## TONOPAH'S 4th OF JULY

Glittering, Gorgeous, Grand,  
Pleasant, Pleasing Pageants  
Perfectly Presented.

Greatest and Most Patriotic Celebra-  
tion Ever Held Is Planned---Two  
Days Full of Unalloyed Fun,  
Frolic and Frivolity.

Three Cheers for the Red White  
and Blue!

Hip! Hip!! Hurrah!!!  
Tonopah will have this year the  
best and biggest celebration that  
has ever been held in the west.

The towns of Millers, Manhattan,  
Round Mountain, Blair, Goldfield,  
Wabuska, Reno, Sparks, Carson,  
Virginia City, Winnemucca, Elko and  
Ely, to say nothing of some of the  
smaller camps, are expected to  
unite with Tonopah who will  
show the world what a real Fourth  
of July celebration is and the pro-  
gram that was outlined last night is  
one that will furnish amusement for  
old and young and it is safe to say  
that the event will be one that  
will attract the attention of many  
of the Eastern cities.

In pursuance to a call, eighty of  
the leading citizens met last night  
at the office of Harry Epstein and  
selected officers to carry out the  
work in hand and all those who at-  
tended the meeting are live ones,  
the spirit of making this the great-  
est celebration that has ever been  
held was shown by all and the work  
was started as soon as the meeting  
adjourned. It is the intention of  
the different committees to have  
something doing from early in the  
morning of the 4th until late at  
night of the 5th and the events  
that have been outlined will prove  
to the world that when Tonopah  
does anything she does it in a man-  
ner of which to be proud. Never in  
the history of the camp has such  
enthusiasm been shown and while  
Tonopah is now the center of at-  
traction in the mining world, be-  
fore the celebration come to a close  
she will be the city of which every-  
one in the United States will be  
talking.

Part of the program includes a  
grilling contest and the prize that  
is offered will be sure to bring the  
best bammersmen in the country to  
Tonopah; while the aviation meet  
will be an attraction which will  
bring trowds from the outlying dis-  
tricts. The broncho busting will be  
a feature that will please many  
and already the owners of many  
"bad ones" have been wired to in  
order that the crowd may have an  
opportunity to see just what a bad  
horse really is.

The tug of war will cause many  
a dollar to change hands and the  
teams when notified this morning  
all expressed their desire to go into  
training at once in order that they  
might be in the pluck of condition.  
A handsome purse has been offered  
to the winning ball team and the  
contest between Esmeralda and Nye  
counties should bring to light many  
near, if not quite, champions. The  
horse race will show what the fire  
laddies can do while the devotees of  
motor cycles will have a chance to  
show what real speed is and the  
way that the Manhattan boys are  
riding will make some of the  
others hustle. The horse race will  
bring out many speedy nags and  
the prize offered will be large  
enough to buy oats all summer.  
The Cornish wrestling match will  
show what the boys from across  
the water can do. The contest for  
roping and tying steers will show  
how expert the men of Nevada are.

The music committee has prom-  
ised that they will furnish all the  
music that is needed and they have  
wired for some of the latest selec-  
tions. It is not possible at this  
time to give the program in its en-  
tirety but many other features will  
be announced in the next few days.

The little folks, both boys and girls,  
will have a chance to win hand-  
some prizes in the events which  
have been arranged for them.  
This is Tonopah's boom year and  
the celebration will be the BIGGEST  
celebration  
The parade will show many hand-

somely decorated floats both from  
the business men and the members  
of the fraternal organizations and  
the town will be illumined by myr-  
iads of electric lights. The commit-  
tee has arranged that the ladies  
will be shown the best time of  
their lives.

The officers elected last night  
are: Chairman, Ed Malley; vice  
chairman, J. A. Buchanan; secre-  
tary, Chauncey L. Booth.

Finance committee—W. W. Charles,  
chairman; Messrs. Ballet, Harris,  
Shilling, Gori, Weir, Clark and  
Hawkes.

Program—J. Goodfriend, chair-  
man; Messrs. Conley, Gori, Murphy,  
Ballet, Clark, Robb, Sanders and  
Enquist.

Publicity committee—J. A. Bu-  
chanan, chairman; Chauncey L.  
Booth, secretary; Messrs. Blumen-  
thal and Conley.

In addition to the above named  
committees others will be appointed  
from time to time.

The Goddess of Liberty will be  
one of the features of the time be-  
fore the celebration commences and  
many of our charming ladies will  
be sure of getting many votes.

