

REPORT CARRANZA WILL LEAVE MEXICO

(By Associated Press.)
WASHINGTON, Oct. 25.—Charges that General Carranza is preparing to leave Mexico are being freely made by his political opponents in Mexico City. They are based upon his decision to leave his capital for Queretaro, and the fact that Mrs. Carranza already has crossed the border into the United States, accompanied by the wife of her husband's war minister and chief supporter, General Obregon.

Information to this effect is reaching officials here from various reliable sources. So far nothing tangible tending to support the story has come through official channels. It is known, however, that many officials here believe General Carranza has committed a political blunder at least if he is not in fact preparing for flight, by permitting his family to leave Mexico just at this time. The trip, they say, was certain to be construed by his followers as a confession of weakness.

The purpose of the visit of Mrs. Carranza and Mrs. Obregon, as explained at the Mexican embassy, is for a tour of the United States. Word of the arrival at the border also of Mrs. Jacinto Trevino, wife of the military commander of Chihuahua state, had not been received tonight. It was pointed out, however, that "Trevino has been among Carranza's staunchest supporters and that if the first chief kept his hold the political situation was weakening Trevino probably would be warned in order that he might also place his family in safety."

The state department has not received tonight word that Generals Carranza and Obregon had left Mexico City for Queretaro. Previous advice, however, said that the first chief would go to that place in connection with the constitutional convention for which delegates were elected last week. This is the only explanation obtainable here for Carranza's departure.

Persistent reports that Carranza was about to leave Mexico have been in circulation along the border for some time. It is not known that the American military authorities have been able to gather any definite information in this regard. Many war department officials have privately expressed their conviction, however, that the defacto government, or at least General Carranza's personal control of the political situation, was growing steadily weaker. They have another report that the time might come soon when he might be forced to leave Mexico.

The main point urged by General Carranza in asking for the withdrawal of American troops from Mexico was that their presence on Mexican soil was not understood by the Mexican people and hindered his efforts to establish a civil government.

It has become increasingly appar-

ent here that the continuance of disturbed conditions throughout Mexico is operating against the commissioners in their efforts to reach a solution of the border problem.

WRESTLING AND BOXING CARNIVAL IS PLANNED

TERRIBLE TURK AND CHARLEY CHAPLIN WILL GO TO THE MAT

A good wrestling and boxing carnival will be staged in the Airdome Friday evening, October 27. All of the performers who are billed to appear have been training for the past few days.

The headliner of the evening will bring together our own Charlie Chaplin (Streibart) in a wrestling match to a finish with K. Cristoff, known in the grappling game as the Terrible Turk. The latter has had a large amount of experience and is a powerful man for any high class wrestler of his weight to handle, and as the feeling between him and Charlie is rather strained the match should be a hard contested one. Several bets have been made by a few of the two men's followers and they have been placed at even money.

The boxing program will consist of six local boxers who aspire to become stars in the game of give and take. J. A. Coalman will meet hard hitting Jack Barter in the first four round bout. Ivan Brewer, a fast paper-weight, will hook with L. Kinsettler, also for four rounds, and Chalky Miller, the colored cyclone whose name is well known both here and in Goldfield, will mix things up with a local lad who will box under the name of Young Attell.

Tony Barragae will be on hand to challenge the winner to a finish match, under winner take all basis.

Why they're Sensible

OCCASIONALLY, a more heavy, full-powered cigarette than Fatima tastes mighty good. But heavy cigarettes are a little too "oily" and rich to suit most men for long. You are certain to find more comfort in a delicately balanced blend like Fatima. Because Fatimas leave a man feeling keen and fit even after smoking more often than usual. That's why they're sensible. Prove it yourself.
