THIS MAY MEAN THE OLD TIN CAN

BOYS PUT UP JOB ON EDITOR AT A MINING CAMP BREAKFAST

"Can you get something past the boss?" Inquired a mysterious looking visitor of the Bonanza's hired man. "Tried it once and nearly got fired," was the reply. "Well, take another chance. I want to tell you a little trick we played on him yesterday. Included in the party that drove out early in the morning to Volcano and Sylvanite were Dr. Cowden, W. W. Booth, Frank Cooley, Al Wardle and C. W. Taylor.

"Of course we had to have some breakfast, and the Bonanza editor volunteered his services as chef. Included in the menu were minced brown potatoes. Mr. Booth improvised a mincing machine out of a tin can. He said that he didn't like onions in this dish, knowing what good cooking is at home, unless they are first cooked separately, so we just had to job him. Diverting his attention for a moment, one of the boys dropped a handful of chopped onions into the mess. It and the ham and eggs, black coffee and cannon ball biscuits were a real luxury, but Mr. Booth was loud in his complaint of housekeepers so untidy that they did not wash the frying pan after cooking onions in it. The preparation and consumption of the breakfast, together with the argument about the onions, consumed so much time that we did not have an opportunity to go all over the district."

TONOPAH CONTINUES IN THOUSAND CLASS

VOLUNTEERS DEFEAT MANHATTAN BY CLOSE SCORE IN EXCITING GAME

The game of baseball yesterday afternoon between Manhattan and the Tonopah volunteer fire department team resulted in a victory for the latter, which has not been defeated yet this season. The score was 7 to 5. The pine tree boys were four in the lead up to the fourth inning when a bunch of errors assisted Tonopah in scoring five runs. The attendance was only fair, but the enthusiasm was all that could have been desired. Following was the line-up:

Jack Peck officiated as umpire and the scorekeeper was Tom Hester. Time, 1 hour 20 minutes. A return game will be played in three weeks at Barragh's hot springs. One of the features of yesterday's game was a three-bagger by Ryan. Evershaw and Bennet each got a two-base hit. Four double plays were made, two on each side. Mickey Johns performed his usual stunt of getting hit on the nose while fielding the ball. Next Sunday there will be a game here either with Reno or Millers.

WILL GIVE CONCERTS

The Tonopah military band is planning to give a series of ten open air concerts this summer. The first will take place next Sunday evening.

CHARLES E. KNOX arrived this morning from the coast.

INSPECTION TRIP BY MINING SCHOOL DEAN

DR. LINCOLN, DEAN OF MACKAY SCHOOL OF MINES, VISITS TONOPAH

An inspection of the mines and mills of this district is being made by Dr. Lincoln, dean of the Mackay School of Mines of the University of Nevada. The doctor said to the Bonanza, relative to his trip:

"While this is my third trip to Tonopah, it is the first one on which I have been able to find time to go underground, and so has proved of especial interest to me. I have been in the mines of the Tonopah Mining company with Mr. Stotesbury and in the Belmont with Mr. Fitzgerald. In the latter mine I was pleased to find some of my own students at work for the summer. I have also examined the mills at Millers and attended several of the classes of the 'Tonopah School of Mines, so my time has been well filled.

I leave for a brief trip of inspection to the old camp of Candelaria. I shall then return to this part of Nevada, spending a few days in Goldfield and a day or two in Tonopah before going back to Reno."

OVER HUNDRED SACKS READY FOR SHIPMENT

PAINFUL INJURY SUSTAINED BY MINER AT WORK IN VOLCANO PROPERTY

Excellent headway is being made on the eight leases now in active operation on the Bannock claim. The Glenn, Musser & Ellis lease is producing some rich quartz which is being sacked and there is now well over a hundred sacks awaiting shipment. The shaft is down 20 feet. The Frederick, Eastman & Frevert and the Adams shafts have also attained a greater depth with no decided change to report at this time.

Frank Helm, in charge of the Adams lease at Volcano, suffered a very painful injury last Friday morning while at work. In some unexplained manner he lost control of the handle of the windlass while lowering the bucket and in bending over the handle struck him a glancing down blow on the forehead, cutting a gash over three inches long. Dr. Cowden arrived in camp during the afternoon and found it necessary to take five or six stitches to close the wound.

PIONEER ANSWERS THE FINAL CALL

MRS. ULRICH STROSNIDER, WHO ONCE LIVED IN TONOPAH, PASSES AWAY

Mrs. Ulrich Strosnider, well known and highly esteemed by all the old timers of Tonopah, is dead. She passed away last Thursday at her home in Yerington. Mrs. Strosnider was a whole-souled, charitable woman, who won the esteem and affection of all who knew her. Her maiden name was Sarah E. Butler. She was born in Memphis, Scotland county, Missouri, December 18, 1849.

April 26, 1868, she was married to Ulrich Strosnider. To this union two children were born in the state of Missouri after which the father came to Nevada; located as a miner in Pine Grove in the days of its prosperity. Later with the two children and about 48 years ago Mrs. Strosnider joined her husband, remaining in Pine Grove about 12 years. They then homesteaded and reclaimed a ranch now known as the Strosnider ranch, which remained in the possession of Mrs. Strosnider and was the home of the family until recently. Six children were born in Nevada, making eight altogether, seven of whom survived the mother, the father having passed away September 11, 1896. There are five sons and three daughters. The sons are I. A. and C. B. Strosnider, whose postoffice is Yerington; D. A. Strosnider of Tampa, Fla., and George Strosnider of Patterson, Cal., and Charles, who died in 1907; the daughters are Mrs. S. R. Wormington and Mrs. F. P. Swasey of Tonopah, and Mrs. A. D. Zulick of Yerington. There are eight grandchildren living, also an adopted daughter, Mrs. Marietta Burgess of Moberly, Mo.

The deceased came to Tonopah in 1903 and resided here several years. She built the Greystone hotel, which she owned at the time of her death. Beautiful floral tributes were sent by Desert Queen lodge, No. 22, Order of Rebekahs, and Argenta chapter, No. 12, Pythian Sisters. Funeral services were held Saturday from the family residence. The interment took place at Yerington and was one of the largest funeral corteges ever seen in Yerington. Peace to this noble pioneer's eternal sleep.
