

NYE COUNTY ASSESSMENT ROLL FOR YEAR 1911

The Nye county assessment rolls for 1911, as made up by the assessor and amended by the board of equalization, have been turned over to the county treasurer, and this official will commence the collection of taxes on next Monday, November 6. Already a great many taxpayers have made remittances to the treasurer, but these are being held in the vault until the date fixed by law for the issuance of official receipts, the same being the first Monday in November.

The rolls show an assessed valuation, in real and personal property, exclusive of diwids' exemptions, of \$4,778,914.84. The full amount of taxes to be collected in the county is \$118,802.41.

The above figures may be classified as follows:

Tonopah—Valuations: Realty, \$1,379,717; personal, \$219,178.29; total valuation, \$1,598,895.29. Rate, \$3.55 per \$100; tax to be collected, \$56,173.90.

Manhattan—Valuations: Real, \$180,105; personal, \$19,880; total valuation, \$199,985. Rate, \$3.20 per \$100; tax to be collected, \$6,460.95.

Rhyolite—Valuations: Real, \$264,704; personal, \$16,404.05; total valuation, \$281,108.05. Rate, \$3.60 per \$100; tax to be collected, \$10,137.17.

Round Mountain, Beatty and Pioneer—Valuations: Real, \$121,145; personal, \$17,099; total valuation, \$138,244. Rate, \$2.70 per \$100; tax to be collected, \$4,065.36.

Outside—Valuations: Real, \$1,312,579.74; personal, \$238,110.76; total valuation, \$1,550,690.50. Rate, \$2.70 per \$100; tax to be collected, \$41,965.02.

The assessed valuation of real and personal property in Nye county for 1910 was \$4,086,046.56; that for 1911, as shown above, \$4,778,914.84. Hence, the rolls show the very healthy increase of \$692,868.28 in the valuations of the county in 1911 over those of 1910.

EXCELLENT PLAY ON THE SCREEN THIS EVENING

POWERFUL NOVEL "FOUL PLAY"
WILL BE FEATURE AT
BUTLER TONIGHT.

Charles Reade's most dramatic and powerful novel, "Foul Play," will be the feature attraction at the Butler theater tonight, November 3, present in an extraordinary photoplay by the Edison players. The story will run forty-five minutes, three times the length of the average photoplay.

"Crazy Dope," one of the best comedies ever shown, will also be put on the screen. Another film which will create much interest and amusement will be the scenic picture of the "Australian Circus."

Tomorrow night, that much-heralded picture, "Maud Muller," from Whittier's poem, will be shown.

COLD WEATHER HAS ARRIVED IN MIDDLE WEST

KANSAS CITY, Mo., Nov. 3.—The predicted cold wave, bringing the lowest temperatures thus far of the season, settled over the Missouri valley and the southwest early yesterday. At 6 o'clock the lowest temperature in the district was zero at Heron, S. D. The mercury read 16 at Amarillo, Texas, at that hour and was two degrees below freezing at Memphis, Tenn. A light snowfall in the Texas Panhandle was also recorded.

Other temperatures at 6 o'clock were: Norfolk, Neb., 2; Kansas City, 18; St. Joseph, 16; Omaha and North Platte, Neb., 14; Springfield, Mo., 20; Dodge City and Concordia, Kansas, 18; Wichita, 20; Oklahoma City, 26.

PACIFIC FLEET MOBILIZING AT LOS ANGELES

LOS ANGELES, Cal., Nov. 3.—Reception for the officers and shore leave and entertainment for hundreds of sailors of the Pacific coast fleet was the program yesterday in connection with the mobilization of the fleet at Los Angeles harbor.

It was gold lace day for Admirals Thomas, Southland, their officers and automobile and shore-food day for the sailors. The sailors enjoyed the freedom the city and the savor of restaurant foods.

