

TONOPAH WINS THIRD GAME OF SERIES FROM GOLDFIELD

Locals Win By a Score of Nine to Five --Game is the Most Interesting of the Season and Largely Attended.

P. W. L.	3	2
Tonopah	3	2
Goldfield	3	1

Tonopah won the third game of the series yesterday from Goldfield by a score of 9 to 5. The game was the best of the season, as both teams had their eye on the ball and the game was characterized by good catches and throws by both teams. The local boys secured 18 hits off of Hopkins, while the Southerners hit Spencer for eight safe ones and Prout for one.

Spencer, for the locals, pitched a good game for six innings, but not being in good condition, could not hold out for the nine, and as captain of the team, placed Prout in the box in the seventh inning to finish the game.

Dorroh was the only player credited with a two-bagger, as others who went past the initial sack secured second on fielder's choice. Osgood, Griffin and Crosby were credited with sacrifice hits.

Hatton and Osgood each made a double play unassisted for the Volunteers, while for Goldfield Reiley and Albright doubled. Spencer walked six men to Hopkins' one; but the former struck out five batters to the latter's six. Prout in relieving Spencer in the seventh inning gave the visitors one hit and struck out one.

The day was ideal for the national game, but the attendance was small. The special from Goldfield arrived shortly after 1 o'clock and brought over about 75 people, including the drump corp from that town.

Tonopah made three runs in the first inning, two in the fourth, two in the fifth and two in the eighth. Goldfield secured one run in the second, one in the sixth, two in the seventh and one in the eighth.

On the Fourth of July (tomorrow) the Tonopah team will go to Goldfield to meet the Southerners on their own diamond. Prout will be in the box for the boys from this town and they intend to annex the game and make the percentage column read 3 to 1.

Dorroh played a good game behind the bat and is getting the throw to second down so that it is not very safe to try and steal that base.

Osgood fielded first base in better shape yesterday than in any game of the season, having eight putouts to his credit.

Griffin, at second, fielded his position in good shape, but is a little wild when it comes to throwing. On the bases he is in the game all the time.

Perry at third played an errorless game, putting out four, assisting in one and making four hits for four times up.

At short, Hatton was in the game all the time. He fielded some deep flies and goes right after all the grounders in league style.

The fielders had little chance. Peck is suffering from a very sore finger and dropped a nice fly. His work at the stick and on the bases is good.

Quillie had no chances in center, but did fairly well at the bat.

Prout made a nice throw from right field to home when Prosser tried to negotiate that important base, but was tagged at the plate.

Brooks from this same right field garden threw Newan out at third on a long throw and well placed.

For Goldfield, Hopkins fielded and batted in fine form, but his delivery held no mystery for the locals.

Barr, Lamer and Albright are also deserving of praise in the way they fielded their positions.

PATRICK C. CASEY MUST HANG FOR COWARDLY MURDER

Supreme Court Refuses to Grant New Trial to Goldfield Murderer--He Will Probably Be Sentenced to Hang at Once, and Hanging Take Place Within Sixty Days.

CARSON CITY, Nev., July 3.—Patrick C. Casey must hang. Saturday the supreme court handed down a decision in which a new trial was refused to the murderer, and in a few moments afterwards he was again in the condemned cell at the state prison, with a death watch over him.

Casey was sitting in the prison yard sunning himself when the word was brought to him by the captain of the guard that the supreme court had refused to grant his plea and that the law must be carried out. So they threw me down, did they?" said Casey, as he arose to follow the captain and the death watch to the cell. "Well, I don't care what they do with me, I am tired of it all!"

Mr. and Mrs. Ralph Hussey left this morning for Reno and Carson. Jules Smith departed this morning for Reno. Lieutenant Governor Ross was a passenger this morning for Reno and Carson.

He took the matter in a quiet way and hid his disappointment under a mask of stolid indifference. He hated to go again to the condemned cell and said: "So the warden was afraid that I would kill myself, is he? Well, I won't. I don't care what they do with me."

