THE GERMAN TAILOR

"Again on Deck"

George Schmid

now located on Mineral street, directly in rear of the Butler theater. First class tailoring. Suits cleaned and pressed. We still retain our reputation for turning out high-grade tailor-made suits. Now ready with summer and fall styles.

AMUSEMENTS

The show at the Butler tonight is one that will please every one. There will be four high-class pictures and two good vaudeville acts. The pictures are, "The Girl With the Lantern," a wonderful railroad picture and sure to please. "The Tin Can Rattle" is one of the funniest comedies produced by the Lubin company and the mere name of Lubin is a guarantee that you will get your money's worth. "Sing See and the Bad Man," Pathe, has reached the limit of high class photoplay production in this subject. "Under the Flag of Truce," a great Kalem production. Rand and Baron, who have kept the house in an uproar ever since they opened here, will be seen again tonight in their clever comedy act. Smith and Austin, musical comedians, will also be seen this evening and are sure to please again as they responded to encore after encore last night and from all indications there will be large houses tonight to witness these two clever acts. The first show starts at 7 sharp.

"TONOPAH"

On the rim of the Desert Nevada By the glittering, heat-ridden plain,

Is progressing a struggle Titanic, A battle of hardship and pain.

For in spite of the chill snows of winter,

Or the deadening mid-summer heat,

There dwells a breed on the desert, That will conquer the phantom Defeat.

O'er the shock of her recent disaster

Far out on the edge of the desert Where to plan is to do and to dare, They have burned their bridges behind them, And throttled the Monster Despair.