Citizens went in thousands to view the ships in their sombre gray. Visitors were permitted on board the vessels for an hour yesterday morning, and for an hour during the afternoon, and thousands took advantage of the privilege.

The fleet maintains its review formation in the harbor—a great rectangle of naval fighting machines, two and a half miles long and a mile wide.

Last night the officers of the fleet were guests at a ball given in Long Beach, while the searchlights of the warships cut eccentric patterns on the sky in a signal practice that lasted an hour and a half.

Tonight the same spectacle will be afforded landsmen. A barbecue tomorrow and more shore leave will wind up the recreation features of the fleet's stay in this harbor.

PNEUMONIA CLAIMS ACTOR AT SALT LAKE

ONE OF FOREMOST ACTORS OF
ENGLISH-SPEAKING STAGE,
EXPLORER AND AUTHOR.

SALT LAKE CITY, Utah, Nov. 3.—Kyrle Bellow, one of the foremost actors of the English-speaking stage, author and explorer, died here shortly after 5 o'clock yesterday morning of pneumonia, after a brief illness.

Mr. Bellow was taken ill last Friday, but although a portion of his Salt Lake City engagement was canceled, his illness was not considered serious until Wednesday morning, when congestion of the lungs set in.

The body will be started for New York at noon today (Friday), accompanied by the members of "The Moll U. S. C." company, in which Mr. Bellow was playing at the time he was taken ill.

IMMENSE CROP OF POTATOES ARE READY TO SHIP

SAM CRANE SAYS POTATO CROP
FOR SEASON WILL BE ABOUT
700 CARLOADS.

RENO, Nev., Nov. 3.—Sam R. Crane, who returned to Reno last night, said that the first train over the Nevada Copper Belt railroad pulled out of the terminus yesterday. It carried the first carload of gypsum, of which there will be 100 tons a day shipped regularly.

"There are hundreds of carloads of potatoes in Mason valley to be shipped out this season," said Mr. Crane. "At the present market price the spuds will bring \$612,500. The honey crop is also big and the demand is strong. Harvesting continues and the grain is of excellent quality."

Owing to the shortness of the season, there is not the usual yield of alfalfa, but there are cattle in plenty to consume it.

RECOVERING FROM ACCIDENT.

Pete Salvi, whose hand was badly crushed by an ore car at the Mizpah mine, causing it to be amputated last week, is doing nicely and will soon be around again.

WANTON BLOODSHED Murdering of Women and Children CONTINUES IN CHINA

Hankow Being Reduced to Ashes By Soldiers---Manchus Get Beyond Control of Leaders---Reports of Brutality by Imperialists Confirmed by Advices

PEKIN, China, Nov. 3.—The German legation yesterday received a wireless message from the vicinity of Hankow stating that the imperial forces are burning the native city of Hankow, and confirming Wednesday's report that the imperial troops massacred men, women and children during several days of fighting.

It is evident that the Manchu soldiers are infuriated over earlier Chinese successes and that they have got out of hand of their officers.

General Yin Tehang, who has been removed from his command at Hankow to become chief of the general staff, returned to Pekin yesterday.

Yesterday another edict was issued. It instructs the national assembly to "organize the Ta Ching empire's constitutional laws and submit them to us for consideration and issuance."

General Yin Tehang arrived yesterday afternoon, but there was no demonstration. The government's plan for bringing about peace moved forward rapidly yesterday, with the throne and the national assembly working together.

The throne ordered Yuan Si Kai, the new premier, to return immediately to Pekin, and simultaneously the national assembly, in its official capacity, telegraphed General Li Yuan Heng, leader of the revolutionists, requesting him to suspend hostilities pending the result of the endeavor to settle the differences of all parties.

PEACE TREATIES OF NO AVAIL, IS OPINION OF THEODORE ROOSEVELT

NEW YORK, Nov. 3.—Theodore Roosevelt has an article on "Arbitration, pretense and reality," in the current number of "The Outlook." It says in part:

"Surely the real friends of peace in this country ought to be able to profit by the events that have happened in China and in the Mediterranean during these very few months, since the arbitration treaty was considered in the senate.