He was given a large cake of ice to keep his cell as cool as possible and a guard was placed over him to watch his every movement in compliance with the law.

It is more than probable that he will be re-sentenced to hang at once and that the sentence will be carried out within the next sixty days. Only one loophole remains for him and that is the action of the board of pardons, and it is hardly to be supposed that they will take any action in the matter.

J. J. Voss, Allen Tatro and C. W. Mack, who formed the Idora orchestra in this city, left yesterday morning for Reno, where they will play at the Majestic theater in that city. The orchestra made many friends in this city.

MINERS' UNION WILL DANCE THIS EVENING

ALL LOVERS OF THE LIGHT FANTASTIC CAN BE ASSURED OF A GOOD TIME.

A good floor, good music and a good time is in store for those who attend the Miners' Union dance at Miners' Exchange hall this evening. Neat programs, with pencils attached will be furnished to all in the hall and the beauty about them is that there are 22 dances and four extras. The miners are noted for their careful attention to see that all present have plenty of dances, and if you are unacquainted they will see that that is no excuse for not joining in the merriment. The committee are as follows:

Committee of arrangements—P. Darragh, chairman; M. J. Scanlon, Tom Trudgeon, Louis Cortese and Hiram Blyen.

Floor manager—Louis Cortese. Floor committee—Thomas Trudgeon, Hiram Blyen, Gus Hansen, Ben Marty, J. A. Peterson, J. G. Gallagher, Stewart McDonald, Stephen Clark, Mike Shea, W. B. Evans, W. M. McLean and Walter Woods.

Reception committee—R. H. Dalzell, George W. Robb, Thomas Mannus, M. A. McLean and Louis Schweizer.

NEW BUTLER HAS FINE PROGRAM FOR FOURTH

CHANGE OF VAUDEVILLE TONIGHT AND LOVERS OF MUSIC INVITED.

The New Butler has started on its career with big houses right off the reel and the picture machine is reeling off some mighty fine pictures. The big electric fans swinging on pivots has made this house delightfully cool, and if you notice the heat on the streets in the afternoon just drop into the New Butler and see the contrast, and also see an interesting matinee. Tonight Anderson and Anderson, lady and gentleman musicians, both instrumental and vocal, will make their first appearance in this city. Baby Mildred will also be seen in a return engagement. This youngster made a great hit on her first visit and is sure to please. A fine line of pictures will also be shown. For the Fourth the New Butler will have a fine program for matinee and evening performances.

COMMISSIONERS REQUESTED TO ACT

The Bonanza has been requested to ask the county commissioners to take up with the prison board a request for the convicts to work on the roads in this county as provided by the last legislature.

There is no money in the county funds to keep the long roads in good condition, the proportion allowed for this being entirely inadequate. The south so far has been overlooked on this program and many of our citizens are complaining.

CHRIS VUCANOVICH OPENS CAFE NEXT TO BUTLER

Chris Vucanovich has opened the Burro cafe next to the old Butler theater and will serve two specials daily besides short orders at all hours. A merchants' lunch will be served from 11:30 to 1:30 for which 35 cents will be charged, and a special dinner will be on from 4 till 7 for 50 cents.

Chris is an old caterer to the public in the good things to eat line, and all he asks is to be given a chance to please, and he will see that you go away satisfied.

Maconald and Moran, civil engineers, wish to notify that they can be reached by addressing Box 514, Oakland, or Box, 855, Tonopah 6 10 tf.

GHOST WALKS AT SEVERAL TONOPAH MINING COMPANIES

EMPLOYEES OF BELMONT, MIDWAY AND BUCKEYE-BELMONT TO ENJOY FOURTH.

Several of the local mines showed their interest in the town today and helped to make the Fourth a day of pleasure to their employes by handing out the pay checks for the labor performed for the month of June.

