

# TAFT OPENS CAMPAIGN IN WILSON BAILIWICK

(By Associated Press.)  
 TRENTON, N. J., Oct. 5.—Asserting that the campaign of 1916 is as important as the campaign of 1896, and resembles that campaign in that the Democratic party and its candidate are seeking power for disingenuous, unsound but alluring reasons, former President Taft opened the Republican state campaign here last night. Mr. Taft attacked the Democratic party's fiscal policy as extravagant; attacked its free trade tariff, its claim to credit for prosperity, and also its foreign policy. He also turned his attention to President Wilson's defense of his course in settling the threatened railroad strike through the enactment of the Adamson law. "Corporations and trade unions are necessities of modern economic society," said Mr. Taft. "The power they acquire, however, may tempt to serious abuses and they have done so. Hence the anti-trust law and the interstate commerce law. Labor leaders have sought exemption from such laws and in some instances they have been successful. Unwise sub-

(By Associated Press.)  
 PARIS, Oct. 5.—British surgeons have treated 16,000 cases and performed 462 operations on civilian patients in the zones of their armies in France since the beginning of the war. They had not only to treat all the current ills of the region but were required to combat the epidemics that follow war. All the inhabitants of the British zone were vaccinated against typhoid and special hospitals were created for children. A considerable number of civilians wounded by shell fire also require their attention.

# WORLD'S SERIES WILL BREAK ALL RECORDS

(By Associated Press.)  
 BOSTON, Oct. 5.—Manager Carrigan of the Boston American league put his men through a light workout yesterday afternoon on Braves' field, the home of the Boston National club, where the world's series in this city are to be played. The squad was divided into two teams and ten innings were played. No attempt was made to keep score. All the regular pitchers were sent in to work for an inning or two, and batters were given plenty of opportunity to hit the ball in order to accustom the fielders to judging fly balls in the sunlight spaces and the shadows of the park.

Captain Barry was second baseman of one of the teams, but his injured hand is still weak, and it is not believed he will figure in the world's series. Janvrin, who has been at second in Barry's absence, is expected to play the position.

Tomorrow a team of Boston players will go to Worcester, where they will have a benefit game with the Philadelphia American league team. The proceeds will be turned over to the memorial fund for John H. Gaffney, a former National league umpire. Captain Barry will have charge of this team, which will be composed largely of substitutes.

Manager Carrigan will give the regular team another light workout tomorrow afternoon.

From the number of applications already received the world's series promises to break all existing records as far as newspaper attendance is concerned, it is said. The Braves' field press box, which is the largest in the country, probably will seat the greatest assembly of baseball writers that has ever witnessed a game.
