## CALCITE SHOWS IN TON. BONANZA SHAFT

The shaft in the Tonopah Bonanza Mining company was down 880 feet this morning. It is still in the Midway andesite, but there is more calcite than before. Very favorable progress is being made. There is still a considerable flow of water, but the pumps are easily handling it.

## ALL WORKINGS OF MONARCH IN QUARTZ

A very pleasing change has taken place in the Monarch-Pittsburg workings in the past several days. The three workings on the 1000-foot level are now all in quartz, containing seams of sulphide. The workings consist of a west drift and two raises. Superintendent Branch Smith is expected back from his trip to the coast on Monday.

## GYPSY QUEEN PLANS TO CUT A STATION

The ledge which the Gypsy Queen shaft encountered at a depth of 1300 feet, was passed through at 1330 feet, on a dip of about 45 degrees. The bore is now being continued down in trachyte. It is the intention to continue to 1375 feet and then crosscut northeast to pick up the vein and drift on it. The foot wall portion of the ledge showed low values.

## EDDIE MILLER IS NOT AN AUSTRALIAN

Little Eddie Miller, the Pacific coast bantam and without a doubt the classiest boy developed in San Francisco for many years, called at the Bonanza office today and said he is greatly displeased to hear that it is the public opinion here that he is an Australian. Miller then said he was born and raised in San Francisco and had lived there up to the time of the closing of the boxing game in California. Eddie is quite proud of being an American and does not like the idea of being called an Australian. He said:

"I was taken to Australia by my manager, Moose Taussig of San Francisco, several months ago, and I must confess that my trip wasn't very successful, as I only had one fight there. I was taken ill the day I landed there and remained that way nearly all the time I was there, but you can tell the Tonopah and Goldfield fight fans that I am plenty good enough to beat such boys as Frank Malone."

Eddie has done all of his fighting in and around San Francisco and one look at his record will convince anyone that he is not a novice at the game of give and take. He has several draws and a ten-round decision over Roy Moore, who is well known to us all. Miller has also beaten quite a large number of good boxers. He fought and beat Moore when only weighing 116 pounds, and that's better than Braiton or Malone could do with Roy, even if they did outweight Moore by seven or eight pounds.

MISS VERA DOWLER was a passenger this morning for Millers, where she goes to visit friends.

located in the church parlors and are open daily from 2 to 4 in the afternoon and from 7 to 8:30 in the evening, excepting Sundays and holidays. Testimonial meetings are held the 2d and 4th Wednesdays at 7:30 p. m. the next meeting being September 8. The church is at Florence and Cross avenues.

St. Mark's Episcopal—John J. Rendall, lay reader, will conduct services tomorrow morning at 11 o'clock in the Episcopal church.

## DRINKS CYANIDE WHEN DESPONDENT

## PROSPECTOR ENDS LIFE AT MANHATTAN

## JOE PENDICK WAS WELL KNOWN IN THIS SECTION OF NEVADA

Joseph Pendick, a prospector and claim owner of Manhattan, committed suicide last night at Manhattan. Another prospector was to have left with him on a trip this morning and, when he did not appear, went to his room, finding him dead.

An inquest was held, the verdict being that death was self-inflicted, it having been due to drinking an 8 to 10 per cent solution of cyanide of potassium, the container being found beside his bed.

The deceased was aged about 35 years. He had been in the vicinity of Manhattan for several years. He was interested in the Willow Springs district. A brother resides in Chicago.

## STRIKES OFFICER AND GETS AWAY

## CHARLES THOMPSON HAS BRIEF LIBERTY

## REARRESTED EARLY IN THE MORNING AND WILL BE TRIED THIS AFTERNOON

Charles Thompson was arrested late last night in a saloon in the lower end of town on complaint made by a girl in the restricted district, who claimed that he had taken \$10 from her. Officer June Peck took him to the city jail and released him while he was unlocking the door. The prisoner, a powerful Finn, struck him over the head with some sharp instrument and made his escape. When the officer regained his senses he had his wound dressed and informed the other officers.

