GOLDFIELD WINS ON A LUCKY BOUND

TONOPAH MAKES A GALLANT FIGHT BUT LOSES BY SINGLE POINT

A lucky bound from the toe of Captain James of the Goldfield high school football team sent the ball through Tonopah's goal for the deciding point, in a well matched contest at Goldfield Saturday. Each team scored two touchdowns, square-ly between the goal posts, but it was left to Goldfield to kick the single goal of the game, clinching thereby the better part of a 12 to 13 score. Zeni, Tonopah's right halfback, received the ball from Goldfield's kick-off, running it well up into midfield before being downed. From the first down Pollard, carrying the ball, was tackled hard enough to be put out for the full time allowance, but entered again, much weakened and somewhat dazed. Tonopah made her distance successfully until within twenty yards of Goldfield's goal a pretty forward pass, Ryan to O'Connell, scored the first touchdown. Ryan failed to kick the goal. The quarter ended after the ball made several uncompleted journeys toward each goal. Second quarter found the ball in the possession of Tonopah near Goldfield's goal. A second touchdown was imminent and Tonopah rooters were wild when Pollard, still weakened from the terrific fall in the first period, allowed the ball to slip from his grasp and come into the enemy's possession. With possession of the ball Goldfield made the most of her monster fullback, James, and a speedy halfback, Witt, to work the ball to Tonopah's ten yard line and score on a forward pass to Witt. James kicked the goal. The half ended with a score of 7 to 6 in Goldfield's favor. Between halves the services of a doctor were necessary to stop a serious nosebleed for McNeil, Tonopah's center. Other slight injuries were administered to and the team put in the proper frame of mind for a hard second half. Goldfield received and made a good gain by a series of passes that baffled Tonopah's defense. With possession of the ball in safe territory Goldfield again scored a touchdown, setting the score at 13 to 6. The ball spent the major portion of the third period in Goldfield territory, but Tonopah seemed to waver at critical moments, and lost the ball, on a fumble usually. The quarter ended with this uneven score, and the ball well toward Goldfield's goal. During the last period a fifteen yard penalty on Tonopah seemed to take her heart until Tonopah rooters on the sidelines, led by yell leader Rippingham and Ben Franklin, started a rally that sent George Ryan thirty-five yards for a touchdown. Ryan, badly crippled with a "Charley-horse," was unable to kick the goal. The game ended with the ball very close to Tonopah's goal. Final score Tonopah 12, Goldfield 13. Tonopah may offer many excuses for not bringing home that one point, but her present stand is "wait till Thanksgiving day." Tonopah's field is level, full sized, thoroughly scraped and gravelly. The field played upon Saturday was distinctly mountainous in character, rather rocky, and some fifteen yards short of the required distance. Directly after the game the entire Tonopah contingent, forty people in all, banqueted at the Goldfield hotel, Captain Murphy presiding. In the evening Goldfield high school entertained with a very successful dance, the high school gymnasium being tastefully decorated with Goldfield and Tonopah colors mingled. At midnight the caravan reluctantly tore away from a pleasant day, and started toward home, all happy and care free just so long as the memory of that one boot by James could be downed. Goldfield, we thank you for a great time, but beware, we are out after that point.

A five-part motion picture feature, one of the big, thrilling, romantic kind, "The Cowboy and the Lady," with S. Miller Kent, the popular stage star, in the leading role, supported by Helen Case and an exceptional cast, will be the attraction at the Butler this evening. Mr. Kent made his first big theatrical hit in the famous production of "Raffles," in which character he appeared for three years. Mr. Kent made his appearance in the role of the cowboy in Clyde Fitch's stage play of "The Cowboy and the Lady," in which he is now making his first screen appearance in that play. "The Cowboy and the Lady" was staged in southern California, throughout Montana and Wyoming, with the eastern scenes being laid in and around New York City. The production is said to have cost about \$40,000, containing 200 scenes with a thrill every minute. The preliminary reel which will be run ahead of the feature will be the Pathe Weekly, which is always interesting and instructive.

Tomorrow, Paramount Travel pictures and a five-reel Paramount production, "A Gentleman of Leisure," which as a play ran for more than a year on Broadway.—Adv.
