NEW FIGHTER TO OPPOSE MALONE

POSSIBILITY THAT JACK BRATTON WILL NOT GO INTO THE RING

All of the boys billed for the grand carnival of boxing to be held at the Airdome on the afternoon of July 5th are working their hardest to get into condition to put up the battle of their lives. Frank Malone is making quite a hit daily at the Northern where he is training. It was said around town last night that Bratton had quit training and that he wasn't going ahead with his fight with Malone, so the management of this next card hasn't been losing any time getting a suitable substitute.

We are going to have a fight here on the 5th and we are going to have the best talent there is around here. The management has been securing the best boxers to be reached in the state. So far the promoters of the last few shows have been lucky to break even, and they are to be congratulated for doing the best they can to give the fight fans a good run for their money.

To the Theater Goers of Tonopah: I have purchased the Pastime theater from H. G. Warren for two purposes, one because there is room for only one good picture house in Tonopah, but principally because I wished to secure Mr. Warren's excellent picture service to combine with my own at the Butler. This will give me an unrivaled service, coupled with choice music by a three-piece orchestra.

MAY LOSE EYE

Mrs. H. E. Wilt of 321 South street was seriously injured Tuesday. She was breaking up a box when a board with a nail in it struck her on the right eye, penetrating the ball. She is suffering great pain and will be sent to Los Angeles tomorrow to consult a specialist. It is possible that the sight of the eye will be lost.

IMPORTANT MEETING

The executive board of the Fourth of July celebration will meet Friday evening at 8:30 sharp in the club room at the Mispah hotel. The chairman of each of the subcommittees is also instructed to be present. As this is the last general meeting to be held before the celebration it is imperative that there be a complete representation, with all the reports in brief but comprehensive form ready for presentation and action.—AdvJ112

NOTICE

Notice is hereby given that the co-partnership existing between John E. Brown and Nick Vukasovich doing business at the Stope saloon, Main street, Tonopah, Nevada, has been dissolved. Nick Vukasovich is now sole proprietor. He will pay all debts and collect all moneys due from said business.

MACHINE OWNERS, SHOW PATRIOTISM

MAKE PARADE ANOTHER MILE LONG

GIVE KIDDIES A CHANCE TO BE IN EVIDENCE IN THE BIG PROCESSION

Hitherto in Tonopah the patriotic parade has been a little side issue instead of the big event of the Fourth of July celebrations. It is planned this year to make it a whopper. The parade committee has accomplished wonders, but it is still up against one proposition and that is handling the school children, all of whom are just crazy to be in line in their beautiful and wave flags and sing patriotic songs. It doesn't, however, in the opinion of the committee, seem just right to force them to wade through the dust all the weary way and a happy thought has occurred to the members.

They have appointed Mrs. Thomas Landsborough a committee of one to solicit the auto owners of this city to donate the use of their cars for an hour or so on the morning of the fifth to convey the children in the line of march. There are five hundred school children in Tonopah and if they are to have a free ride that morning, there will be few or perhaps even none missing. There are 150 automobiles in the city and a little more than half that number will be needed to convey them. The committee requests that every person having a machine telephone at once to Mrs. Landsborough notifying her that he will be at the place of formation at the time to be specified in the Bonanza tomorrow evening. The children may be counted upon to be on hand promptly and there will be bitter disappointment if any fail to find accommodation. The auto owners may use their own discretion about decorating the cars, but it would look much better if they would. There is nothing, either, in the book of rules forbidding the auto owners from giving the kiddies a little spin out through the country after the parade. Get busy. Lay down your paper a moment and telephone to Mrs. Landsborough, No. 1352. Good enough.

ANNOUNCEMENT

To the Theater Goers of Tonopah: I have purchased the Pastime theater from H. G. Warren for two purposes, one because there is room for only one good picture house in Tonopah, but principally because I wished to secure Mr. Warren's excellent picture service to combine with my own at the Butler. This will give me an unrivaled service, coupled with choice music by a three-piece orchestra.

MOBILIZATION POINT

All the auto owners of Tonopah are urgently requested to have their machines, decorated if possible, in front of the Airdome at 9:30 on the morning of the 5th, in order to give the school children a ride in the parade. It is hardly necessary to announce that the children shall promptly be there at that hour.

MINES AND MILLS WILL BE CLOSED

DOUBLE HOLIDAY FOR ALL WORKINGMEN

PRACTICALLY ALL BUSINESS IN TONOPAH WILL SUSPEND FOR TWO DAYS

When plans were laid for the celebration of the glorious Fourth with a two day program the arrangements were made with the understanding that the mines and mills of Tonopah would be closed on Monday, the 5th. Later the Nevada-California Power company announced that the new transformers would be cut in on the morning of the 4th, necessitating a close down at that time. Everything has, however, been straightened out by the Mine Owners' association giving a two days' holiday. This will enable everybody to witness the big celebration.

AMUSEMENTS

PASTIME THEATER

Theda Bara, leading woman of the famous Theatre Antoine, Paris, leaped into instantaneous fame in this country by her blood-curdling rendition of the part of the "Vampire" in "A Fool There Was," to be shown at the Pastime today—a drama based on Kipling's poem of the same title, and Burne-Jones' painting, "The Vampire." Miss Bara's great beauty and marked talent show to conspicuous advantage in every part she plays. Nobody who has ever seen this picture will ever forget the sinister beauty of the spell she weaves about her infatuated victim, whom she destroys for the sheer love of seeing another dupe perish for her love.

"A Fool There Was" is the story of "The Woman Who Did Not Care" and "The Fool." The "Vampire" lures "The Fool" from his home and, with sinister seductions, leads him on to his ruin and disgrace. Edward Jose, formerly leading man for Sarah Bernhardt, gives a forceful interpretation of the weak-kneed, spineless fool who is unable to resist the siren's wiles.—Adv.

BUTLER THEATER

Mrs. Leslie Carter, who plays the lead in George Klein's beautiful six-part film "Du Barry," from the famous play, wears a number of expensive gowns that are sure to attract comment by the feminine portion of the audience. The total value of three of these dresses exceeds \$2200 and they were all purchased in Europe. The entire production is characterized by a lavish expenditure of money and a close attention to detail which makes it an extraordinary example of the modern tendency toward the beautiful and representative in pictures. All of the one hundred and fifty odd settings in "Du Barry" were made from water color sketches. Mrs. Leslie Carter and a cast of players who supported her so successfully during the run of the historic stage success, are seen in the film version. In the manufacture of this film upwards of \$125,000 was consumed. The film is in six parts and moves rapidly. There are numerous thrills, luxurious settings and the photography is the clear steel blue, possible only to sunny Italy. The picture was produced in three different cities, Paris, Turin and Naples. All that could make for perfect bit of workmanship was obtained, regardless of cost. Remember the auto will be given away tomorrow at the Butler. Walk down and ride home, you might win.—Adv.

Meanwhile all the details have been perfected and nothing now remains but for the time to come when we will be plunged into the delirium of joy that this committee assures us it has in store.

The costumes for the parade and ball now on display at Haanigan's Toggery, next to Prouty's, include selections that will suit any taste. The committee wishes to announce that they are not being handled for profit, but were procured only to help make for the success of the celebration. All those desiring costumes are requested to secure them as early as possible, and above all else to be ready for the parade at 8 o'clock on Monday evening.