Chief Evans and Officer Grant rearrested Thompson at 2:30 this morning in his bed in the Finnish lodging house on the hill. Between the times of the first and second arrest he is alleged to have gone to the girl's cabin while she was out and cut a dress of hers into rags.

## UMATILLA DRILLS IN A BROKEN FORMATION

The drill in the Umatilla is making rather slow progress on account of the broken formation that is being encountered. Superintendent Haskell completed cementing yesterday and this morning drilling was resumed. The first core showed that the formation is badly crushed. This is believed to indicate that it is in a fault with a change of formation about due.

## NIGGER CELEBRATES EIGHTH BIRTHDAY

## THAT THE PAPER GOT OUT LATE WAS MERELY A SECONDARY CONSIDERATION

"Nigger," the mascot of the Bonanza, celebrated his eighth birthday today. When he awoke this morning he respectfully scratched his left ear with his left hind paw, searched for his collar, had it properly adjusted and set forth to tell his canine friends about the gala event and ask them to participate.

Later he was given a thorough bath with the hose as is the custom and after a few minutes' exercise with his medicine ball he took on a couple of common, or garden variety catines, who had declined his invitation to the birthday dinner, and scored victory in each case.

The piece de resistance to the spread might have been a cake with eight candles, but a good, juicy steak was found to be preferable, especially as it was garnished with dog biscuit and accompanied by unformaldehydized milk. It was a joyous event in local dogdom and the paper got out half an hour late in consequence.

## NORTH STAR DOING DEVELOPMENT WORK

On account of the absence of Superintendent Chandler, no news regarding the North Star is given out this week. Under the direction of Foreman Lowe development work is progressing on the same levels and in the same faces as last week. No shipments were made.

## INCREASED WATER FLOW IN EAST END

Very little progress was made in sinking during the past week in the Tonopah East End shaft. The last round of shots brought in an increased flow of water and this, coupled with an accident to the sinking pump, brought about slow operation. The water flow has now apparently decreased and the work of sinking will be resumed.

Herb wired Charlie Taylor last evening he was leaving for Tonopah feeling fine and would sure be ready for the finishing work commencing Sunday afternoon and daily from that time until the day of the match.

## BOXERS GETTING IN FINEST OF SHAPE

## REFEREE WILL BE PICKED MONDAY FOR THE TWO BIG BATTLES

Eddie Miller was unable to box yesterday on account of Gus Rainier, who has been working with him, not feeling well, but he has made all arrangements with Herb White, who will arrive in Tonopah tomorrow morning, to commence the real grind Sunday afternoon at the Big Casino and everyone should be on hand if they desire to get a line on Miller's work as Herb is a fast boy himself and will give Eddie all the chance for fast work he has in him.

## AMUSEMENTS

### PASTIME THEATER

Tonight a splendid program will be shown at the Pastime, consisting of a single reel comedy entitled "Something Just as Good," and a Schubert production in five acts featuring Vivian Martin in "The Arrival of Perpetua." In a story of this character it is obvious that the refined artistry of Miss Martin finds adequate scope. This beautiful girl shines in every film in which she is seen, but when the entire framework of the play has been specially designed for her, her pleasing personality stands out all the more distinctly.

When her father died and left "Perpetua" to Thaddeus Curzon, her eccentric young guardian, he was responsible for the love story that followed. He was poor, "Perpetua" was rich. The resulting tangle and untangling of their love story makes a delightful play in which this dainty actress has full scope for the unusual talent she displayed on the stage with Lew Fields and in "The Whishing Rink."

Tomorrow will be shown the first of the new Red Seal service, featuring Kathlyn Williams in "The Carpet from Bagdad" in five acts, from the popular novel by Harold McGrath. Miss Williams, who is a great favorite herself, is supported by an all-star cast, and the picture is sure to be a good one. "The Goddess" and Paramount travel pictures of South America will conclude one of the best programs that has been shown here for some time.—Adv.