"During these months we have seen a widespread revolt in China with utter disorganization of the empire and we have seen war unexpectedly break out between Italy and Turkey. In China there has doubtless been much excuse for the revolt because of tyranny and misgovernment and this tyranny and misgovernment have been greater than in any really civilized nation, and have an army very much less efficient than that of any other civilized power.

"As for the war between Italy and Turkey, I am not now concerned with its ethical justification. Personally, I believe that it is in the interest of humanity that Tri-

WET FEET DID NOT COUNT FOR THE MONEY

SEATTLE, Wash., Nov. 3.—Getting one's feet wet is not such an accident as qualifies the heirs of a person who dies of the effect of such a mishap to benefit under the workman's compensation act, which recently went into effect in this state. This is the ruling of the state industrial insurance commission on the claim of Mrs. C. F. Moore, whose husband, employed by the city on a sprinkling wagon,

Ask for Pardon.

SAN FRANCISCO, Nov. 3.—Advices were received from Canton yesterday by the Chung Sai Yat Po, a newspaper, stating that Viceroy Chang Ming Chi of that province had wired a memorial to the prince regent, asking for the pardon of Wang Ching Wei, who has attempted to assassinate the prince last spring.

Pardon to the prisoner, he said, would go far to placate the people and to show the liberal attitude of the government toward the republicans.

Full pardon was also asked for the revolutionary general, Li Yuan Hung.

According to a message from Canton to the Chinese Free Press yesterday, General Li has absolutely refused to consider peace offers unless the Manchu dynasty yields the throne to the republicans.

Revolutionists are said to occupy all the railway stations near Hankow and to have inflicted a loss of more than one thousand men on the imperial battlefield.

The imperial government is reported to have given in to all the demands imposed by the army league, composing five garrisons in neighboring parts.

ALL JOY; NO GLOOM; OH, YOU ELKS

Tomorrow afternoon the Tonopah Elks and Elks from everywhere will leave Tonopah in a dozen automobiles bound for Manhattan, the coming gold camp of Nevada. All of these Elks are joy fellows and have been invited by the stray Elks of Tonopah lodge, No. 1062, B. P. O. E., residing at the Pine Tree camp, to visit them, as they are getting lonesome and long for a good old Elk "high jinks."

Sixty, and now it looks like several more, members have signified their willingness to journey to our sister camp and "drink and be merry" with their brothers at a smoker tomorrow evening. The program will be interesting and amusing.

The Manhattan bunch wired this afternoon that everything was in readiness and that they were awaiting the coming of their brothers.

It is safe to predict that every auto in Tonopah will be pressed into service tomorrow. The fun commences at 8:20 p. m. sharp.

POLO PLAYER KILLED.

SANTA BARBARA, Cal., Nov. 3.—John Cross, a well known polo player, fell with his pony while engaged in a game yesterday and suffered injuries that resulted in his death shortly afterward. He was hastily taken to a hospital but all medical aid could avail nothing.

GENERAL REVISION OF RAILROAD RATES IS NOW PREPARED

GENERAL CHANGES HAVE BEEN
DECIDED UPON AND WILL BE
MADE PUBLIC.

CHICAGO, Nov. 3.—A general revision of railroad rates in western and southern territories has been prepared and will be made public early in December.

Work on this readjustment of the present classifications has been in progress for the last three years. Numerous changes have been made with a view to securing a uniformity of description of articles, also uniformity in rules and minimum weights as far as possible.

The new classifications have been arranged by the various classification committees, composed of rate experts of the different railroads represented in the three territories into which the United States has been divided.

It is proposed to make the new rates effective about February 1.

About five thousand articles are affected by the new classifications—some reductions and some increases. The increases are principally on minimum weights.

