

## BIG CROWD COMING FROM GOLDFIELD ON A SPECIAL

### Third Game of Ball to Be Played Sunday Afternoon on Local Diamond and Visitors Will Have Plenty of Rooters

Play ball! Everything is shaping itself for a big crowd at the third baseball game between Tonopah and Goldfield on the local grounds next Sunday afternoon.

Manager Grier, of the southerners, came over this morning and announced that fully 200 fans from his town would be here on Sunday and that he was confident of winning the third game. As it is now, each team has won a game, Tonopah taking the first on the local grounds and Goldfield winning the second on their own diamond.

Manager Grier also states that it is the intention to place Reley in the box and the Volunteers will pitch Spencer for the first time, while

Prout will be in the right garden. Spencer has plenty of speed, curves and has been practicing very faithfully, and his control is also good, which guarantees that he will not issue many passes.

Prout is a good utility man, as he can play any place in the team, and his stick work will average with any of them.

Griffin will probably be seen in a local uniform for the first time this season. His practice work has been good, both with the stick and in the field.

The local grounds have been greatly improved. Water has been secured for the field, the diamond rolled and the rocks removed.

## COUNTY RECEIVES LARGE SUM AT THE TREASURY

### OVER \$67,000 BEGIN MONTH OF JULY TO COUNTY CREDIT.

County Treasurer Mannix has had a busy month and the records for June show that \$47,011.89 was received for the 30 days and \$27,622.88 was disbursed. In the receipts for the month there were \$10,897.70 received as outside taxes, which includes Round Mountain and Manhattan, etc.; \$3026.71 from Rhyolite, and \$11,105.32 from Tonopah. This gives a total of \$23,039.73 for taxes paid in June and the balance of the receipts were from bullion tax, fees, licenses, etc. Of the disbursements, \$15,047.18 was paid to the state as its share of taxes, etc., for the first half of the year 1911, the balance being credited as last month's expenses for county and town government of Nye.

At the beginning of the month the treasury showed \$48,330.09 and with the receipts for this month, would bring the sum to \$95,341.98. After deducting \$27,622.84 for disbursements the county will begin the month of July with approximately \$67,719.14.

## SISTER TELLS OF BRUTALITY THAT CAUSES DEATH

CHICO, Cal., June 30.—More evidence concerning the brutality that caused the death yesterday of 13-year-old Helen Rumball came to the police yesterday from the lips of a younger sister of the dead girl. This child told the officers that while Helen was in the stifling attic, where her lifeless body was found, her cries of pain were heard by the sister, who pleaded with her stepmother, Mrs. Emma Rumball, to be allowed to go and comfort the sufferer. These pleas, according to the child, were rebuffed and the woman made her go to bed. In the late hours of the night Mrs. Rumball awakened the girl and her brother and told them that Helen was dead.

Yesterday Sheriff Webb discovered where the rope with which it is believed Helen was choked to death was fastened to the studding in the attic. Marks on the throat of the body indicate that the rope was fastened about the neck.

Mrs. Rumball said yesterday that while Helen was bound in the attic her step uncle, Arthur Lewis, taunted her until she became frenzied in her efforts to free herself.

Buy a ticket and be a booster. "Do it for Tonopah." Tickets of admission to both theatres are only fifty cents or twenty-five cents to one show Saturday night.

## GOODFRIEND TO TAKE CHARGE OF IDORA THEATRE

### OLD BUTLER THEATRE WILL BE CLOSED TOMORROW NIGHT.

Tonight will mark the closing of the Butler at the old corner, where so many thousands have been entertained during the past nineteen months, for last night negotiations were closed whereby Manager Goodfriend takes over the Idora and henceforth will manage its destinies, changing the name, however, and giving it the name of the old place, which has become a household word with the people of and visitors to Tonopah.

For tonight the program at the old stand will consist of some excellent pictures, including "Into the Jaws of Death," an Edison drama; "For the Squaw," a Pathé drama, and "Their Mothers-in-Law," a Lubin comedy.

In addition the Printy Sisters will appear in an entire change of songs and dances, and Arthur Floyd, the popular comedian, will present some new "Costerisms."

## HARVARD RECEIVES MILLION DOLLARS

### PRESIDENT LOWELL ANNOUNCES GIFT TO UNIVERSITY OF GREAT AMOUNTS.

CAMBRIDGE, Mass., June 30.—Gifts to the amount of \$1,200,000 received by Harvard University last year were announced by President Lowell to the 2000 or more Harvard men gathered for the alumni meeting yesterday.