The mines that have been called to our attention to take this public-spirited action are the Belmont, Midway and Buckeye-Belmont companies, and, as a consequence, the men who are fortunate enough to be on the payrolls are going to have one grand and glorious Fourth.

The ghost also walked at the court house today and the county representatives will have lots of money for tomorrow.

NEVADA FEELS THE EARTHQUAKE

SPRINGS INCREASE IN FLOW AS A RESULT OF EARTH'S DISTURBANCE.

RENO, July 3.—Hot springs in the vicinity of Reno and Carson showed an increased flow yesterday as the result of the earthquake which caused great excitement in San Francisco and other coast towns. The increased flow in the springs was noticeable following the big earthquake of 1906 which partially destroyed San Francisco.

The shock was felt in Reno and Carson by a number of people. In the state capitol building several clocks were stopped, but no alarm resulted. In Reno the disturbance was felt but slightly.

Shortly after the bulletin of the tremor was posted telephone calls commenced to come into the newspaper offices and many inquiries were made as to the extent of the damage in San Francisco. Rumors were in circulation that many of the buildings had been thrown to the ground, but these wild reports were contradicted as fast as received.

TONOPAH HAS NO SYMPTOMS OF COLD FEET

GOLDFIELD FIRE TEAM IS CHALLENGED TO RUN HERE TOMORROW.

The Goldfield Tribune comes out in Saturday's issue with a vicious attack on the local fire laddies and accuses them of everything but of being on the square, and in headlines say that the Tonopah team has a case of "cold feet." The paper of the Southern city asserts that the local boys agreed to run a hose race there on the Fourth, but nobody in this camp who had any authority to arrange a contest of the sort ever made this agreement. Manager Murphy's first intimation of the race was the middle of last week, and he notified the Goldfielders that the boys felt it their duty to stay at home and contest for the local prizes.

Two years ago the Tonopah boys tried to get the fire department from Goldfield to race in this city on the Fourth, but the Goldfielders would not even answer the letters addressed them.

Today Captain Murphy called up Goldfield and told them that if they were of the impression that there was a case of "cold feet" to bring their little cart over here on the Fourth, along with the \$2 they had to contest for, and the local contingent would add \$200 more to it and they would get a race for the entire amount. At the time of going to press Goldfield is still deaf, dumb and blind. Our ads bring results.

ALL IS READY FOR THE BIG WRESTLING MATCH TONIGHT

Stanley Howsell Has Arrived and is in Fine Shape--Boxing Will Start at 8:30 and the Wrestlers Will Appear Later

Make the best man win!

All is in readiness for the big wrestling match tonight and the ten-round boxing bout at the Nevada theater, and the boxers will enter the arena at 8:30 sharp.

Stanley Howsell, the wrestler, arrived from Nevada City yesterday and was introduced at the baseball grounds, and at the New Butler theater by Manager Jake Goodfriend. Howsell is surely a sturdy looking lad. He is an Indian and has a good education, gentlemanly in his manners and interesting in conversation.

Prof. Braun is the only man who ever defeated him on the mat and

this was while the professor was representing the Olympic Athletic club of San Francisco, and this victory on the part of Braun came after one of the hardest mat battles ever pulled off in California.

Battling Irvin, the Goldfield boxer, arrived this morning from that city and will go ten rounds with King Pierce, the local boy. The Battler looks to be in the pink of condition, and Pierce says that he never was in the shape that he is today. Boxing fans can look for one of the best bouts ever pulled off in this city. Ladies are especially invited, as there will be no vulgarity.

CELEBRATION WILL BEGIN IN CITY TONIGHT

BIG PROGRAM IS NOW COMPLETED AND WILL RUN WELL INTO TOMORROW NIGHT.

