### WHEN THE ELKS DO IT THEY DO IT PROPERLY

#### BIG INITIATION FOLLOWED WITH A BANQUET LIKE MOTHER USED TO COOK

Tonopah Lodge, No. 1062, B. P. O. Elks, had one of the biggest initiations in its history Saturday evening and, Sunday morning, when it introduced thirty-six novitiates into the mysteries of the order. The candidates came from everywhere, some from Dan and some from Bershaha. In reality their respective postoffice addresses are Ely, Round Mountain, Sunnyside, Manhattan, Millers, Tonopah and the region that lieth about, even unto Ruth.

They came, they saw and they departed, happier, but wiser. If anything that could have been done upon them was left, undone the local members are willing to surrender their charter as a penalty for misfeasance in Elksdom, but such a charge will hardly be brought against them, at least not by the heroic thirty-six.

The big thing started at 10 o'clock and continued till midnight, during which time twenty of the candidates got their needs. Then at 12:05 the degree team got busy exemplifying the work on the trembling sixteen. It was just so long after 3 o'clock that it was pretty nearly 4 o'clock in the early dawn when truce was declared. But did they go to bed? Some may have, but they will thereby be disgraced forever.

Last evening they reassembled. There were the local members, the candidates and a score of auto loads of satiated folk from Goldfield, Millers, Manhattan and faraway Ely. A banquet was served and it was not the salad and cold tongue type of a banquet either, but everything was smoking hot, the eatables and the chickens that danced and sang. The only stuff that was cold came in a glass. Exalted Ruler Atkinson presided as toastmaster and the responses were witty and oratorical. It was one night, or rather two nights and one day.

Following are the baby Elks: C. W. Hicks, Roy Doughman, Chas. N. Roberts, H. C. Fraser, Jos. O. Isham, C. H. Smith, Jas. L. Kane, I. Brassington, Roy Williams, A. N. Perry, Baird Spell, Michael N. Horner, Edw. Prewett, W. H. Hopple, John W. Batten-dorf, Chas. E. Stephens, Carlos W. Wark, Geo. R. Hickernall, David McLean, Andrew Hexem, Claude R. Elliott, Geo. A. McDonald, John F. Kryder, K. D. Irvine, Timothy Kelleher, Chas. L. Engle, Chas. P. Meyers, Chester A. Perrine, Geo. Halstead, A. P. Johnson, Austin E. James, Chas. L. Slavin, Milton K. Hightower, Guy B. Corson, J. J. Fenley.

Another meeting of the executive committee that is planning the Christmas tree for the children of Tonopah, as well as arranging to do relief work this winter, was held at 2 o'clock yesterday afternoon in the clubroom at the Mizpah hotel. It was well attended, a number of other than committee members being present and assisting in the arrangements.

The chairman of the various sub-committees made their reports to the meeting, which were received and further instructions given. In view of the fact that the relief work is to be conducted in such a manner that no one will know who is assisted, there will not be full publicity given to the proceedings of the meeting. The Christmas tree, however, is assured and it will be a great one, loaded from the pinnacle to the lowest boughs. It will receive the attentions of Santa Claus at 2 o'clock on the afternoon of Christmas day. Every kid in town is invited.

Extensive timbering was required in order to permit the Halifax to both sink and drive on its 1200, where the ore was recently encountered. This work has been completed and the first holes will be sent into the winze bottom tonight.

Meanwhile the step fault that was encountered in the drift is being explored, but there has not yet been time to get behind the fault and pick up the rich shoot again.

JAMES WOODS, one of the big livestock men of Smoky valley, is in town.

### MISSION SERVICES AT ST. MARK'S CHURCH

#### CONDUCTED BY REV. SAMUEL UNSWORTH, OF RENO, AN ABLE DIVINE

At the present time the Episcopal churches throughout the United States are conducting what is known as a nation wide preaching service. Nevada is holding such a service this week to continue until and including December 5th. Services will be held in St. Mark's church as follows: Celebration of the Holy Communion, 10 o'clock each morning with a brief address. 4 o'clock service on Monday, Tuesday and Thursday for adults, and on Wednesday and Friday for children at the same hour. Prayer and sermon each evening at 7:30.

A box for questions to be deposited in will be placed at the door of the church. It is intended that these questions will deal with the doctrines of the church, and any other pertinent question to which an answer is desired. If possible Mr. Unsworth will endeavor to reply to these various questions the same evening, or at least the following day.

There will be no regular collections, although those who feel so disposed may deposit a contribution in a box provided for that purpose, the proceeds of which will be applied towards the mission fund.

As Mr. Unsworth enjoys a state wide reputation as an able and instructive speaker, these services should and probably will be liberally patronized, not only by Episcopalians, but the general public as well.

### THIRD GRADE MOVED TO KINDERGARTEN ROOM

REARRANGEMENT OF SOME OF THE CLASSES IN THE PUBLIC SCHOOLS

It having been considered hazardous to the health of the pupils of the third grade, who have been occupying the gymnasium, to keep them any longer in such quarters, that grade and teacher have been moved into the kindergarten room. The kindergarten children will have a little longer vacation until one of the residences belonging to the Tonopah school district can be rearranged for school purposes. In the meantime Miss Foltz will assist in the grades.

### COUPONS COME LIKE FALL OF SNOWFLAKES

VOTING IS NOW FAR AND AWAY OVER THE TWO HUNDRED THOUSAND MARK

And still the interest in the voting contest that is being conducted through the Bonanza is growing. It is being held by the Nevada Film company, Inc., of Tonopah. The winner will receive a certificate of stock in the company that is valued at \$1,000 and will also be made the leading woman of the first picture to be filmed by the company at its Tonopah studio and headlined on the screen.