Almost simultaneously William C. Boyden of Chicago handed to President Lowell a check for \$100,000, as the gift of the class of 1886 to the university, to be invested in the college funds.

Governor Foss divulged a plan by which he hopes the state will set aside a sum annually "for the creation of a large number of scholarships, to be awarded by the competitive examination to young men and women of Massachusetts, the recipient of such scholarship to choose the institution in the state which they will attend."

Other speakers were Justice Oliver Wendell Holmes, speaking for the class of '61, and George Von L. Meyer, '79, secretary of the navy, on whom was conferred the honorary degree of LL. D.

Secretary Meyer heads the list of five new overseers to Harvard elected yesterday for six years. The others chosen are Senator Henry Cabot Lodge, '71; Jerome D. Greene, '96, of New York; William C. Boyden, '86, of Chicago, and Lawrence E. Sexton, '84, of New York.

## SEN. NIXON GUEST AT A LUNCHEON

### IMPORTANT LEGISLATION IS DISCUSSED BY HIM—GOOD ROADS IS THE SLOGAN.

RENO, June 30.—Senator Geo. S. Nixon was the distinguished guest at the regular Wednesday luncheon of the Commercial club at the Thomas restaurant.

Nearly fifty business men were gathered around the tables and partook of the excellent hospitality of Mr. Thomas, and after the bill of fare had been taken care of, Senator Nixon was asked to say a few words.

The senator talked entertainingly in a purely informal manner of the important legislation that is now before congress, and then spoke of his faith in all of Nevada and Reno especially. Among other things he impressed upon his listeners the importance of good roads as a real asset to a community, and urged that everything within reason be done toward making the highways so attractive as to induce outsiders to include Reno in the itinerary of their tours.

O. R. Morgan, editor of the Gazette, was called upon, and speaking along the line suggested by Senator Nixon's good roads talks, told of the work that has been done by Mr. Sarlier and the Gazette toward opening up the short road from Reno to Tahoe by way of Incline. He spoke of the trip recently taken over the road and informed his hearers that Warden Baker was ready to put a crew of convicts at work there as soon as the Kings Canyon road, from Carson to Glenbrook, was repaired. Everybody present heartily endorsed the project, and by a viva voce vote gave encouragement.

R. M. Price pressed his warm approval of what had been said and stated that it was his belief that Reno could not spend money to better advantage than in improving that road.

## TONOPAH SHOULD HAVE A PUBLIC DRINKING PLACE

Quite a few of our citizens have asked the Bonanza to suggest to the commissioners that a drinking fountain be placed near the corner of Brougher and Main streets. It is pointed out that the boys who are down town have to go to the saloons in order to get a drink of water, and the Bonanza believes that this suggestion is a good one, and that a fountain should be placed where all could secure water and that it be so arranged that the dogs could secure their needs also.

## NO. THIRTEEN ISSUED BUT NOT ON FRIDAY

### DEPUTY DANIELS ISSUED THE THIRTEENTH MARRIAGE LICENSE LAST NIGHT.

That all are not superstitious was proven last evening when William O. Greves called Deputy County Clerk Daniels up at 7 o'clock and asked for No. 13 in marriage licenses for the month of June. The contracting parties on this bit of paper gave their names as William O. Grieves, a native of Nevada, aged 29, and Laura M. Ross, aged 31.

No. 12 license was granted to Fred P. Pierce, a native of Pennsylvania, aged 31, and Wilhelmina Wilcox, a native of the Hawaiian islands, aged 25 years.

## CARROLL MAKES FULL CONFESSION

### PRISONER HELD AT CITY JAIL IN RENO SAYS HE IS ALSO WANTED IN ILLINOIS.

RENO, June 30.—All doubts that may have existed as to the identity of the prisoner who was arrested Monday night by Chief of Police Hillhouse, and Patrolman Lawrence Devincenzi, who gave the name of Charles Pillsbury, were dispelled yesterday when the suspect confessed to Chief Hillhouse that he was Carl Carroll, wanted at Monmouth, Warren county, Illinois, for jail breaking and bank robbery.

The confession was unsolicited and was made to the police chief while he was serving Carroll and Spencer, who was arrested at the same time, with their supper. Carroll stated that he was the man wanted and that Spencer had nothing to do with the jail break or of the looting of the Swan Creek bank. "Spencer is not in my class," said Carroll, "and I was in his company for a purpose." Further than that he refused to say, but added that he would return to Illinois and face trial without making a fight against extradition.