The Bonanza will from time to  
time tell what additions are made  
to the program already arranged.

Tonopah extends to the State of  
Nevada and to the rest of the west  
a most cordial invitation to join  
her in this the biggest and best ce-  
lebration ever held.

The different committees appoint-  
ed last evening will meet tonight  
with the business men's association  
at the office of H. E. Epstein, on  
Brougher avenue, when the matter  
of finance will be taken up and the  
celebration will be generally dis-  
cussed.

### R. V. JONES ENTERED ETERNAL SLEEP YESTERDAY

R. V. Jones, father of Mrs. M.  
A. Williams, died at the home of  
his daughter on Ellis street Sunday  
morning at 1:30 o'clock. The cause  
of his sudden demise was a gen-  
eral breaking down on account of  
old age. Mr. Jones was born in  
Palmyra, Mo., in 1837 where he  
spent the greater part of his life.  
The last few years he has made his  
residence in California and Nevada  
with his daughters. About eighteen  
months ago he came to this city  
and has since resided with his  
daughter and son-in-law. He leaves  
to mourn his demise one son, J.  
Jones, of Denver, and three daugh-  
ters, Mrs. G. A. Hergett, of Sacra-  
mento, Mrs. B. S. Carson, of Butte,  
and Mrs. M. A. Williams of this  
city. Mrs. Hergett was telegraphed  
to that her father was seriously ill  
and started at once to this city  
from Sacramento, arriving here yester-  
day morning a few hours after  
her father had passed away.

of Wagoner & Hall. Interment  
was made in the City cemetery.

SAN DIEGO, June 3.—  
Federal Secret Service men, it  
is known today, are in San  
Diego gathering evidence con-

the I. W. W. here. Following  
the announcement that the I.

come normal. The vigilantes  
have entirely ceased operations  
and the detectives of the local  
police force have discarded  
their uniforms.

### TAFT HAS ELEVEN DISTRICTS IN OHIO

COLUMBUS, Ohio, June 3.—The  
Taftites will have the control of  
the new state committee. They have  
won eleven districts. The Roose-  
velt men won ten of the 21 dis-  
tricts.

Meetings preliminary to the state  
convention are now being held.

COLUMBUS, Ohio, June 3.—Sen-  
ator Burton, temporary chairman,  
made the opening address at the  
Republican state convention here to-  
day. He eulogized the present ad-  
ministration and urged a tariff re-  
vision. He lauded the Payne tariff  
bill and approved the modified form  
of the initiative and referendum in  
direct primaries. Burton did not  
mention Roosevelt throughout his

ressman Berger filed with the De-  
partment of Justice today affidavits  
attacking Judge Hanford judicially

opinion with personal affidavits at-  
tacking his moral character and will  
introduce a house resolution asking  
Hanford's impeachment."

### ROOSEVELTERS BOLT CONVENTION IN ARIZONA

CHICAGO, June 3.—Alexander  
Revell, chairman of the Roosevelt  
national committee, issued a state-  
ment today indicating that the  
Rooseveltters would bolt the con-  
vention if the Taftites are in con-  
trol. It means by this that Roose-  
velt followers are unfair. When  
asked if Roosevelt planned the bolt,  
if unfairly treated, he replied: "He  
may put his own construction on  
that."

### GOVERNOR JOHNSON HAS NO VICE-PRESIDENCY ILLUSION

SACRAMENTO June 4.—In spite  
of the fact that progressive news-  
papers in many parts of the state  
are boosting Governor Hiram W.  
Johnson for vice presidency on the  
republican ticket with Roosevelt,  
it is stated in official circles here  
today that the governor himself  
has no such illusion. The Gov-  
ernor, it is said, is anxious to have  
his name whopped for the vice-  
presidency by the press, because  
of the advertising it will give him  
in Chicago, with a view to getting

### SCHOOL PLAY AT NEVADA THEATER TOMORROW NIGHT

A certain young man of this town  
is very much worried over the pos-  
session of a negro baby. The young  
fellow, Jobson by name, to help a  
friend out, stole the baby out of  
a carriage on one of the main  
streets of the town. He thought to  
return it in a short while, but on  
his return with the young chocolate  
drop found the carriage gone and  
now can find no trace of the par-  
ents. In the meantime he is very  
busy keeping the youngster still by  
holding a pillow over its face to  
stifle its yells. This method of  
treatment we believe is good for  
neither the pillow or the child. If  
any one would like a job looking  
after the amiable young chunk of  
charcoal and is willing to take the  
chances on the wrath of a dusky  
matron who in all probability will

### JUSTICE COURT CASES POSTPONED

In the justice court this morning  
the case of James Herald was called.  
Herald it will be remembered,  
was arrested on the charge of strik-  
ing Bell Grader, who presented a  
bill for "room rent due" several  
days ago. Owing to the fact that  
several witnesses for Herald are  
teamsters and are at the present  
time out of town, the case was  
again postponed until Thursday  
morning. In the meantime Herald  
is out on bonds.

