MANY RECORDS ARE LOWERED BY RACERS

THANKSGIVING DAY EVENTS ARE DRAWING CARD FOR THOUSANDS.

RACE COURSE, SAVANNAH, Dec. 1.—David Bruce-Brown, the 24-year-old millionaire, yesterday won his second grand prize race. This year he scored his victory in an Italian Fiat car, defeating Eddie Hearne, another young millionaire, driving a German Benz, in which Bruce-Brown won last year's race. Hearne finished less than a minute behind Bruce-Brown. Ralph De Palma finished third in his French Mercedes car.

The winner's time was 33:1-29.13; Hearne's time was 33:34-07; De Palma's time was 33:40-80. Average speed of today's race was 74.45 miles, against 70.55 in last year's grand prize race.

The third international road race for the grand-prize of the Automobile Club of America, run here today, was open to all cars of American and foreign manufacture. The winner of the event not only captured the \$5000 gold trophy, but also won approximately \$20,000 in prize money.

The race, covering a distance of 411.36 miles, required the circling of the grand prize race course of 17.14 miles 24 times.

The 16 cars entered in the event started at intervals of 30 seconds. The entries were as follows:

Louis Wagner, Fiat; L. A. Disbrow, Pope Hartford; Charlie Basle, Buick Hundred; I. A. Mitchell, Abbott-Detroit; Ralph Mulford, Lezier; Bob Burman, Marmon; Eddie Hearne, Benz; David Bruce Brown, Fiat; Harry Cole, Buick Hundred; Carl Limberg, Abbott-Detroit; Cyrus Patschke, Marmon; L. A. Bergdoll, Benz; Caleb Bragg, Fiat; Spencer Wishart, Mercedes; Ralph de Palma, Mercedes; Victor Hemmery, Benz.

CRACK SHOTS LEFT BUT FEW TURKEYS

The turkey shoot was well attended yesterday, but the crack shots did not take away all the turkeys with them. Eight birds have been given a lease on life until Christmas, when the gun club will hold another shoot. Fifty birds having been ordered for another contest. The public library will receive a snug sum as their share of the profits.

CHECK FORGER PLEADS GUILTY TO THE CHARGE

Sheriff Malley arrived on yesterday morning's south-bound train with Felix L. Fleur, the man who disposed of several forged checks on Tonopah and Manhattan business men. When Sheriff Malley arrived at Suisun he learned that his prisoner was wanted at Crockett, about 30 miles from Suisun for turning the same trick as he did here. Fleur has six aliases, and was going under the name of Baldwin when arrested. He was employed in a cement works at that city. All of the jewelry he had purchased here with his bogus paper he had disposed of and had pawned the suit of clothes he secured at Morrow & Hussey of this city, but Sheriff Malley redeemed them and has them for evidence against the wily culprit. Fleur stated that he knew the jig was up with him and the sooner it was all over the better; that he did not desire to put the county to any expense, evidently meaning he would plead guilty and take his medicine.

This morning he was taken before Judge Averill and being without counsel the court appointed H. R. Cooke to defend him. The pris-

FOOTBALL GAME THANKSGIVING WAS GREAT

The last game of the season in football between Goldfield high and Tonopah high was played on the Tonopah gridiron yesterday. The game was called at 1:15 and was one continuous struggle until the time-keeper signalled "enuff." Four 15 minute quarters were played with the usual three minute intermission between the quarters. A ten-minute intermission was given between second and third quarter. The game was full of excitement, many errors being made on both sides. Goldfield kicked off to Tonopah; Tonopah advanced the ball to the goal line, putting Flood over for the first touchdown; Tonopah missed goal. Score, 5 to 0. In the second quarter O. B. Harrington kicked a field goal, making the score 8 to 0. In the last quarter Tonopah made another touchdown by F. B. Pengelly intercepting a forward pass and making a spectacular run of 35 yards. Harrington kicked the goal, making the score 14 to 0 in favor of Tonopah.

Goldfield made some good gains on forward passes and finding that that was the only way they could make any gains, they attempted very few plays in the last half except forward passes. The Tonopah eleven soon broke up these and proved themselves the superior team. This gives Tonopah beyond question the championship of the state in football, as Reno plays nothing but Rugby. Much credit is due the coach, Superintendent A. H. Yoder, and assistant coach, Prof. Joseph Scott for the faithful coaching of the squad.

