONOPAH CLOSED ON ACCOUNT OF EPIDEMIC

Yesterday Trustee E. J. Erickson, in company with Dr. Richards, visited the schools of Tonopah to investigate the health conditions among the children. They found so many cases of absences on account of sickness from colds, and so many more cases of children attending who have colds in various stages, that it was deemed best to close the lower grades for a period of two weeks to allow the children to recover. This will give those now ill an opportunity to recover, and at the same time those who are so fortunate as to be without the prevailing illness will not be exposed by being obliged to remain indoors with the others.

The illness seemed confined almost entirely to the three lower grades, there being but very few cases above the third grade. The upper grades and the high school will not be closed.

Parents should take every precaution to prevent the further spread of this illness, so as to have their children in school again at the end of the temporary closing.