The case of State of Nevada vs.  
John McGraw, charged with assault  
with intent to kill, was called this  
afternoon at 3 o'clock but on ac-  
count of the complaining witness  
being unable to appear the court  
postponed the hearing until Wed-  
nesday morning.

Jules Smith, wife and son, Al  
Vincent, S. Flosche and Dan Mc-  
Neil left Saturday evening for  
Smoky Valley, where they spent  
the day. They autoed over in the  
new cars recently purchased by  
Messrs. Smith and Vincent.

### DICKERSON FORCES CONTROL DEMOCRATIC CONVENTION

Will Run Steam Roller Over Democrats Who  
Favored Oddie In Last Election--New-  
lands Asks That His Name Not Be Pre-  
sented as Delegate to National Conven-  
tion.

(Special to The Bonanza.)

FALLON, Nev., June 3.—The  
Democratic state convention was  
called to order here this morning at  
11 o'clock by Senator Clay Tallman,  
chairman of the Democratic state  
central committee. After the differ-  
ent committees were appointed a  
recess was taken until 5 o'clock this  
afternoon. It is apparent that the  
Dickerson forces are in control and  
will run the steam roller over all  
of the Democrats who favored Gov-  
ernor Oddie at the last state elec-  
tion. A fight is on between two fac-  
tions, the Clark and Wilson. Sen-  
ator Newlands, who was stated by  
the Wilson followers as a possible  
delegate to the national convention  
at Baltimore has asked that his  
name be not presented as it is his  
firm conviction that Woodrow Wil-  
son "best voices the present de-  
mands of American Democracy" but  
recognizes the fact that the prefer-  
ence primary in Nevada has result-  
ed in favor of Speaker Champ  
Clark. It is made plain that the  
attitude of Senator Newlands is not

### Federal Grand Jury Probing I. W. W. Case

LOS ANGELES, June 3.—  
Although it was announced  
that the federal grand jury  
would resume its probe of the  
activities of the I. W. W. Fri-  
day, Assistant United States  
District Attorney Dudley Rob-  
inson in charge of the inquiry,  
declared today that the jury's  
attention will be occupied by  
matters until Tuesday. He de-  
clared that the delay is in any  
way connected with a report  
that Attorney General Wicker-  
sham has authorized a similar  
investigation in San Diego.

### PEARL DIVER MISTAKES TONOPAH FOR A SEAPORT

Saturday, in the justice court,  
William Rhodes, was ushered before  
Magistrate Atkinson by Chief of  
Police Smith, on the charge of vag-  
rancy. When asked his occupation  
by the court the knight of the  
"Rhode" told of having been em-  
ployed by different mining compa-  
nies throughout the state, but on ac-  
count of his fondness for the "cup  
that cheers," he had fallen by the  
wayside, and was taken into cus-  
tody by the ever accommodating po-  
lice department of this city. Chief  
Smith testified that he had follow-  
ed the prisoner for several blocks  
and had witnessed him begging for  
money from several of the Tonopah  
business men. The court again  
asked the prisoner his occupation, who  
replied that he was a "Pearl diver."  
This was a new one on the judge  
who told the "diver" that this  
was not a seaport town, but an oasis  
of the desert, and that instead of  
sentencing him to the county jail for  
a short term he would give the  
offender until 4 o'clock to "make  
tracks" and suggested that he beat  
it for Reno where "Pearls" were  
numerous. He went.

### TAFT WELCOMES GERMAN CRUISERS

SOPHOMORE, Va., June 2.—Pres-  
ident Taft aboard the Mayflower to-  
day welcomed the German cruisers  
Wolke, Frauen and Statia, when  
he met eight American friend-  
ships now in Hampton roads.  
Vails were exchanged. All of the  
German officers will visit Wash-  
ington tomorrow.