Goldfield, playing their ends out, were unable to check Tonopah's halfbacks in carrying the ball around tackle for end runs. A large crowd of cheerful spectators were on hand to witness the struggle. Nothing but words of praise are heard on the streets today for the excellent showing made by the Tonopah squad. The following was the line-up for Tonopah: Right guard, Lutz; left guard, Harma; right tackle, Farrell; left tackle, Nelson; center, Fowler; right end, Doherty; left end, J. Harrington and Johns; quarter, L. Harrington; right half, Flood (captain); left half, Butler; fullback, Pengelly; referee, Long, Goldfield; umpire, Hauge, Tonopah; field judge, O'Connell, Tonopah; timekeeper, Dr. McDonnell of Tonopah.

KILLED BY AN AUTOMOBILE.

CAMBRIDGE, Mass., Dec. 1.—Walking beside their father and helping him to trundle a barrow loaded with wood for the Thanksgiving fireplace, Harry Rouff, aged 14, and his brother, John, aged 7, were struck and killed by an automobile on the Charles river esplanade late Wednesday night. The father, John Rouff, was fatally injured. The driver of the truck is held in \$5000 bail on a charge of manslaughter.

The esplanade was dimly lighted and the accident is said to have been due to that fact.

oner and his attorney will appear in court tomorrow morning at 10 o'clock and plead to the complaint of forgery. It is believed he will plead guilty and throw himself upon the mercy of the court.

James B. McNamara Pleads Guilty of Murder Through Los Angeles Times Dynamiting--John J. Pleads to Destruction of the Lewellyn Iron Works--Will Be Sentenced December 5th.

LOS ANGELES, Dec. 1.—One of the greatest sensations of the day occurred here this afternoon when Attorney Darrow, who is defending the McNamara brothers for murdering James Haggerty, an employe of the Times when the building was blown up October 1, 1910, arose and stated to the court that he had a statement to make and that James B. McNamara, charged with the murder of Haggerty, withdrew his plea of not guilty and pleaded guilty to the crime charged against him, and John J. McNamara, the brother, pleaded guilty

to the destruction of the Lewellyn Iron Works at Los Angeles. The cause of bringing the trial of James McNamara to a sudden close was the expose of jury bribing by the defense, and the guilty parties caught in the act, thus demoralizing the defense and the outcome for the McNamaras being tried would result in their paying the death penalties for the atrocious and cold blooded crime, when sixteen men lost their lives by the dynamiting of the Times building. The prisoners will appear for sentence at 10 o'clock Tuesday morning, December 5.

THREE AMERICAN PRELATES HAVE BEEN GIVEN RED HATS

ROME, Dec. 1.—The concluding and most impressive ceremony connected with the creation of new cardinals occurred yesterday morning at the great public consistory at the vatican when fourteen princes of the church, including the three American prelates, Cardinals Falconio, Farley and O'Connell were invested with the red hat indicating their rank.

From early morning an immense stir was visible all over the city, the places of residence of the new cardinals being centers of attraction. Much attention was focused on the movements of the American cardinals, and large crowds gathered around the doors of the hotel Britol to see Cardinal Farley enter his carriage; about the Hotel Quirinal, where Cardinal O'Connell is

stopping, and about the monastery of San Antonio, where Cardinal Falconio rests with his brother Francis Monks.

Thousands of people also gathered on balconies and roofs and along the streets to witness the passing of the cardinals, the great clerical nobles, the ambassadors and the guests invited to attend the ceremony in the vatican. Inside the vatican unusual excitement was evident, as for four years no consistory had been held and for centuries not so many creations had occurred at one time.

Every available space in all the rooms and corridors along which the papal procession was to pass and in the hall of beatification, where the consistory was to be held was occupied at an early hour.

ANOTHER BANKER INDICTED FOR EMBEZZLING BIG SUM

FAIRBANKS, Alaska, Nov. 30.—Seven indictments charging embezzlement were returned by the federal grand jury Saturday against E. T. Barnette, formerly president of the Washington-Alaska bank which failed January 4 with liabilities of \$900,000 and whose depositors have received 50 per cent in dividends. Barnette is in Los Angeles and is supposed to have been arrested there yesterday. A warrant was telegraphed last Monday.

