BENSON SAYS WILSON IS A FOE TO LABOR

Socialist Banner Bearer Pays His Compliments to Both of His Rival Candidates

(By Associated Press.) NEW YORK, Sept. 30.—Allan L. Benson, nominee of the Socialist party for president, addressing two meetings of Socialists in Brooklyn last night, accused President Wilson of being an enemy of labor and declared that no issue is too dead for Charles E. Hughes, the Republican nominee for president, to revive.

when he no longer talks that way. He now poses as a friend of labor. If he is your friend he would use his friendship to protect the life and property of the working man. He has not done this.

WORLD SUPREMACY NOT A GERMAN IDEA

(By Associated Press.) LONDON, Sept. 30.—The address of the German imperial chancellor, Dr. von Bethmann-Hollweg in the reichstag is more remarkable for what is omitted than for what is said, according to Lord Robert Cecil, minister of war trade, who, in discussing the speech with the Associated Press today, declared the most significant fact in connection with the chancellor's utterance was his failure to mention Belgium.

nificance of this is probably that he was unable to say anything about Belgium as his listeners can be the whole world and he was bound to offend a section of it if Belgium was mentioned. And equally he would offend his own people if he expressed a determination to give up that country.

BIG IMPORTS OF GOLD EXPECTED

(By Associated Press.) KANSAS CITY, Mo., Sept. 30.—The gold imports from Europe and Canada that yet may be expected to come into the United States were placed at \$400,000,000 by F. J. P. Von Engelken, director of the mint at Washington, who spoke here yesterday at the closing session of the annual convention of the American Bankers' association.

MOTOR SHIPS TO CALL AT FRISCO

(By Associated Press.) SAN FRANCISCO, Sept. 30.—A motor ship line between San Francisco and Norway has been inaugurated by the Norwegian Pacific line, a Scandinavian concern, it is announced. Fred Olsen is the company's head. He planned to start the line two years ago, but the war interfered. The Bayard, a motorship, is now proceeding from Christiania to Boston and is due here in October. The first new line call service will be inaugurated in October.

BELMONT BULLION FROM MILLERS MILL

The Tonopah Belmont Development company shipped this week from its mill at Millers 29 bars of bullion, weighing 59,321 ounces. Estimating the gold and silver content at 80 cents an ounce, the consignment was worth \$40,256.80. This was the cleanup for the first half of the month and was in addition to that forwarded by the company from its Tonopah mill.

JAPANESE BARON MEETS OFFICIALS

(By Associated Press.) WASHINGTON, Sept. 30.—Baron Yoshira Sakatani, former Japanese minister of finance who had charge of Japan's financial reconstruction after the Russian war and now is returning from the Paris economic conference, was formally presented to Secretary Lansing at the state department this afternoon at a luncheon tendered him by Dr. James Brown Scott, secretary of the Carnegie endowment for international peace. Tonight he was given a formal dinner by Tokichi Tanaka, the Japanese charge, who also invited several government officials particularly interested in financial matters. The baron will remain here over Sunday and will meet many other prominent officials.

GERMANY BELIEVES THAT THE WAR WILL LAST ALL WINTER

We Are Able to Contemplate the Situation With Equanimity, Whatever Comes, Says Crown Prince--Progress of the War.

(By Associated Press.) BERLIN, Sept. 30.—The latest fighting on the Somme evidently has not shaken the confidence of German military leaders in their ability to prevent the breach of their line. The Berliner Tageblatt's special war correspondent interviewed Crown Prince Rupprecht of Bavaria, commander of the German forces on the Somme, Tuesday.

aeroplane corps, and our fliers have had fine successes in the last few days, although they have had hard fighting against increased numbers. Our artillery derives advantages from the successful work of the aeroplanes after having formerly been much exposed to observation by hostile aviators.

MORE TROOPS ORDERED TO FRONT

(By Associated Press.) PERSHING'S HEADQUARTERS, Mexico (by wireless via Columbus), Sept. 30.—Villa, with two hundred men, is at Cusuhiriachic, west of Chihuahua City, according to reports received here. The last report placed the bandit at Santa Clara ranch, 30 miles east of Naniquipa. Now he is 200 miles from the nearest American troops. Reports of his movements are carefully checked for fear they are inspired and that Villa instead of moving south is really moving north.

