MUSICAL COMEDY TO OPEN AT AIRDOME

TWENTIETH CENTURY GIRLS TO PRESENT MUSIC AND COMEDY HERE

Tomorrow night at the opening engagement of the Twentieth Century Girls' Musical Comedy at the Airdome commences what is without a doubt one of the best attractions of the coming season in the musical line. The company comes to the city with a record hard to beat for clean-cut, up-to-date repertoire and the cast is well known to every one of the theater-going public. Naming each principal in rotation we find some of the best. First, Miss Inez Kema is traveling with a voice in dramatic soprano that is seldom found in the musical comedy world and she is one of the great features of the show. Next, Mr. George Bird in the character of "Captain Plum Daffy" is not to be forgotten as one of the main supports and as a fun maker he will keep you on the laugh side of the show from the start. Mr. Webb Ludgate adds to the cast in the leading role and has a baritone voice that will gain everybody's favor and applause. Mr. Addison is an able assistant with his second tenor lead. Miss Marion Baker in the prima donna role has a voice of soprano like that of the nightingale in the wilds and her winning ways and personality will attract everyone during the entire show. Mr. Carl Keene, our little Hebrew friend, will complete the comedy left undone by Mr. Bird and he is a wit all the way through. Last but not least is little Miss Marie Rich, who lends her support to the entire cast as soubrette and makes things lively in the way of popular songs. Then there is the little beauty chorus of eight pretty little maidens who entertain you by supporting the principals by songs and dances which are up to the minute and very clever. In all the show, which brings to this city twenty people, is something no one should miss and it is certain that everyone will receive an hour of solid fun and amusement. Mr. Bird is the stage director and Mr. Jack Curry manager. Prices as usual.

THREE CONTESTANTS FOR MOVIE HONORS

EXPECTED THAT STRONG RIVALRY WILL BE DEVELOPED SHORTLY

The Nevada Film company, incorporated, of Tonopah, makes such an attractive and intelligent offer for securing an attractive and intelligent young lady of Nye county to take the leading role in its first set of films that it is expected the contest will become very spirited. Thus far there are three nominees, with the following standing, the votes being cast by means of Bonanza coupons:

Frances Hickok	100
Edna Sullivan	100
Isabelle Davis	50

KEWANAS READY TO SINK WINZE

TIMBERING HAS BEEN COMPLETED AND SHIPMENTS WILL BEGIN SHORTLY

Stopping operations in the Reorganized Kewanas property have been delayed slightly by necessary timbering, but this has been completed and miners will begin at once breaking ore for shipment from the main ore-shoot exposed in the north drift on the 840-foot level. At the end of the east crosscut from the ore drift and near the hanging wall of the quartz zone, a winze was started recently and had progressed for 18 feet when it became necessary to install timbers and a platform, says the Tribune.

The work of sinking this winze now proceeds with the object of reaching and exploring the shale contact zone, which is believed to be not far below the present floor of the winze. The crosscut from which this winze is being sunk was advanced about 40 feet from the ore drift, before exposing the hanging wall, and in its progress it passed through a number of seams of good ore, varying in width from a few inches to two feet, with a wider body of pay material showing near the hanging wall.

IT RATTLED RAYMOND TO BECOME FATHER

Everybody who visited the Nevada-California Power company's offices today had to smile at Raymond W. Piercy, the bookkeeper, trying to use his adding machine for a typewriter, ordering his force to cut out light meters when they should be cut in, and discounting all light bills 50 per cent, until C. J. Mullins, his side kick, told them the trouble. Ray is the proud father of his first born, an 8-pound daughter which arrived yesterday at 3:40 p. m. Mother and babe are fine, and in a few days Papa Raymond will be himself again.

MR. SCHADE'S SAD ERRAND

The funeral of the mother of N. L. Schade of Tonopah took place yesterday at Chicago. When Mr. Schade received the telegram announcing her critical illness he left at once Sunday morning for the east. Before he reached Hazen he received a wire telling of her death, but he continued on east and arrived in time for the funeral.

STOCKRAISERS SUFFERING

H. A. Agee last week drove 800 head of stock cattle through here from his Clover valley ranch to Rock Creek, where they will be fed during the coming winter. He stated while in town that another drive of an equal number will be made shortly. Shortage of range due to the excessively dry season is given as the cause.—Contact Miner.

AMUSEMENTS

BUTLER THEATER

The program at the Butler this evening will consist of a double bill of two features—the one being Charlie Chaplin, the highest priced comedian in the world in a two-reel Esanay comedy entitled "The Bank," into which this funny man has put his best efforts, packing every foot of film with riotous fun. The other feature will be a five-reel Big Four production entitled "The Climbers," based on Clyde Fitch's celebrated society drama of the same name, featuring Gladys Hanson and George Soule Spencer. It is a satire on high society and frenzied finance and abounds in stirring climaxes and tense situations. It may well be called a film masterpiece. It unfolds the striving of the good wife and mother for the goal of happiness in a tainted world of sham, deceit, hypocrisy and evil. It preaches a powerful sermon.

Tomorrow, Sunday, a Pathé comedy, and "Pretty Mrs. Smith," one of the strangest productions of the Paramount program. In this production Fritz Scheff makes her debut in photography work. Those who know her so well on the legitimate stage will welcome an opportunity to see her on the screen. Miss Scheff, who assumes the title role, has supplemented her charms of mind and body by a most superb array of costumes which will produce a dazzling effect in the picture.—Adv.
