COMMISSIONERS TO FILL VACANCY AUDITOR AND RECORDERS OFFICE AT MEETING TOMORROW MORNING

Although the board of county commissioners met in special session this morning for the purpose of appointing an auditor and recorder to fill the vacancy caused by the death of Puddy Grimes, no definite action was taken and the board recessed until tomorrow evening. Chairman Charles A. Humphreys arrived from Manhattan last evening and called the session to order this morning. After a short discussion it was agreed that the matter be continued until tomorrow. A resolution was adopted, extending condolence to the sorrowing family of the late Puddy Grimes, and also praising his work while occupying the public office.

It is believed that the reason no action was taken on the appointment today was that the commissioners had no desire to appoint a person who might be selected as the democratic candidate to fill the place on the official ballot. The democratic county central committee will make their appointment tonight and as soon as the candidate is announced and the proper papers filed with the county clerk, it is believed the commissioners will take action. Rumor has it that William Grimes, brother of the late recorder, will be named by the commissioners to fill the vacancy, providing he is not selected as the democratic candidate.

The following is the resolution adopted by the board:

Whereas, Puddy Grimes, our beloved friend and officer of Nye county, has been called to his last resting place by the Father of us all, and

Whereas, he will no more be seen among us, and no more will our councils be brightened and aided by his great experience and his courage, his earnest efforts to promote the welfare of those he served, and the splendid intelligence which he brought to bear in the performance of his duties, and

Whereas, we knew him at his work in behalf of the people of Nye county to be scrupulous, careful, candid and just, with the object ever uppermost in his mind to do the greatest good for the greatest number, and ever casting out as unworthy that which might serve himself better than his neighbor; we knew that his personal advantage counted for naught, the faithful performance of his trust for everything; we knew him in daily life to be kind, upright, generous, and possessing a nature which radiated happiness and sunshine about all who approached him, and

Whereas, his death is a great and irrevocable loss to his friends and to his fellow citizens:

Now, therefore, be it resolved, That we hereby adopt the foregoing resolution as an expression of our appreciation of his virtue, and our sorrow at his departure, and in order that his name may be engrained upon our records, as upon the tablets of our memory, and

Be it further resolved, That the said resolution be written upon the minutes of this board, and that a copy of the same be sent to the family of the said Puddy Grimes, deceased.

C. A. HUMPHREY,
W. T. CUDDY,
P. S. BOOTH,
Board of County Commissioners of
Nye County, Nev.
Attest:
ROBT. G. POHL, Clerk.

SEAM OF HIGH GRADE ORE STRUCK IN THE BUCKEY

QUARTZ STRINGER ASSAYING
\$389.60 OPENED UP AT 1035-
FOOT LEVEL

A mining strike, the discovery of which is of vast importance to the Tonopah mining district, has been made in the Buckeye shaft, east of this camp. The shaft, which is now down to a depth of 1035 feet, opened up a stringer of ore last night that has assayed \$389.60 to the ton. Superintendent Lelson Balliet today brought in a piece of ore from the stringer and the specimen shows the sulphides thoroughly impregnating the quartz. The seam from which the ore was taken is only three-quarters of an inch, but the great importance lies in the discovery of ore in the eastern section of this district.

Two seams of quartz were cut at a depth of 1025 feet and the last ten feet of progress has witnessed the advent of many more seams into the shaft. All are of the quartz variety, while the character of the remaining rock is the regular lode porphyry, or earlier andesite, as it is familiarly termed.

An assay was taken this morning of the seam bearing the ore and the returns were \$113 in gold and \$276.50 in silver, totaling \$389.60 to the ton. The work of sinking the shaft will be continued and it is expected that the progress made today may reveal a widening of the seam.

(By Associated Press)
NEW YORK, Oct. 24.—The case of Police Lieutenant Charles Becker, charged with the murder of Herman Rosenthal, went to the jury late this afternoon. Justice Goff charged the jury in a speech lasting over three hours, ruling, in substance, that a conviction or acquittal rested almost solely on the question of whether Sam Sceppeps was an accomplice. In doubt himself, he declined to instruct on this point and ruled that Rose, Webber and Vallon were accomplices of Becker and could not be convicted of first degree murder on their own evidence.

The citizens of Tonopah today paid their last tribute to the memory of Puddy Grimes when a large cortege escorted the remains to the depot, where the body was placed aboard the north bound train. The interment will be held at Nevada City, Cal., tomorrow morning, under the joint auspices of the Elks and Eagles fraternities of that city.

Exceedingly impressive services were held last night at the Elks home by the officers and members of the Tonopah Aerie of Eagles and the Elks. The services were of a public nature and it is estimated that over 600 people were present to witness the ceremonies. The body was removed to the Elks home yesterday afternoon and lay in state in the lodge room. The bier was completely banked with the huge and costly floral offerings.

The burial ritual of the Eagles was first carried out and at the conclusion Judge Sanders delivered a tribute to the memory of the deceased. He spoke for both organizations and at times his emotions made it difficult to continue the address. At his conclusion the Elks opened their lodge of sorrow and the ritualistic requirements were carefully followed. The choir from the Catholic church was in attendance and rendered several vocal selections. At the conclusion of the ceremonies the body was viewed by several hundred persons.

The last tribute was paid this morning when several hundred members of the Elks, Eagles, Volunteer firemen and friends formed an escort and marched to the depot. The cortege was preceded by the military band, which played a funeral march. All places of business on Main street were closed while the funeral procession passed, and at the depot the vast crowd stood with barred heads while the casket was removed from the hearse and prepared for shipment.

The bereaved family of the deceased accompanied the remains, as did James Grimes, an uncle, William Grimes, the brother, will return to Tonopah in a few days for the purpose of settling up the affairs of the late auditor and recorder.