CONFERENCE TO BE HELD

(By Associated Press.) EL PASO, Sept. 30.—General Gonzales, commander of the Carranza forces in the north, departed from Chihuahua City to confer with General Trevino, commander in chief in the northeastern military zone, regarding the campaign against Villa.

AFFIDAVITS IN BILLINGS CASE

(By Associated Press.) SAN FRANCISCO, Sept. 30.—New evidence for Billings was submitted in five affidavits read to Superior Judge Dunne by Maxwell McNutt, Billings' attorney, in an effort to obtain a new trial. The suitcase was seen at Stewart and Market streets, where the explosion occurred, as early as 1:30 on the afternoon of the parade, W. M. Taylor and William Kimberlin declared in two affidavits. The prosecution claimed that Billings arrived at the corner a few minutes before the explosion occurred at 2:06 o'clock. Two affidavits said that Billings was not the man who climbed to the roof of 721 Market street, where the prosecution said he carried a suitcase before planting it against the building at the corner. The fifth affidavit said that Billings was not the sick man administered by Mrs. Estelle Smith.

EXTRA COURT IS ASKED TO REVIEW CASE

(By Associated Press.) WASHINGTON, Sept. 30.—Another phase of litigation growing out of the West Virginia coal mine strike of 1913 reached the supreme court yesterday. The court was asked to review the conviction of Fanny Sullens, James Oates, Hiram Stephens and Frank Ledvinka of contempt of court for violating Federal Judge Dayton's injunction prohibiting members of unions or others from interfering with employees of the West Virginia-Pittsburg Coal company. Sentences of six months' imprisonment imposed on the defendants were confirmed by the court of appeals.

BAKERS ARE JUSTIFIED

(By Associated Press.) CHICAGO, Sept. 30.—Resolutions asking an embargo on wheat and flour were adopted today at a meeting of club women, most of whom defended bakers here for raising the price of bread. The increase, they declared, was justified by war exports, crop shortage, and added manufacturing expenses.

BATTLING IS RESUMED ON SOMME

(By Associated Press.) LONDON, Sept. 30.—Emperor Lidj Jeassa of Abyssinia, deposed at Addis Abbaba, is the 22 year old grandson of Menelik, whom he succeeded in 1913.

BREWERY WORKERS GO BACK TO THEIR JOBS

Benefits Are Being Distributed to the Striking Carmen of New York City Today

(By Associated Press.) NEW YORK, Sept. 30.—Ferry boats of the New York Central railroad company, plying between Manhattan and New Jersey, were tied up during the rush hours late yesterday by a strike of 150 employes on the boats. The latest labor difficulty in this city resulted from the men's demand for shorter hours and higher pay. The strike has no connection, it was said, with the traction situation.

PRESIDENT MEETS YOUNG DEMOCRATS

CAMPAIGN COST MILLION AND HALF

(By Associated Press.) LONG BRANCH, Sept. 30.—The first big political rally in the Democratic campaign was held when the president welcomed over a thousand members of the young men's Democratic clubs at Shadow Lawn. He told them why he believed the young men should vote the Democratic ticket. The delegation arrived by special trains from New York. He greeted them on the porch and shook hands with every man.

ORDERED TO THE FRONT

(By Associated Press.) WASHINGTON, Sept. 30.—The war department has ordered the 33rd infantry, A and B troops of cavalry, field hospital No. 1, ambulance company No. 1, one company of engineers and a signal company, all in Michigan, to the Mexican border.

PENNSYLVANIA TRAIN IS WRECKED IN OHIO

(By Associated Press.) CINCINNATI, Sept. 30.—When the piston rod of the first engine of train 1231 of the Pennsylvania line, running between New York and Cincinnati, broke, it left the track and partially overturned. The engine fireman on the first engine was killed and the crew of the second were injured. Five passengers were bruised, but none seriously injured. The train was composed of steel cars drawn by two engines.

DANGERS TO WORKMEN

(By Associated Press.) NEW YORK, Sept. 30.—Dangers aside from accidents that menace the health of munitions workers in the manufacture of high explosives were recognized officially at the annual meeting of the American Chemists' association.

WILL PREFER CHARGE OF MURDER TOMORROW

(By Associated Press.) MOUNTAIN VIEW, N. H., Sept. 30. High Sheriff Arthur Chandler of Carroll county announced late last night that he would prefer a charge of first degree murder today against Frederick L. Small, whose wife was found apparently murdered in the charred ruins of the Small cottage on the shores of Lake Ossipee this morning. Small was held under guard in a local hotel last night.