Carroll also stated that Reed, who broke jail with him, had been recaptured and was now in the Illinois penitentiary.

A telegram received by Hillhouse yesterday stated that three men were implicated in the bank robbery and that no picture had ever been secured of the third person, named A. Williams, who escaped and had never been taken into custody. His dispatch read:

"Wire complete details of both men at once. Photos can follow late. There were three men in the bank robbery here. Latter was sent to pen. You may have the third man, who went under the name of A. Williams. Wire at once. G. C. Hillyer, state's attorney."

Later in the day the second dispatch was received, which read as follows:

"Your man Spencer fills description of Williams. Hold him. W. F. Fitzpatrick, sheriff."

The third dispatch received during the day reads:

"Man on way with requisition for Carroll. Fitzpatrick."

Chief Hillhouse telegraphed that Carroll had confessed to his identity but no response was received to this message last night.

## CLOSING SESSION OF EUCCHARISTIC CONGRESS

MADRID, June 30.—The closing session of the eucharistic congress yesterday was presided over by Cardinal Aguirre. It was a brilliant assembly, the king and queen and all members of the cabinet being present. The accommodations of the vast church of San Francisco were taxed and thousands were unable to find room. It is intended to mark the closing of the congress by a great parade tomorrow. This has aroused much hostility among the republicans.

Be a booster! Do it for Tonopah.

## BANK COMMISSIONER HOWELL WILL ASK FOR REHEARING

### Petition to Be Filed to Reopen Banking Case in Which a Decision Was Handed Down in Favor of Receiver

Bank Examiner Eugene Howell has returned to Tonopah from a trip of inspection in the eastern portion of the state and from Carson. While in Carson Mr. Howell made arrangements to file a petition asking for a rehearing in the banking cases, particularly section 79, which was decided recently in favor of the receivers.

Mr. Eugene Howell believes that the rehearing will be granted by the supreme court and an effort will be made to reverse the decision recently handed down. There is only one chance for the depositors in the insolvent banks to get any returns and that is for the banking commission to take the affair in hand. The commission is being paid out of the state's funds to look after banking affairs and could take care of the business of the defunct institution, and revenue for rents, etc., would go to the

depositors. At the present time the receiver and his deputies for the State bank is being paid a princely sum and the lawyers all that is left.

There is a general clamor all over the state for the banking commission to take charge of the insolvent institutions.

The State bank paid 10c two years ago and nothing since, while the Nye and Ormsby bank has received nothing, but in the neighborhood of \$60,000 has been paid to a bunch of lawyers.

To the depositors of these defunct institutions it looks as if there was something "rotten" in Denmark and both the depositors and friends demand a change.

Mr. Howell reports that the banks in Elko, Lovelock and Battle Mountain are in a flourishing condition and that the crops in that section of the state are abundant.

## STANLEY HOWSELL WILL ARRIVE IN CITY TOMORROW

### NEVADA CITY WRESTLER TO MEET PROFESSOR BRAUN MONDAY NIGHT.

Stanley Howsell, the crack Nevada City wrestler, will arrive in Tonopah tomorrow, and on Monday night will meet Professor Braun, of the local fire department in this city, in a contest for the welterweight wrestling honors of the Pacific coast at the Nevada theater.

Howsell lost to Braun in Nevada City last year, and since that time has been seeking a return match. The Nevada City papers, in speaking of the match, say that it was the most bitterly contested of any ever held in the old mining camp. Howsell will be introduced to the public at the New Butler Sunday night.

## EXPRESS TRAIN IN TERRIBLE ACCIDENT

The coaches were thrown to their sides. The cars were filled with passengers, who became panic stricken.

Many persons were severely cut by the broken windows of the cars through which they had to crawl to reach safety, while others were scalded.

## LADIES TO HAVE ONE NIGHT AT FIRE GYMNASIUM

At a meeting of the volunteer fire department it was agreed to give the ladies the use of the gymnasium from 8 until 10 o'clock on Tuesday evenings and on Tuesday and Thursday mornings from 10 o'clock until 11:30. The wife of Professor Braun will act as instructor for classes for the ladies. This arrangement is made at the gymnasium with the understanding that the ladies show sufficient interest to form a good-sized class. The classes for the men and children are well patronized, and if the ladies do not show sufficient interest, this class will be dropped and the time given to others.