Will we celebrate? Well, I guess we will. Tonight there will be wrestling, boxing and a big dance by the Miners' union. Tomorrow, we will commence to celebrate in earnest the 135th anniversary of our independence and the program as printed on another page of this issue will be carried out with few exceptions. The songs by the school children will be omitted, however, as young America failed to show at the school house for practice, and the teachers who have endeavored to get the children together feel quite disappointed that the youngsters took so little interest in the Fourth.

The balance of the program is expected to be carried through without a hitch. Quite a bit of interest is centered in the rings, which is an equestrian sport, and five are known to be entered in this event. A. M. Murphy, Gene Marty, John Hallahan, Will Hunter, Clyde Van Patten and Emile Roux have already announced their names as contestants, and it is expected that others may signify their intention of competing.

Foot races and other sports will be carried on all over town, also daylight fire works. In the evening there will be a big dance at the Miners' Exchange hall, at which the Butler orchestra will furnish the music, and \$1 will be charged for admission.

CARD OF THANKS.

We, the undersigned, through your daily paper, desire to express to President F. H. Burnham, of the Idora theater, our heartfelt thanks for his gentlemanly and courteous treatment and association during our employment with him and his associates. It is a pleasure to be employed by such a gentleman as Mr. Burnham, and as we leave Tonopah for Reno, our heartfelt thanks goes out to President Burnham of the Idora Theater company for his honest business transactions with us. (Signed) "THE ORCHESTRA, JONES J. VOSS, Leader, LLOYD SPENCER, Mgr. F. E. BALDWIN, Opr."

AN ARTISTIC WINDOW.

Tadich Brothers are deserving of special mention when one looks around at the many Fourth of July decorations. Their show windows are certainly a work of art when it comes to window dressing. Take a look at them.

Deputy Assessor John Miles was a passenger this morning for Owen River valley.

Mrs. James Morris and daughter, Miss Neita, were passengers yesterday for Reno and the coast, where they will spend a vacation.

GOLDFIELD TO SEE BIRDMEN TOMORROW

ONE MONOPLANE AND BIPLANE TO MAKE FLIGHT AT THE BALL PARK.

Goldfield is to hold the first aviation meet to be held in Southern Nevada tomorrow, and the live boosters of that camp are advertising the event broadcast. Their ad in this issue of the Bonanza announces that Schiller and Holmes will dare death in the air. The exhibition will be held at the ball park and an admission of \$1.50 will be charged for the birdmen and the baseball game.

There will be two machines on the ground, a monoplane and a biplane. The machines are of 35 and 50 horse-power and supposed to attain a speed of 50 miles an hour. If the flights are not made the managers of the event promise to refund half the money at the gates, and those gaining admission can witness the ball game.

The machines reached Goldfield yesterday and are being placed in readiness. The aviators have placed forfeit money in the event that they fail to fly.

GOVERNOR APPOINTS STATE VETERINARY

Dr. T. T. Richardson, formerly state veterinarian, was Saturday appointed to the position again by Governor Oddie. The appointment is made at the request of a large number of people of Fallon, who state that the horses of that section are suffering with the glanders and if something is not done at once it will result in great damage being done in rural sections.

LANGFORD WINS EASILY.

NEW YORK, July 3.—Sam Langford, the Boston negro heavyweight, knocked out Jack Fitzgerald, a Philadelphia "white hope," in the fifth round of a ten-round bout here last night. After the first round it became a question of how long Fitzgerald would last. Langford merely toyed with his adversary until the fifth round, when a right swing put Fitzgerald down for the count of nine, and on arising, a left hook to the jaw knocked him out completely.

Frank Darragh was a passenger this morning for Santa Cruz. Mr. and Mrs. Ceell Chapman left this morning for San Francisco. Fred B. Corle left this morning for Reno.

W. B. Ligon, formerly state auditor of Nevada, and J. C. Morton are in Tonopah in the interest of the Ocean Shore Development company.

HOKE SMITH AGAIN GOVERNOR.

ATLANTA, Ga., July 3.—Hoke Smith was Saturday inaugurated governor of Georgia for the second time during his life.
