ANARCHISTS THREATEN TO INVAD THIS CITY

I. W. W.'S ARE COMING TO TONOPAH IN FORCE TO ENGAGE IN SABOTAGE

The Industrial Workers of the World are expected to come to Tonopah in force and to perform sabotage. Do you know what sabotage means? The dictionary defines it: "Malicious injury done by an employe to the industrial establishment of his employer." Since the latest dictionary was published the law has given a wider definition to the word, because of the matter in which the I. W. W. have themselves construed the term. The law thus explains the meaning of the word: "Any violent act whereby the decrease of the wealth of another may be accomplished with no reward to the one committing the violent act out of the property injured or destroyed."

I. W. W.'s:—Take a Look at This!

JOHN PANCNER is still unjustly rotting in the pen at Carson City, Nevada.

The Master's Law, through one of its courts, declared him guilty. The Workers' Law declares him innocent and demands that he shall be set free.

ON TO NEVADA!

The fight for John Pancner is a fight for the future of the I. W. W. in Nevada. Help us to win, for without your co-operation the master class will triumph.

Spend Your Summer in Nevada. Be on the Job.

VOLUNTEERS WIN FIRST BALL GAME

SEASON OPENS WITH RATHER SMALL ATTENDANCE, BUT LOTS OF ENTHUSIASM

By the decisive, although rather ragged, score of 18 to 12 the Tonopah volunteer fire department won the first baseball game of the season in southern Nevada yesterday afternoon. The receipts of the game were not commensurate with the attendance, owing to the fact that the greater portion of the fence surrounding the Tonopah ball park has been requisitioned by people in the vicinity for use as fuel and for building purposes. The system of tagging paid spectators was adopted, but not with signal success.

The Goldfield team, which threw away the game by ragged fielding and attempting to tear the cover off the ball instead of hitting safely, consisted of Evershaw, c.; McIntosh, p.; Valverde and Robinson, 1b; Matot, ss.; Noble, 2b; Kranda, 3b; Ensow, lf; Morrison, cf and p; Thompson and Bergstein, rf. Tonopah played Warren, c; Prout, p; McAuley, 1b; Hebeck, ss; Johns, 2b; Hopkins, 3b; O'Connell, lf; Cushman, cf; Bradley, rf. Barney Slavin officiated as umpire and Harry Hester as scorer. Manager Puncocar and Captain Johns anticipate a game with Reno shortly, before which time the volunteer team will be strengthened.