M'NAMARA TRIAL MOVES SLOWLY

LOS ANGELES, Nov. 3.—Five Talesmen were excused, one after another, in the McNamara murder trial yesterday. The case of Talesman Louis A. Wilhelm furnishing the greatest excitement for counsel. Before being excused because of his disbelief in circumstantial evidence, Wilhelm led opposing counsel an exciting chase after the state of his mind toward James B. McNamara, on trial for the murder of Charles J. Haggerty, who was killed in the Los Angeles Times explosion 13 months ago.

SHIPOAD OF SOLDIERS FROM MANILA TO CHINA

MANILA, Nov. 3.—Chinese veterans of the war with Japan are preparing to send a shipload of soldiers from Manila to China. Nearly all the old Chinese soldiers who are employed in or near Manila have been marshaled to the cause, and are holding daily drills. Three companies of trained men are ready to leave.

EVERY MILE OF S. P. TRACKS HAS A GUARD

SANTA BARBARA, Nov. 3.—More than four hundred men, according to advices received here yesterday, are patrolling the Southern Pacific and Los Angeles for the purpose of preventing attempts to destroy property and lives by the use of dynamite. The company has practically one man for every mile on the coast division, with particular care being taken on that section between Santa Barbara and San Luis Obispo. The action of the railroad follows the two attempts within two weeks to wreck trains within 25 miles of Santa Barbara.

The first attempt was made at El Capitain, being a few hours before the presidential train passed over it, and the second on last Thursday night, when 75 sticks of dynamite were placed in the frogs of a switch at Elwood station. The dynamites have been so bold of late that the railroad has placed the army of track walkers on duty for the protection of the lives of the traveling public.

MACNAMARA MILL.

The construction of the MacNamara mill is rapidly nearing completion. The gallow's frame is in place and the shive wheels will be put in place tomorrow. It will not be long, if the balance of the machinery continues to arrive in the near future, as it has in the past month, before the mill is ready to drop its stamps.

ARRESTED FOR BEATING HIS BOARD BILL

Deputy Constable William Walker left for Rhyolite this morning to chaperon one Mike Ricovich to Tonopah. He was arrested at Rhyolite yesterday afternoon on complaint of a cousin, who resides here and conducts a boarding house. Mike left for the climes of the City of the Angels, forgetting to settle his board bill with his cousin.

ROGERS NEAR THE END OF HIS LONG FLIGHT

TRANSCONTINENTAL AVIATOR
EXPECTS TO REACH DESTINATION THIS WEEK.

MARICOPA, Ariz., Nov. 3.—With less than 90 miles or a little more than two days' flight under favorable circumstances between him and his goal, C. P. Rodgers, pioneer transcontinental aviator, prepared yesterday to enter upon the last lap of his long flight which has brought him overhead from New York and which, barring mishaps, will land him ultimately at Pasadena, Cal.

Rodgers spent the night at Maricopa. He planned to start early for Phoenix, where he was scheduled to give an exhibition flight before resuming his flight west. He said he would limit his stay in Phoenix to such time as required to fulfill his contract for a flight there and would then return to Maricopa, turning westward and following the Southern Pacific tracks to Yuma.

PHOENIX, Ariz., Nov. 3.—Aviator Rodgers arrived in Phoenix at 10:30 o'clock yesterday morning, having made the trip from Maricopa by the way of Tempe, a total distance of 33 miles in 48 minutes.

Watched by a large crowd, Rodgers passed over the city looking for a good landing, which he finally found at the fair grounds. He left Phoenix shortly after noon, essaying the task of crossing the base Salt River mountains to the southward to avoid a 20-mile detour along the railroad tracks back to Maricopa. He passed over the mountains at a height of not less than 5000 feet.

Roger Knox, after spending a week in Tonopah and Goldfield examining our big producers, departed for Tuolumne county, California, this morning, where he is manager of the famous Black Oak mine