SEATTLE, Wash., Nov. 30.—According to an associate of Captain E. T. Barnette, the latter was arrested in Los Angeles yesterday and released on \$300,000 bail. Barnette is a millionaire and makes Los Angeles his winter home.

When the Washington-Alaska bank of Fairbanks failed last January the receiver found that among its assets was stock of the face value of \$341,000 in the Gold Bar Lumber company of Gold Bar, Snohomish county, Wash. This stock was not salable and had been pledged with the Dexter Horton bank of Seattle as security for a loan. Two days after the failure the United States court at Fairbanks ordered the refunding of \$27,000 which had been accepted from depositors after the officers of the bank knew suspension was imminent.

On January 12 gold dust and currency valued at \$101,000 was seized at Cordova while in transit from Fairbanks to Seattle. It was

consigned from the Washington-Alaska bank to the Dexter Horton bank and was levied on by order of the United States court at Fairbanks and returned to the custody of the court.

After the failure Captain Barnette went to Fairbanks and gave a personal pledge of his fortune to guarantee the payment of depositors. Negotiations between the receivers and Barnette have been in progress ever since. On November 18 depositors received their third dividend of 16 2-3 per cent, making 50 per cent in all and were given to understand that practically all the good assets of the bank had been turned into cash.

LOS ANGELES, Nov. 30.—E. T. Barnette, formerly president of the Washington-Alaska bank, who was arrested in Los Angeles on a telegraphed warrant was free today, having given \$3000 bail when he was arranged before United States Commissioner Van Dyke. His preliminary hearing was set for December 27.

BANKER PLACES DUMMY PACKAGE AT DESIGNATED PLACE —ARREST RESULTS.

SEATTLE, Dec. 1.—A man giving his name as T. F. Breezer was arrested by the police tonight when he went to a secluded spot to get a package supposed to contain money demanded in blackhand letters sent to E. W. Andrews, president of the Seattle National bank.

The letters demanded that Mr. Andrews place a package containing \$2000 behind a mail box at Seventh avenue and Union street. When the first letter was received Mr. Andrews ignored it, but when a second one came yesterday he consulted with Captain of Detectives Charles Tennant and it was decided to lay a trap for the man.

Accordingly Mr. Andrews followed the instructions given in the letter and placed a dummy package behind the mail box promptly at 8 o'clock. Detectives were posted where they could watch the package and Mr. Andrews walked away.

A man appeared soon and loitered near the mail box. He started to pick up the package several times, and finally grabbed it and put it in his pocket. He was immediately seized and taken to police headquarters, where he said his name was T. F. Breezer and that he came to Seattle several months ago. He is 28 years old and said he was employed as book-keeper by a coal company. Breezer denied having written the letters, but a search of his room revealed a package of notepaper corresponding to that on which the threatening letters were written.

The first letter, dated November 27, instructed Mr. Andrews regarding the placing of the money and warned him not to hesitate or to inform the police. It was signed "The Committee," and contained the following postscript:

"We are new to Seattle and our motto is death if you double-cross us. So beware."

The second letter warned Mr. Andrews that he made a big mistake in ignoring the first letter and stated that he would be given one more chance. The letter said that if he failed to leave the money at the designated place by 8:30 tonight he would surely suffer. "We will get you wherever you are," concluded the note. This was also signed "The Committee."

So far as the police have been able to learn no one besides Breezer was implicated in the scheme.

HIGH SCHOOL ENTERTAINS GOLDFIELDERS

Last night the boys and girls of the Tonopah high school entertained their Goldfield student guests, who journeyed from the gold camp yesterday to participate in the football game and root for their home team, with a banquet and social hop at the Knights of Columbus hall. About 100 big and little folks were present to enjoy themselves among the victor and the vanquished. A very enjoyable evening was spent in dancing and at 9:30 o'clock all adjourned to the banquet hall up-stairs and did justice to a sumptuous repast spread for the occasion. Professor Yoder acted as toastmaster and many were the responses from young and old. The gentleman and lady visitors returned to Goldfield this morning, all as happy as larks.

Mrs. C. W. Spencer of Goldfield spent yesterday with her husband in this city, returning this morning.