The contest will close December 30. Clip the coupons from the Bonanza and give or mail them to Mr. James, the manager of the company. Following is the standing of the contestants today:

- Miss Isabel Davis, 125,700.
- Miss Eleanor Malone, 81,700.

### FINDINGS IN CASE SIGNED AS OFFERED

Judge Averill this morning handed down a ruling on objections to proposed findings and conclusions in the case of L. F. Clar, plaintiff, versus Joseph Plourd and others, defendants, in a case involving title to mining ground in Manhattan district.

The objections to the findings and conclusions were overruled and the said findings and conclusions were adopted by the court, with the reservation that no more willfulness and bad faith are to be imputed to the defendants than that connected with their working of the placer ground on the Erwin fraction and their leaving the cave open which had been caused by their workings.

### PRESBYTERIAN CHURCH SERVICES YESTERDAY

#### PREPARATIONS ARE UNDER WAY FOR A FINE CHRISTMAS ENTERTAINMENT

(Communicated).  
The Sunday school is growing. The attendance yesterday was one hundred and thirty-two.  
Preparations are under way for a fine Christmas entertainment.  
The subject for the morning sermon was "Ingratitude." The text was the incident of the healing of the ten lepers and when but one returned to give thanks, Jesus asked: "Were there not ten cleansed? Where are the nine?"

The text for the evening sermon was "The Greatness of Service." The pastor showed that those things which have proven of most benefit to mankind came because some one was willing to sacrifice self to service. That unselfishness is the great uplifter of the race and that this was exemplified in the highest degree in the life of Christ.  
The special musical numbers were unavoidably omitted on account of the indisposition of some of the singers.  
Miss Foltz kindly consented to sing for us and she very feelingly rendered the song, "Unanswered Yet."  
Next Sunday evening will be Mendelssohn evening and a great musical treat is in store for all who attend.

### MICHAEL O'HARE IS CALLED BY DEATH

Another of the old timers of Tonopah passed away when Michael O'Hare died yesterday morning at 7 o'clock in the county hospital. The deceased was aged about 75 years. He had been in the state for nearly half a century and was a miner, later devoting himself to prospecting.  
He was a native of Ireland and leaves no known relatives. A week ago he was found in his cabin, stricken with paralysis and was taken to the hospital. The funeral will be at 2 o'clock Wednesday afternoon in the Tonopah cemetery. The services will be conducted by Rev. Father Diss.

### RUMOR "76" WILL RESUME

For the first time in many months Tonopah "76" is showing in the market, there being a three cent bid Saturday and no sales. One of the local stockholders in the company informed the Bonanza that there is a growing rumor that activities in the property will shortly be resumed, on account of the mineral discoveries and deals in the vicinity of the estate.

### LOOKS GOOD TODAY IN THE GYPSY QUEEN

A material improvement was shown today in the Gypsy Queen and the drills are working in quartz. The crosscut, which is being run on the 1230 level, passed the entire distance from the shaft through matrix trachyte, with small mineralized stringers growing more and more frequent. Several days ago the working passed into sickenside, and now quartz is being encountered. This crosscut is tapping the ledge on the footwall side, it having been cut in the shaft above the trachyte belt. Interesting developments are expected to be had in the next round or two.

### DID WITHOUT REQUEST

(By Associated Press.)  
LONDON, Nov. 29.—It is officially announced that Great Britain did not request Canada to commandeer sixteen million bushels of wheat.

### AMUSEMENTS

#### BUTLER THEATER

The feature tonight at the Butler will be a five-reel Metro production entitled "An Enemy to Society," Geo. Bronson Howard's great story of romance, mystery, intrigue and thrills, with the celebrated English actor Hamilton Revelle and the daintiest of prima donnas, Lois Meredith, in the stellar roles. The story deals with the kidnapping of a wealthy man's son, in revenge for the ruining of Dalchazar Van Tromp. Van Tromp brings up the lad in the belief that it is right and noble to steal from the rich to give to the poor, making him a modern Robin Hood. The boy's adventures, his meeting with the beautiful Decima Duresse, a ward of his father, and his final regeneration, make a drama of love, mystery, intrigue and romance, the equal of which has seldom been seen.

The preliminary reel will be Pathé Weekly, always interesting, which will be run ahead of the feature.

Tomorrow, William Elliott in "When We Were Twenty-One," from the play in which Nat Goodwin starred in his former days and which is so well known to all theater goers. The preliminary reel will be a Paramount travel picture, "Angles" Ministerial show on Wednesday.

#### TO THE PUBLIC

Monday, November 29th, has been named as Old Clothes Day by the Christmas Tree Executive Committee, and upon this day we are going to ask that every man or woman in Tonopah, who desires to assist in this charitable work, gather all clothes, underwear, etc., for both young and old alike, into a bundle, and either bring them, or telephone the Chief of Police office, where the committee on distribution will make their headquarters, and they will see to it that each and every article will reach a needy family.

Do not hesitate as the good work is now going on, and your executive committee is going to see that this Christmas will be one of the happiest for both young and old, that Tonopah has ever had.

It is said that over 10,000,000 women in this country shop daily, 90 per cent of whom are influenced through advertising to buy a certain article or go to a certain store; hence when a small dealer tells you that advertising doesn't pay, you will find, nine times out of ten, that not only his advertising but his store methods are faulty. He is, very likely, a spasmodic advertiser. He is operating without any particular plan or policy. In short, he is a hot and cold proposition, pretty much like the old roaster in the snow, standing first on one foot, then on the other, trying to avoid getting cold feet, where if he used both feet at the same time, he would get to some place where there wasn't any snow.
