STRONG UNION ADVOCATE MAKES ANNOUNCEMENT

FREDERIC BROADWELL SEEKING DEMOCRATIC NOMINATION FOR ASSEMBLY

Frederic Broadwell, democratic candidate for the nomination for the assembly, whose announcement appears in this issue of the Bonanza, needs no introduction to the people of Tonopah. Mr. Broadwell is a strong union advocate and was one of the organizers of the Tonopah labor council. He has also served throughout the state at the head of various union organizations, and in every instance has been found to be upright and reliable.

Mr. Broadwell has resided in Tonopah for the past nine years and during that time has been engaged either in business or mining. At the present time he is following his vocation of painter and paper hanger. His reputation as a business man is such that he can be depended upon to work for the interests of this country, should he be nominated and elected to the office he is now seeking.

Mrs. Henry McMahon and son, Harry Morgan, after spending a few weeks visiting in Tonopah, returned to their Round Mountain home today.

AMUSEMENTS

Butler Theater
 The most sensational film ever thrown upon a motion picture screen will be seen at the Butler theater this evening. It is entitled "A Nation's Peril," and depicts the explosion of a submarine mine, throwing thousands of tons of water into a column 90 feet high and carrying aloft the shattered fragments of a battleship's tender carrying the spies. It is a great big gripping drama of patriotism, love and intrigue, carried on under the very eyes of Uncle Sam in one of the enormous United States coast artillery forts.

The film was made at enormous cost by the Pathe company and the thrilling scene where the boat with its human cargo is blown into atoms is so realistic as to fairly make the person witnessing it shudder. Also "The Schoolteacher and the Wolf," a Biograph drama featuring little Mary Pickford and an Essany comedy, "Billy and the Butler," a scream.

DOBROWSKY TO HAVE NEW STORE IN FEW WEEKS

NEW LOCATION WILL BE IN BUILDING OCCUPIED BY TONOPAH INVESTMENT CO.

Ernest Dobrowsky, the local jeweler, will soon move his establishment from the Tonopah drug store, to the building now occupied by the Tonopah Investment company, and formerly occupied by Mrs. Cecile Munn of the Shop of Swelldom. Mr. Dobrowsky purchased the fixtures for his new establishment during a recent visit in San Francisco and the same have arrived in Tonopah. The work of remodeling the interior of the new location will start at once and when completed before the first of the month, the shop will present an appearance that would be creditable to a city twice the size of Tonopah.

---how much Is A "Regular Customer" Worth to Your Store?

Suppose you could BUY 100 additional REGULAR CUSTOMERS during the next week or two—customers who, for years and years to come, would make a MAJORITY of their purchases of goods in your line at YOUR STORE?

What would each of these 100 customers be WORTH to you?

It is, we think, quite likely that if such an investment were possible, you'd eagerly pay TWICE AS MUCH as it would cost you to secure these 100 REGULAR CUSTOMERS through an advertising campaign big enough and aggressive enough to really make people ACQUAINTED with your store!
